REVOLUTIONARY WAR HISTORICAL MARKER DEDICATION

Forgotten Victory Trail Association

In 2026, America will commemorate the 250th anniversary of the signing of the Declaration of Independence.

The Forgotten Victory Trail Association and the Township of Millburn recently completed a two-year project to memorialize the vital role of our community in the American Revolution with the installation of commemorative signage in Taylor Park.

A two-sided informational kiosk was placed in the park, not far from where American Continental soldiers and NJ Militia successfully repelled British forces during the Battle of Springfield. The brave sacrifices of New Jersey's patriots during the Battles of Springfield and Connecticut Farms were critical in the defense of New Jersey and the Continental Army during the American Revolution.

The double-sided kiosk, the first of many planned for the Forgotten Victory Trail, was dedicated on Sunday, June 22, 2025, to mark the 245th anniversary of the Battle of Springfield, and will serve as an important educational tool and reminder of Millburn's place in our nation's history. Over 50 local citizens braved the extreme heat to support the dedication.

To make a donation or for more information on the Forgotten Victory Trail, please visit our new website: forgottenvictory.com. Forgotten Victory Trail is a 501(c)(3) non-profit corporation. All donations are tax deductible.

LANDSCAPE WITH BIRDS IN MIND

The Raptor Trust

How many Eastern Screech Owls do we currently have at The Raptor Trust? Apparently ALL of them! Most of these owlets were displaced after the trees that held their nests were cut down.

Cutting down trees and landscaping - especially during nesting season - can destroy active nests, scare off parents, and even injure adult birds during a critical time.

Most birds nest between March and August. Even small projects - like pruning shrubs or pulling out vines - can have a devastating result on a nest.

Here's how you can help:

- Delay major trimming until fall
- Check for nests before cutting or clearing

- Leave a few brush piles - birds and critters love them
 - Avoid pesticides and non-native plants
- These small steps can make all the difference for birds trying to raise their families nearby—or young birds in the first days of their lives.

The Raptor Trust is a 501(c)(3) not for profit organization which provides free medical care to thousands of orphaned or injured birds each year. Our infirmary staff is available seven days a week during daylight hours to admit injured birds, but we must rely on the people who find them to bring them to us for care.

If you find a bird that needs help, please visit our website theraptortrust.org for instructions. We cannot do what we do without the kindness of many – including our visitors!

NEIGHBORHOOD STORIES

All about growing up in East Newark, Harrison, and Kearny

Morris Township resident Sam Pagano authored a memoir of growing up in East Newark, Harrison, and Kearny.

It's the mid 60's in East Newark NJ, and all Sam Pagano and his buddies want to do is get out of their 12 block town. At the same time, they love every second spent running around in their worldwide playground of East Newark, Harrison, and Kearny. Schooldays spent at St. Anthony's. Saturdays at The Warner Theater, Saturday nights at The Arrow Bar and Pizzeria. Youth sports that included lots of roof climbing kick the can, stickball, and cards for comics. Sundays after Mass, the pool room, and pasta. Come join Sam, Frankie, Charlie, Pete, Pepi, Tootsie, Lefty, and the rest of the gang for a stroll back in time.

BOY SCOUT TROOP 17 GETTYSBURG CAMPOUT RECAP

Tommy F., Scout Lead, BSA Troop 17
The Scouts had a great time visiting Gettysburg National Park. On Saturday morning we went to the Visitor's Center and Museum where we saw a short film and many artifacts before heading out on a ten mile hike around the battlefield. Scouts

enjoyed running up Pickett's Charge and visiting the Pennsylvania Monument.
After the hike Scoutmaster Radics surprised us with the opportunity to each get an ice cream from a local shop. Back at the campsite we had dinner and celebrated a birthday. The next morning we

packed up and headed back home early.
BSA Troop 17 meets on Thursday nights at St. Rose of Lima Church in Short Hills and is accepting new members for the upcoming Scouting year. Please visit Troop17ShortHills.com to learn more.

JAMIE SERRUTO RECOGNIZED FOR SERVICE TO JERSEY BOYS STATE

Sons of American Legion Squadron 140
The Guy R. Bosworth Sons of the American Legion Squadron 140 proudly announces that Jamie Serruto has been awarded his five-year service pin for his outstanding commitment as a counselor at Jersey Boys State. This milestone reflects Jamie’s dedication to mentoring hundreds of young men who participate in this premier leadership program.

Jersey Boys State is a week-long program of government instruction for rising high school seniors, designed to develop leadership, citizenship, and an understanding of American government. Sponsored by the American Legion, this year’s session was held from June 16 to June 21 at Rider University in Lawrenceville, New Jersey. Participants, known as “citizens,” build a mock government from the local level up through state offices, learning firsthand about civic

responsibility and public service.

