RUNNING CLUB WELCOMES ALL FOR SATURDAY RUNS

Rose City Runners draws members from Morris County and beyond! We meet every Saturday morning at the Kitchell Rd. parking area of nearby Loantaka Park in Morris Township. (Use 116 Kitchell Rd, Morristown NJ in your mapping software.) Meet time is at 8:30 a.m. April-October and 9 a.m. November-March. We leave promptly so if it's your first time come a little early so you can be introduced.

A small group meets at Cougar Field in Chatham on Tuesdays at 6 a.m.

We share post Saturday run breakfast on a park picnic bench. We even have a fire in the shelter fireplace on cold winter days to keep us warm when we share breakfast. We do have other activities including member hosted house parties.

Some members also race and when there is enough interest we form a team. Racing is an option and not a requirement for membership.

Just come some Saturday! Members run varying paces (including a few walkers) and typically cover 3-8 miles, much on quiet wooded park trails. We often have turnouts of over 20 runners even on cold days. We have a diversity of ages from 20's to 70's! When park trails are icy or snow covered, we use alternate routes. We are a friendly welcoming group.

Contact BarbaraRushman@yahoo.com, check us out on Facebook or visit our website RoseCityRunners.com to join or to learn more. If interested in early morning Chatham runs contact kavishshukla@outlook.com.

FROM PRIVILEGE TO PURPOSE: AN EVENING WITH HRH CROWN PRINCE MANVENDRA

Harmonium Choral Society is hosting an evening of music and conversation with HRH Crown Prince Manvendra Singh Gohil and his husband, HH Prince deAndre, Duke of Hanumanteshwar, on their 2025 USA PRIDE MONTH TOUR: Human Rights Advocacy, on Friday, June 13th, 7 pm, at the Ukrainian American Cultural Center, 60 N Jefferson Rd., Whippany. Cost is \$25.

As India's first openly gay royal and a direct descendant of one of India's oldest dynasties, Prince Manvendra's story made international news in 2006 when he came out as a homosexual, his family disowned him, and effigies of him were burned in public. Today, he is an internationally recognized human rights advocate. His journey is a testament to courage, resilience, and the power of truth.

The prince's inspiring story will be interwoven with several musical selections. Harmonium singers, directed by Anne Matlack, will be joined by flutist Kris Lamb and the prince who will play the harmonium, an Indian musical instrument. Light refreshments will be provided by Jim Knight of Michelin Flavors Catering.

The prince's husband, an American by birth, and part of the first same-sex royal marriage in modern history, will join Prince Manvendra to share moments from their time together, which are highlighted in their recently published memoir, *A Royal Commitment: Ten Years of Marriage and Activism*. Although they will not be traveling with books, they are happy to sign books for those who have them.

Together, HRH Prince Manvendra and HH Prince DeAndre continue to champion human rights, breaking barriers and reshaping history through advocacy, education, and lived experience. This tour extends beyond literary promotion; it is a movement for activism, advocacy, and leadership in the ongoing fight for global equality.

There will be time for questions and conversation with Princes Manvendra and DeAndre. Preregistration is requested here: zeffy.com/en-US/ticketing/pride-month-tour-june--2025

For more information about 2025 PRIDE MONTH TOUR: Human Rights Advocacy, please visit their website: TheGayRoyals.com. A portion of the proceeds will benefit Lakshya Trust, an Indian nonprofit established by the prince to help the LGBTQ+ community.

Harmonium Choral Society is dedicated to ensuring that all our patrons are able to enjoy the arts equally. If you need a large print program or have accessibility needs, questions, or concerns, please contact us at least two weeks prior to the performance, and we will assist you in the best manner we have available. We are always looking to make your experience better, and we welcome your input. For more information, contact manager@harmonium.org or (973) 538-6969. Thank you for supporting Harmonium as your entertainment choice.

Funding has been made possible in part by

Morris Arts through the New Jersey State Council on the Arts/Department of State, a partner of the National Endowment for the Arts and by funds from New Jersey The Cultural Trust.

MORE ABOUT HARMONIUM CHORAL SOCIETY:

Directed by Dr. Anne J. Matlack since 1987, Harmonium Choral Society is one of New Jersey's leading choral arts organizations. The 100-voice chorus has been recognized for its musical excellence and innovative programming and has commissioned over 30 works by contemporary composers to keep the choral arts vibrant and alive.

