CAREER TRAINING CENTER OPENS AT COUNTY COLLEGE

County of Morris

More than 100 people gathered on Friday, May 30, 2025, at the County College of Morris (CCM) to celebrate the official opening of the Morris County Career Training Center, a new facility of the Morris County Vocational School District (MCVSD) on the college campus in Randolph.

The ribbon-cutting ceremony marked the completion of a 46,350-square-foot, two-story building that will expand MCVSD's capacity by hundreds of high school students starting with about 150 in the fall 2025 semester. The center will offer share-time programs focused on career and college readiness in fields ranging from medical and dental assisting to artificial intelligence, renewable energy and supply chain management.

The \$26.8 million project was funded through \$18.6 million from the Securing Our Children's Future Bond Act and \$8.2 million in county support. The building is located adjacent to CCM's Advanced Manufacturing and Engineering Center and the future Entrepreneurship and Culinary Science Center, which is currently under construction, forming a hub of career and technical education in the county.

Programs offered at the center will provide students with hands-on experience, industry-recognized credentials and the opportunity to earn up to 18 college credits. The share-time model allows students to attend specialized technical training for half the school day as part of their junior and senior year high school programs.

"This building does not feel like a high school. It feels like a high-tech, innovative space, and I know students will love learning here. They will know they are in special space," said MCVSD Acting Superintendent Shari Castelli, who emceed the event.

"This event is not just about the opening of a new building. It's about opening the doors to our students, where they will be able to cultivate their dreams, hopes and aspirations. They will have a safe and inspiring environment where they can explore the many possibilities and opportunities

that will be available to them to discover their own individual talents," said MCVSD Board of Education President Barbara Dawson.

"The Morris County Vocational School District Career Training Center is the result of a unique and innovative partnership. It's a shining example of what can be achieved when educators, with the support of county and state leaders, come together with a shared mission to empower the next generation of young people, and ultimately strengthen our community," said Paul Licitra, chair of the CCM Board of Trustees.

The project was made possible through collaboration among CCM and its Trustees, MCVSD and its Board of Education members, federal and state legislators, Morris County and the Board of County Commissioners, and the Township of Randolph and Councilmembers. During the event, the contributions of former MCVSD Superintendent Scott Moffitt were also recognized.

LANDSCAPE WITH BIRDS IN MIND

The Raptor Trust

How many Eastern Screech Owls do we currently have at The Raptor Trust? Apparently ALL of them! Most of these owlets were displaced after the trees that held their nests were cut down.

Cutting down trees and landscaping - especially during nesting season - can destroy active nests, scare off parents, and even injure adult birds during a critical time.

Most birds nest between March and August. Even small projects - like pruning shrubs or pulling out vines - can have a devastating result on a nest.

Here's how you can help:

- Delay major trimming until fall
- Check for nests before cutting or clearing
- Leave a few brush piles - birds and critters love them
- Avoid pesticides and non-native plants

These small steps can make all the difference for birds trying to raise their families nearby—or young birds in the first days of their lives.

The Raptor Trust is a 501(c)(3) not for profit organization which provides free medical care to thousands of orphaned or injured birds each year. Our infirmary staff is available seven days a week during daylight hours to admit injured birds, but we must rely on the people who find them to bring them to us for care.

If you find a bird that needs help, please visit our website theraptortrust.org for instructions. We cannot do what we do without the kindness of many – including our visitors!

CANINE COMPANIONS CELEBRATING 50 YEARS

Canine Companions

Mike Saverino was recently matched with his third Canine Companions service dog names Arbor. Mike is overjoyed about how Arbor has picked up right where his retiring service dog Webster left off, making a difference in Mike's daily life.

Arbor II is a two-year-old lab-golden retriever cross specially bred and trained by Canine Companions to serve people with disabilities. Arbor knows over 40 professional commands to assist Mike in his daily life. Arbor opens doors, turns on lights, and picks up dropped items for Mike to name just a few.

Mike enjoys sled hockey, weightlifting, and is heavily involved in the Canine Companions New Jersey Volunteer Chapter.

About Canine Companions: National nonprofit Canine Companions is celebrating 50 years of empowering people with disabilities to live with greater independence — and it all started with a service dog named Abdul. Canine Companions invented the concept of the modern service dog in 1975 and has since placed more than 8,200 expertly trained dogs at no cost to clients, entirely supported by donations. Today, as America's first and largest provider of service dogs, Canine Companions leverages seven locations across the country to serve adults, children and veterans with disabilities as well as professionals working in health care, law enforcement and educational settings in all 50 states. Volunteer, donate and learn more at canine.org.

THE BRUCE SPRINGSTEEN ARCHIVES & CENTER FOR AMERICAN MUSIC TO BE SIGNATURE GROUP AT 6TH ANNUAL MARCH TO YORKTOWN DAY

As the country enters a year of celebrations leading up to 2026 and America 250, the Semiquincentennial of the signing of the Declaration of Independence, the Washington-Rochambeau Revolutionary Route New Jersey (W3R-NJ) announces an event that is a prelude to Westfield Celebrates America 250.

The 6th Annual March to Yorktown Day Commemoration & Encampment Festival in Westfield, NJ will be held on Sunday, August 17th from 12:00 noon – 4:00pm.