Jamie’s journey with Boys State began in 2018 when he was selected as a delegate representing Millburn, nominated by Post 140 Commander Burt Brown. Since then, Jamie has devoted himself to giving back to the program. This year,

he served as Senior City Counselor for Van Buren City and Assistant Dean of Communications, playing key roles in guiding participants through their Boys State experience.

When asked what keeps him coming back, Jamie said:

“As a graduate of Jersey Boys State myself, I know firsthand how much this program shapes you, as it shaped the person I am today. It’s been amazing these last five years to give back by teaching, mentoring, and helping the next generation of Boys State graduates. As a Son of the American Legion, it really means a lot to help inspire others to get involved, give back to their communities, and keep those values alive.”

In addition to his service at Boys State, Jamie has served as the Adjutant of Squadron 140, demonstrating his steadfast commitment to community and country.

“On behalf of Squadron 140, we are incredibly proud of Jamie’s dedication to Jersey Boys State,” said Squadron 140 Commander Daniel Cannon. “Each year, Jamie devotes days of his time to serve as a role model for these young men, showing what it means to give back. His work continues to inspire us all.”

Jamie’s dedication to Jersey Boys State exemplifies the spirit of service and leadership that the Sons of the American Legion and the Boys State program strive to instill in future generations.

America250 - In New Jersey & Nationwide

Next year, on July 4, 2026, the United States of America will commemorate and celebrate the 250th anniversary of the signing of the Declaration of Independence. This historic milestone is an opportunity to pause and reflect on our country's past, to honor the contributions of all Americans, and to also look ahead towards the future that we want to create and leave behind for the next generation of Americans.

On the federal level, America250 is a nonpartisan initiative working to engage every American in commemorating the 250th anniversary of our country. This multi-year effort, from now through July 4, 2026, is an opportunity to pause and reflect on our nation's past, honor the contributions of all Americans, and look ahead toward the future we want to create for the next generation and beyond.

In New Jersey, RevolutionNJ has been set up and is a partnership between the New Jersey Historical Commission (NJHC), a division of the New Jersey Department of State, and the nonprofit Crossroads of the American Revolution Association to plan the commemoration of the 250th anniversary of the American Revolution in New Jersey.

On Sunday, September 21, Girl Scouts Heart of New Jersey (GSHNJ) will host its annual "I Run for Girls 5K Run/Walk" at a brand-new location: the scenic Orange Reservoir in West Orange. The event kicks off at 9:00 AM, with check-in beginning at 8:00 AM.

This USATF-sanctioned race is open to runners and walkers of all ages and abilities—including families with strollers and individuals using wheelchairs. Participants will enjoy a vibrant morning of community, fun, and purpose, with proceeds supporting Girl Scout programs that help girls explore new interests, gain real-world skills, and build lasting friendships.

All registrants will receive a custom event T-shirt and medal. Awards will be given to the top three finishers in each USATF age category.

Proceeds from the race help fund Girl Scout programs that spark curiosity, build confidence, and foster leadership in more than 13,000 youth from kindergarten through 12th grade. Girl Scout troops from across the region will also be on hand to help bring energy and spirit to the day.

"Whether you're racing or strolling, you're helping create life-changing opportunities for young people," said Natasha Hemmings, CEO of GSHNJ.

CANINE COMPANIONS CELEBRATING 50 YEARS

Canine Companions

Mike Saverino was recently matched with his third Canine Companions service dog names Arbor. Mike is overjoyed about how Arbor has picked up right where his retiring service dog Webster left off, making a difference in Mike's daily life.

Arbor II is a two-year-old lab-golden retriever cross specially bred and trained by Canine Companions to serve people with disabilities. Arbor knows over 40 professional commands to assist Mike in his daily life. Arbor opens doors, turns on lights, and picks up dropped items for Mike to name just a few.

Mike enjoys sled hockey, weightlifting, and is heavily involved in the Canine Companions New Jersey Volunteer Chapter.

About Canine Companions: National nonprofit Canine Companions is celebrating 50 years of empowering people with disabilities to live with greater independence — and it all started with a service dog named Abdul. Canine Companions invented the concept of the modern service dog in 1975 and has since placed more than 8,200 expertly trained dogs at no cost to clients, entirely supported by donations. Today, as America's first and largest provider of service dogs, Canine Companions leverages seven locations across the country to serve adults, children and veterans with disabilities as well as professionals working in health care, law enforcement and educational settings in all 50 states. Volunteer, donate and learn more at canine.org.
