CANINE COMPANIONS CELEBRATING 50 YEARS

Canine Companions
Mike Saverino was recently matched with his third Canine Companions service dog names Arbor. Mike is overjoyed about how Arbor has picked up right where his retiring service dog Webster left off, making a difference in Mike's daily life.

Arbor II is a two-year-old lab-golden retriever cross specially bred and trained by Canine Companions to serve people with disabilities. Arbor knows over 40 professional commands to assist Mike in his daily life. Arbor opens doors, turns on lights, and picks up dropped items for Mike to name just a few.

Mike enjoys sled hockey, weightlifting, and is heavily involved in the Canine Companions New Jersey Volunteer Chapter.

About Canine Companions: National nonprofit Canine Companions is celebrating 50 years of empowering people with disabilities to live with greater independence — and it all started with a service dog named Abdul. Canine Companions invented the concept of the modern service dog in 1975 and has since placed more than 8,200 expertly trained dogs at no cost to clients, entirely supported by donations. Today, as America's first and largest provider of service dogs, Canine Companions leverages seven locations across the country to serve adults, children and veterans with disabilities as well as professionals working in health care, law enforcement and educational settings in all 50 states. Volunteer, donate and learn more at canine.org.
