## SUMMER REC CAMP IS THE COOLEST PLACE TO BE

Clark Recreation’s famous Summer Rec Camp program is in full swing with a record number of kids attending daily. Everyday is another adventure with entertainment – sports – shows and attractions at the camp. We average 700 children a day and 130 counselors. Under the direction of Recreation Director Ralph Bernardo for the past 20 years, “We have something for every child here at the camp – it’s all about having FUN!” Bernardo said.

## BRAELYN PRUSAKOWSKI'S GOLD AWARD PROJECT

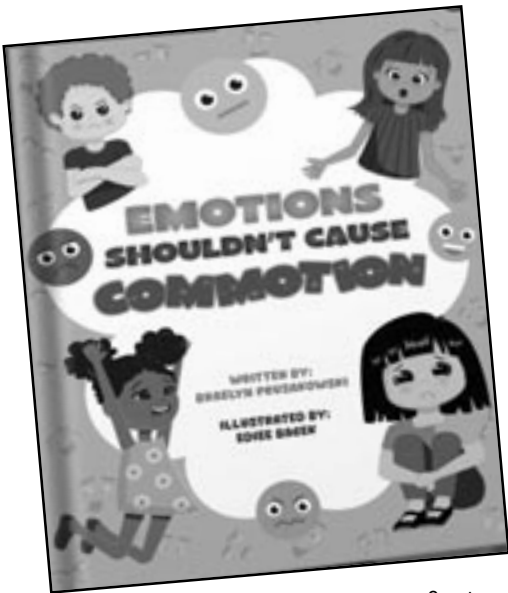

**Clark Girl Scout Troop 40138**  
The Girl Scout Gold Award is the highest and most prestigious award in Girl Scouting, recognizing scouts who demonstrate extraordinary leadership and create lasting change in their communities. To earn this award, a scout must identify a community issue they are passionate about, research its root cause, and develop a sustainable and impactful solution.

Braelyn Prusakowski, a Girl Scout in Clark's Troop 40138, lead by Jamie Hovick. Braelyn chose to focus on emotional regulation in young children for her Gold Award Project. Having worked at the Westfield YMCA in the Early Learning Center with children aged 2-5 years old for the past two years, she recognized the importance of addressing emotional health at an early age.

To tackle this issue, Braelyn published an interactive children's book designed to encourage caregivers to normalize conversations about emotions with young children. The book includes activities for children to work through their emotions and to recognize emotions of their peers. Her book aims to help children build a strong foundation for mental health by making it easier for them to understand and express their feelings.

Braelyn's project has had a significant impact on the community. She donated copies of her book to many local daycares and schools, where

it received positive feedback from teachers, caregivers and children. Her efforts have not only provided a valuable resource for emotional education but also demonstrated her leadership with her team and commitment to creating a lasting change. The book is titled "Emotions Shouldn't Cause Commotion" and is available at the Clark Library, on Amazon and at Barnes and Noble.  
Braelyn's Gold Award Project is a shining example of how young leaders can make a meaningful difference in their communities. Through her dedication and innovative approach, she has helped pave the way for a healthier, more emotionally aware generation.

# CLARK POLICE OFFICERS ADOPT LUCKY PUPPIES THEY RESCUED

*Best Friends Animal Society*

In December 2024, a trio of officers with the Clark Police Department responded to a call from a Good Samaritan about puppies that were abandoned in a five-gallon bucket. When they arrived on the scene, the officers discovered eight tiny puppies, only a couple of weeks old, huddled together for warmth in the freezing winter temperatures.

The puppies were immediately rushed to Associated Humane Society-Newark after hours by their Animal Care Officers (ACOs) for veterinarian evaluation and treatment. They were cold, starving, severely dehydrated, and infested

(above) Clark Police Officer Ronny Taborda (adopted Capri), Detective Bruce McDonald (adopted Zeus), and Detective Paul Sosnowski (adopted Ozzy).

with fleas.

“Deann Bowen, the Manager at AHS’s Tinton Falls location and a veteran vet tech with experience in neonatal care, was able to meet our ACO’s halfway up the Parkway and took them right into foster,” said Danielle Mania, Chief Operating Officer of AHS-Newark.

With the puppies safely in foster care, which included round-the-clock feedings until they were able to eat on their own, the team at AHS-Newark set about finding their family. They posted the story and photos on social media the next morning, took press interviews, and raised \$40,000 to provide for the puppies’ medical treatment and care.

“We did receive a few tips, but all were unsuccessful,” said Mania. Once they were old enough, the puppies were sent to foster in different foster homes.