The event will kick off at 12:00 noon at outside of Westfield's Town Hall with an opening ceremony and the playing of patriotic music followed by remarks about the importance of Westfield commemorating when the French and American troops marched from Newport, Rhode Island to Yorktown, VA (an almost 700 mile, nine state, land and water journey) to lay siege to the British forces there, securing independence for the United States. The march of the troops took place in the summer of 1781 taking them through several Union County towns including Westfield, Mountainside and Scotch Plains on August 29, 1781. The March route was designated in 2009 as the Washington-Rochambeau Revolutionary Route National Historic Trail, a unit of the National Trail System, administered by the National Park Service.

At 12:30, the community is invited to watch or join-in the symbolic march re-enactment along East Broad Street to Mountain Ave. Wreaths of remembrance will be placed at the Presbyterian burial grounds where over 70 Revolutionary War Veterans, their families and other patriots are buried. The march will continue into Mindowaskin Park accompanied by the Generals Rochambeau, Washington and Lafayette, the New Jersey Sons of the American Revolution Color Guard, the Daughters of the American Revolution, the New Jersey Fifes and Drums, the Miller-Cory Museum colonial living history group, women camp followers and the New Jersey Militia Heard's Brigade.

From 1:00 to 4:00, a history themed festival will be set up in Mindowaskin Park. A talk on African American experiences in the Revolutionary War will be given by Dr. Sean Dineen, Adjunct History Professor, Kean University and disabilities advocate. The event's signature group is The Bruce Springsteen Archives & Center for American Music. They will be on hand to share news about their mission and they will have an exhibit with engaging items. Children's games and activities along with information will be provided by local history organizations such as the Forgotten Victory Trail Association, Westfield Historical Society, Miller-Cory House Museum, Princeton Battlefield Society, Westfield Chapter Daughters of the American Revolution, West Fields Chapter Sons of the American Revolution, Sons of the Revolution in New Jersey, Washington Association of New Jersey, North Jersey American Revolution Roundtable, Fortnightly Club, Swan Historical Foundation, Trent House

Museum, Merchants & Drovers Museum, Frazee House Museum, Center for Creativity at the Rialto, Liberty Hall Museum and others.

An encampment with tents, cooking demonstrations, fife and drum music, musket firing and marching drills will occur during the festival.

Food by A Taco Affair of Westfield, will be available for purchase.

This event is made possible by support from Mayor Shelley Brindle, the Westfield Town Council, the Town of Westfield, and in part by a 2025 HEART (History, Education, Arts Reaching Thousands) Grant from the Union County Board of County Commissioners, The Westfield Inn, Chez Catherine, the West Fields Chapter SAR, the Westfield Chapter DAR, the Washington-Rochambeau Revolutionary Route Association, New Jersey (W3R-NJ).

OPERATION SISTERHOOD CELEBRATES WOMEN VETERANS

YWCA Northern New Jersey's (YWCANNJ) Operation Sisterhood proudly hosted its annual Women Veterans Appreciation Day dinner and ceremony on Thursday, June 12, at Fairleigh Dickinson University's Florham Campus in Madison. The event brought together veterans, community leaders, and advocates from across the state to celebrate the courage, service, and leadership of New Jersey's women veterans.

This year's gathering honored 12 outstanding women veterans and community leaders, all selected through a public nomination process for their dedication to service and their alignment with YWCANNJ's mission of empowerment and equity. Special remarks were shared by Assemblywoman Aura Dunn (R-25) and State Senator Kristin Corrado (R-40) who recognized the honorees and paid tribute to the contributions of women in uniform.

A highlight of the evening was the State Medal Ceremony conducted in partnership with the New Jersey Department of Military and Veterans Affairs (NJDMAVA). Twelve women veterans - including two YWCANNJ honorees - were presented with official state medals in recognition of their distinguished military service.

Following the event, YWCANNJ announced that it has received a \$100,000 grant from Impact100 Garden State to support Operation Sisterhood. This transformative funding will allow the organization to expand vital services for women veterans, including mental health support, career readiness programs, and opportunities to strengthen community connections.

"We are beyond excited to receive this generous support from Impact100 Garden State," said Helen Archontou, CEO of YWCA Northern New Jersey. "With this funding, we can deepen the impact of Operation Sisterhood and continue ensuring that women veterans receive the respect, recognition, and resources they deserve - not just during commemorative events, but every day."

Launched as a program of YWCANNJ in 2024, Operation Sisterhood is dedicated to supporting women veterans as they transition to civilian life. The initiative offers a platform of support and wraparound services designed to meet the specific needs of women who have served.

"Women veterans often feel invisible, despite their sacrifices," said Lucy Del Gaudio, Equity

Initiatives Specialist for YWCA Northern New Jersey – Operation Sisterhood and a U.S. Army veteran. "This event is about visibility, connection, and giving these extraordinary women the recognition they've earned and so often go without."

Observed each year on June 12, Women Veterans Appreciation Day commemorates the anniversary of the Women's Armed Services Integration Act of 1948. While not yet a federal holiday, it is recognized in New Jersey thanks to legislation signed by the late Lieutenant Governor Sheila Oliver.

With over 2 million women veterans in the US today – accounting for 10% of the total veteran population, and projected to reach 18% by 2040 – Operation Sisterhood continues to advocate for more inclusive and equitable veteran support services.

YWCANNJ would like to thank the community partners and sponsors whose support made this event possible: Horizon Blue Cross, Bergen New Bridge Medical Center, New Jersey SOS Veterans Stakeholders Group, New Jersey State of Veteran Chambers, Office of Veteran Services at Fairleigh Dickinson, and Catholic Charities.