In addition, the High School Student Choral Composition Contest has won the prestigious Chorus America Education and Outreach Award. Harmonium also sponsors musicianship workshops and an outreach chorus that performs in schools, retirement facilities, and other venues. The chorus tours internationally, most recently to the Balkans in the summer of 2022.

JUNE SPECIAL EVENTS MORRIS COUNTY LIBRARY

30 E Hanover Ave, Whippany, NJ 07981 • (973) 285-6930 • www.mclib.info

Then and Now with Marta McDowell
Saturday, June 14, 2:00-3:00 p.m.
The hunt for garden history started with a discovery. It was a "visiting gardens" list, circa 1928, found in the archives of the Morris County Park Commission. Miss Caroline Foster drew up the list for the Garden Club of Morristown. Eighty years later Marta McDowell and friends tracked down those properties and a few more for good measure. What did they look like then? Have they survived? Come on this entertaining, informative hunt for the treasures of our gardening past with local author, horticulturalist, and landscape historian Marta McDowell. No registration is required; seating is first-come, first-seated.

Wills, Trusts and Estates (Virtual via Zoom)
Tuesday, June 17, 6:30-7:30 p.m.
Morris County Surrogate Heather J. Darling, Esq. will speak on Wills, Trusts and Estates. Registration required.

ARM PAIN

You Don't Have To Live With It!

That "searing, burning pain" in your arm and shoulder . . . that "achy, numbing" feeling in your forearm... that "tingling" and loss of strength in your hand... It interferes with your ability to use the computer, play golf, garden... to have **FUN IN LIFE!**

Arm pain, hand and arm numbness, and tingling down the arm may actually be caused by a pinched neck nerve even though you have **NO** neck pain - Or something as simple as tendinitis of your shoulder and forearm.

Dr. Murphy is an expert at finding the CAUSE of your arm pain and numbness and **CORRECTING IT... WITHOUT THE USE OF DRUGS OR SURGERY.**

FOUR DECADES OF MUSICAL MAGIC

Hanover Wind Symphony

Celebrating four decades of “bringing music to people and people to music,” the renowned Hanover Wind Symphony presented a gala 40th Anniversary Concert on Sunday, April 27, at Morristown High School. Roughly half the members of the all-volunteer HWS are music educators; the other half range from engineers and physical therapists, to IT business analysts, speech/language pathologists, even probation officers. All bring their musical talents, plus their other life experiences, to the music they love to play. The group was founded in 1985 by Peter Boor, former band director at Whippany Park High School, who saw the need for an adult ensemble which could perform music of the highest caliber. At the premiere performance there were 30 musicians. Now in its 40th season, the Hanover Wind Symphony has a membership of over 85. For further information about HWS, including details about upcoming concerts, visit hanoverwinds.org.

(above) Among those on hand for the HWS 40th Anniversary Concert founding music director and conductor Peter Boor, left, former band director at Whippany Park High School and Fairleigh Dickinson University in Madison, and Matthew Paterno of Parsippany, current HWS music director and conductor. Boor served as a guest conductor at the 40th Anniversary Concert.

STUDENTS ACCEPT NASA CODING CHALLENGE

Morris County Vocational School District

Students from the Academy for Computer & Information Sciences, located at the Morris County School of Technology in Denville, within the Morris County Vocational School District (MCVSD), embarked on a Science, Technology, Engineering and Math (STEM) journey this school year by participating in NASA's App Development Challenge (ADC). The ADC, one of eight Artemis Student Challenges, is a coding challenge presenting students with technical problems seeking their contributions to deep space exploration missions.

The ADC is a part of the NASA Office of STEM Engagement Next Gen STEM Project and is led out of Johnson Space Center in Houston. This year's challenge asked student teams to research and design a computer application to visualize Artemis II, the first crewed mission on NASA's path to establishing a long-term presence at the Moon for science and exploration through Artemis. The challenge is created in collaboration with NASA's Space Communication and Navigation (SCaN) team to support upcoming mission planning and training activities.