The officers were instantly interested in adopting puppies from the litter. With each passing day, they could not stop thinking about the puppies’ wellbeing and regularly checked in on them. When they were all spayed/neutered and ready to adopt in March 2025, there was no need to list them all. Three of the puppies - now named Ozzy, Capri, and Zeus - had already found their loving homes with the three police officers that saved their lives on that cold winter day. Officer Ronny Taborda (adopted Capri), Detective Bruce McDonald (adopted Zeus), and Detective Paul

Sosnowski (adopted Ozzy).

“The Clark PD has an adorable group chat to keep in touch with all of the adopters, and they frequently have play dates with each other,” said Mania. “This situation was really a testament as to how we work together as a team across the entire organization to save lives and find pets homes.”

This full circle moment highlights modern animal services practices, and the pet lifesaving work that police and animal control officers do in their communities. It is also a reminder of the importance of microchipping pets and having them wear up-to-date identification tags, so in the event they become lost, they can be quickly reunited with their owners. Data indicates that 52% of lost dogs and two out of every five cats are successfully returned when microchipped, which reduces the amount of time lost pets stay in shelters that often already have limited space.

Best Friends Animal Society, a leading national animal welfare organization working to end the killing of cats and dogs in America’s shelters, is partnering with AHS-Newark to help them achieve their pet lifesaving goals. Best Friends’ most recent data shows that New Jersey is on the verge of becoming a no-kill state with an 89% save rate. There are just ten shelters in the state that need to save less than 100 pets to achieve no-kill. For more information, visit [bestfriends.org](https://bestfriends.org).

# SAY GOODBYE TO KNEE & JOINT PAIN WITHOUT RADIATION

## Introducing RADIATION FREE KNEE INJECTIONS Under Ultrasound Guidance

### Do You Experience:

- Joint pain or tenderness?
- Joint stiffness after a period of inactivity or when you first wake up?
- Loss of flexibility?
- Grating sensation when you move?

### Why Do You Need It?

- You have knee pain that's so bad it interferes with everyday life.
- You have tried nonsurgical treatments for several weeks or months and your symptoms have not improved.

### Benefits of Viscosupplementation

- No pain from the injection
- No recovery time
- Quick results
- No radiation

If you answered "yes" to any of these questions, there's good news: NORTHEAST SPINE AND SPORTS MEDICINE can offer the relief you need to save a life free of knee pain.

### Ask us about Viscosupplementation

Viscosupplementation is a non-invasive, FDA-approved treatment proven effective for Osteoarthritis and other types of pain.

Viscosupplementation is a procedure in which a gel-like fluid called hyaluronic acid is injected into the knee joint. Hyaluronic acid is a naturally occurring substance found in joint fluid, acting as a lubricant to enable smooth bone movement and absorb shock when needed; Because people with osteoarthritis have a lower than normal concentration of hyaluronic acid in their joints, viscosupplementation is an excellent therapeutic option for these individuals.

Viscosupplementation is a high-tech answer for all those who think that surgery, dietary supplements, and prescription medication are the only options for eliminating knee pain. In fact, this new treatment enables most people to get back to enjoying everyday activities in a matter of weeks. Treatment is covered by most major health insurance plans, including Medicare.

Arthur L Johnson High School held its sixty-ninth commencement ceremony on the ALJ field on Friday, June 20th, 2025. The event was attended by Clark Board of Education Vice President Thomas Lewis, Clark Board of Education members, Clark Mayor Angel Albanese, Garwood Mayor Jennifer Blumenstock, Clark Superintendent Edward Grande, family members, teachers, administrators, and other community members.

Assistant Principal Katrina Poskay served as master of ceremonies for the event. The processional leaders included Senior Class President Alexa Tavares and Krista Steiner and Lisa Karnaugh, Student Council Co-Presidents. Tavares led the Pledge of Allegiance and Mariana Milara, Isabella Papa, Bryan Ruban, and Daniel Ionin sang The National Anthem, which was also signed by ASL 4 students.

Salutatorian Bradyn Weber reflected on the lessons she learned over the years. She stated, "We as humans are inherently impatient. We always want what we can't have, but if I were to give any piece of advice I would tell all of you to stop waiting. Because frankly, what exactly are we waiting for?" She continued, "There is so much beauty and happiness that the present has to offer, so why do we keep waiting for what is coming next? Why don't we enjoy what we have when we have it and make the most of our time as curious young adults?"

Marianna Milara, Bryan Ruban, and Judah Gray performed the song "Vienna" composed by Billy Joel.

Alexa Tavares, Senior Class President, reflected on her experience at ALJ talking about change. She stated, "We fear change because we fear the unknown. She continued that we are able to face this fear because of those around us who support us. She continued, "There will be things, people, memories, love that distance and time can't take away. And those things make up our foundation."