SCaN serves as the program office for all of NASA's space communications activities, presently enabling the success of more than 100 NASA and non-NASA missions. SCaN manages the Near Space Network (NSN) and the Deep Space Network (DSN), ensuring the availability and allocation of the radiofrequency spectrum for all NASA programs. Additionally, SCaN supports the research and development of cutting-edge space communications technologies, such as optical and quantum communications, and is responsible for developing an integrated space communications and navigation architecture to support science and human exploration programs through 2040.

Throughout the 10-week challenge, which occurred Oct. 2-Dec. 11, 2024, students had the opportunity to engage with NASA coders and engineers through four live virtual events and weekly office hours. NASA scientists and engineers reviewed student video submissions and interviewed selected teams. Following

interviews, top teams will be selected for a multiday culminating event at Johnson.

By accepting the ADC challenge, these Artemis Generation students from the Academy for Computer & Information Sciences are participating in NASA's endeavors to land the first woman and first person of color on the surface of the Moon.

For additional information about the App Development Challenge, SCaN and NASA's Next Gen STEM visit their website:

ACADEMY FOR COMPUTER & INFORMATION SCIENCES

The Academy for Computer & Information Sciences is a rigorous Career & Technical Education (CTE) program that prepares students for success in post-secondary programs and careers related to the computer science field. Students in the Academy are provided with a comprehensive overview of computer programming, internet technology, computer architecture, history of computers, mathematics for programming, network security, and software engineering.

MORRIS COUNTY VOCATIONAL SCHOOL DISTRICT

Morris County Vocational School District (MCVSD) offers a wide range of career and technical education programs that inspire and prepare students to succeed in today's world and pursue tomorrow's opportunities. An academy program of the Morris County Vocational School District (MCVSD) provides students in grades nine through twelve in-depth instruction in a specific career pathway. Students attend the academy program instead of their local high school unless the academy program is housed in their local high school. Students take their academy class each year along with the NJ State Department of Education's academic requirements. All academy students receive a high school diploma from the Morris County Vocational School District, regardless of their academy location. Each academy has a unique academy course sequence and opportunities for internships and earning college credit. For more information visit www.mcvts.org.

ALTERNATIVE TO A COMPLICATED, EXPENSIVE AND
LIFE-DISRUPTING ASPHALT ROOF REPLACEMENT**

Our revolutionary rejuvenation treatment is designed to penetrate deeply and restore the protective oils and flexibility of your asphalt shingles. This extends the life of your shingles and renews their water, wind, and sun protection for years to come.

Roof Maxx is Environmentally friendly while drastically reduces the expense of replacing your roof.

- Extend the life of your current roof for as much as 15 years
- Saves up to 75% over the cost of a new roof replacement.
- All-natural formulation is Certified USDA BioPreferred
- No messy, noisy, and lengthy construction process or trips to the landfill.

IS YOUR ROOF READY FOR ROOF MAXX?

Asphalt shingles are made of small, sand-like pebbles pressed and held together with natural oils. As this oil dries out, you will notice changes in your shingles. When you start seeing the following signs, your roof can benefit from a Roof Maxx treatment.

- Sand, pebbles, and debris flaking off and showing up in your gutters and downspouts.
- Watch for black stains or streaking that are visible from the ground.
- Note areas that are cracking, breaking, and curling.

10TH ANNUAL FEATHERFEST – JUNE 1

We invite you and your family to The Raptor Trust (TRT) on Sunday, June 1, 2025, for a day of all things bird! Make a difference in one day. FeatherFest is the biggest event of the year, when our community comes together to raise funds to help care for the influx of baby birds we admit each spring/summer. Tour our facilities and participate in games, gifts, auctions, raffles, food, and FUN! Entry times for FeatherFest must be booked online at: theraptortrust.org/featherfest

The Raptor Trust is located at 1390 White Bridge Road, Millington, NJ.

The Raptor Trust is a 501(c)(3) not for profit organization which provides free medical care to thousands of orphaned or injured birds each year. Our infirmary staff is available seven days a week during daylight hours to admit injured birds, but we must rely on the people who find them to bring them to us for care. If you find a bird that needs help, please visit our website

theraptortrust.org for instructions. We cannot do what we do without the kindness of many – including our visitors!

BLOOD SERVICES VOLUNTEERS NEEDED

New Jersey Blood Services (NJBS), a division of New York Blood Center, which provides blood for local patients, is looking for a few good volunteers.