Clark Board of Education Vice President Thomas Lewis shared his excitement for the graduating class and what is to come. He stated, "It's about challenge. Challenge yourself." He continued, "Don't be afraid."

Superintendent Edward Grande shared the honors, accolades, and pursuits of the Class of 2025 mentioning that this class received over \$9 million in scholarships. He stated, "These accomplishments are proof of the fact that you are part of a most special, prestigious, and talented group." He continued, "Be driven and have focus. Transform problem into challenges. In fact, challenge both yourself and others but make sure the needed supports to succeed are in place." He continued, "While certain days can seem long, the journey of life is short."

Tara Oliveira, Principal of ALJ, addressed the graduating class about the importance of relationships. She thanked the 7 retirees. She stated, "Relationships are what keep us grounded." She continued, "Invest in people. Build bridges. Be someone others can count on. Be honest and never underestimate the power of a kind word, shared laugh, or shoulder to lean on. The relationships you carry and create will define your legacy." She then asked students to share someone in their life who has inspired them.

The ALJ Alma Mater was then performed by Milara, Papa, Ruban, and Ionin.

Students were awarded diplomas by Board of Education members, Mayor Albanese, and Mayor Blumenstock. Names were announced by students Lisa Karnaugh and Aidan Mazza.

Valedictorian Krista Steiner talked about how everyone in the graduating class contributed to her "mosaic." She stated "You are all pieces of me." She continued, "I have learned something from each and every one of you. She stated, "You will touch every person you meet even if it is just for a heartbeat. Treat people with love, respect, and kindness" and "add to their mosaic meaningfully."

Steiner's speech was followed by Keane's "Somewhere Only We Know" performed by Milara, Ruban, Antonio Triolo, and Matthew Falcon.

Ms. Poskay concluded the ceremony congratulating the students. She stated, "You will always be Crusaders. This will always be your home. Make us proud."

# ADVOCATE FOR CHILDREN IN FOSTER CARE TRAINING BEGINS IN SEPTEMBER

**CASA of Passaic and Union Counties**

At just nine years old, Jayden has endured years of neglect due to his parents' substance use and mental health challenges. After they lost their apartment, the family began living in their car in various parking lots, and Jayden often went without food or basic care. Before things reached that point, Jayden had been enrolled in school and enjoyed it. Math was his favorite subject and he loved weekly math club and seeing friends. One night, police were called after Jayden was found alone and barefoot at a gas station. He was removed from his parents and is now living in foster care. A judge assigned a Court Appointed Special Advocate (CASA) volunteer to Jayden — and now he has someone who listens, shows up, and stands up for him.

Jayden is one of more than 500 children removed from home in Union and Passaic counties due to abuse and neglect. Living in foster care and separated from all they've known, each child needs a caring, consistent adult in their corner to protect their best interests while in care. Is that you?

Fall training to become a CASA volunteer starts mid-September and will be held at the Linden Library. The first step is to attend an information session. Register now at [casapassaicunion.org/info-session](http://casapassaicunion.org/info-session) for one of the following: Friday, August 1 and Wednesday, August 6, both at 12 pm at the Child Focus office in Elizabeth, 1143 East Jersey Street, 2nd Floor;

Wednesday, August 6 at 5:30 pm at the Linden Library; Monday, August 11 at 5:30 pm, Rahway Library; Wednesday, August 13 at 12 pm at the Child Focus office in Elizabeth, 1143 East Jersey Street, 2nd Floor; Wednesday, August 13 at 5:30 pm at the Plainfield Library; Monday, August 18 at 12 pm at the Child Focus office in Elizabeth, 1143 East Jersey Street, 2nd Floor; Monday, August 18 at 5:30 pm at the Colleen Fraser Building in Westfield; and Wednesday, August 20 at 5 pm, Mountainside Library.

CASA volunteers are trained advocates who visit the child monthly and have court-ordered access to all parties in the case. Supported by CASA staff, advocates make fact-based observations about outstanding needs or concerns and make recommendations to the court. The CASA volunteer is often the only consistent person in the child's life. Applicants must be at least 21, be able to communicate effectively both orally and in writing, have computer skills, pass a background check, and complete the 36-hour training. View the training dates at [casapassaicunion.org/casa-training](http://casapassaicunion.org/casa-training).

CASA of Passaic and Union Counties is a program of Child Focus, which prioritizes the needs and well-being of infants, children, and teens impacted by, or at risk of, abuse or neglect. For details about CASA of Passaic and Union Counties, call 973-832-4002, email [info@casapassaicunion.org](mailto:info@casapassaicunion.org), or log on to [casapassaicunion.org](http://casapassaicunion.org).
