SAY GOODBYE TO KNEE & JOINT PAIN WITHOUT RADIATION

Introducing RADIATION FREE KNEE INJECTIONS Under Ultrasound Guidance

Do You Experience:

- Joint pain or tenderness?
- Joint stiffness after a period of inactivity or when you first wake up?
- Loss of flexibility?
- Grating sensation when you move?

Why Do You Need It?

- You have knee pain that's so bad it interferes with everyday life.
- You have tried nonsurgical treatments for several weeks or months and your symptoms have not improved.

Benefits of Viscosupplementation

- No pain from the injection
- No recovery time
- Quick results
- No radiation

If you answered "yes" to any of these questions, there's good news: NORTHEAST SPINE AND SPORTS MEDICINE can offer the relief you need to save a life free of knee pain.

Ask us about Viscosupplementation

Viscosupplementation is a non-invasive, FDA-approved treatment proven effective for Osteoarthritis and other types of pain.

Viscosupplementation is a procedure in which a gel-like fluid called hyaluronic acid is injected into the knee joint. Hyaluronic acid is a naturally occurring substance found in joint fluid, acting as a lubricant to enable smooth bone movement and absorb shock when needed; Because people with osteoarthritis have a lower than normal concentration of hyaluronic acid in their joints, viscosupplementation is an excellent therapeutic option for these individuals.

Viscosupplementation is a high-tech answer for all those who think that surgery, dietary supplements, and prescription medication are the only options for eliminating knee pain. In fact, this new treatment enables most people to get back to enjoying everyday activities in a matter of weeks. Treatment is covered by most major health insurance plans, including Medicare.

It is with heavy hearts that we announce the passing of our beloved K9 officer, Draco, EOW 8/6/2025. Draco and his handler Officer Brenton Linton, faithfully served the community of Union Township since 2017, bringing dedication, courage, and loyalty to every call.
Draco joined us from Hungary and quickly became more than just a partner in law enforcement. He was a friend, a protector, and a symbol of bravery for Union Township. His presence will be deeply missed, but his paw prints will forever remain in our hearts.
Thank you for your years of service and the love you shared with all of us.
Rest in peace, Draco. Job well done!

PUBLIC NOTICE

MERCK SITE, RAHWAY/LINDEN, NJ

Notice to Release Title V Permit Renewal and Environmental Justice Impact Statement and Intent to Hold Public Information Session for Title V Operating Permit Program Interest (PI) No. 41712, Title V Operating Permit Renewal Activity No. BOP240005 and Title V Operating Permit Modifications Activity No. BOP240004, EJ Project No. 35009928

NJDEP Environmental Justice Regulations
Notice is hereby given, pursuant to N.J.A.C. 7:1C-4.1 and the New Jersey Department of Environmental Protection (NJDEP) Environmental Justice (EJ) regulations that the Merck site, located at 126 East Lincoln Avenue, Rahway, New Jersey, intends to hold a public information session on October 22, 2025 at 6 p.m. to share details about its Title V permit applications and Environmental Justice Impact Statement (EJIS).
The Merck site is classified by the U.S. Environmental Protection Agency (EPA) and NJDEP as a major Title V facility. Title V of the Clean Air Act (CAA) directs States – like New Jersey – to develop and enforce an operating permit program that set air emission limits from specific sources. This Title V operating permit is a legal document that is issued to all major sources of air emissions and cites what a facility must do to control sources of air emissions. Merck operates with a Title V operating permit under the EPA CAA.
In September 2020, the New Jersey State Legislature signed an EJ law that requires the NJDEP to explore public health impacts and environmental stressors during review of environmental permits related to new, upgraded and expanded facilities. Regulations implementing this law were adopted by NJDEP in April 2023. The Merck site is one of the many facilities in Union County and New Jersey that is subject to the new EJ Law, as it is a major-source permit holder located within an area designated as an “overburdened community” or OBC.
The Merck site submitted its Title V renewal application to the NJDEP on May 23, 2024. This application incorporates various permit modification details that reflect new and pre-existing equipment for multiple projects at the Merck site. An EJIS is an extensive review of environmental and public health conditions in an overburdened community that identifies and analyzes: existing/adverse environmental public health stressors; cumulative stressors and a facility’s potential contributions to stressors; and mitigations that the facility can take to avoid adverse cumulative impacts to the community. The public can view a copy of Merck’s EJIS at the Linden Free Public Library (31 E

Henry St, Linden, NJ 07036) and Rahway Public Library (2 City Hall Plaza, Rahway, NJ) or online at the New Jersey Department of Environmental Protection’s website: <https://dep.nj.gov/ej/meetings/#union>.
Merck will hold a public information session on October 22, 2025 at 6 p.m. at the Linden Free Public Library – Columbia Bank Room located on 31 E Henry St, Linden, NJ 07036 and on Zoom. To attend the meeting on Zoom, please register at the following link: https://us06web.zoom.us/webinar/register/WN_Gh3m1vKfTqaWs_cVXayZhA. Merck will accept public comments at the information session and during a 90-day comment period from August 22 to November 22, 2025. Comments on Merck’s EJIS may be submitted via email to: Charris.alexander@merck.com or via mail to: Merck EJ Comment, C/O Environmental Resources Management, Tony Bianchini, 200 Charles Ewing Boulevard, Suite 160, Ewing, NJ 08628.

ADAM ABUHAMOUD HONORED

City of Linden

The life and legacy of Adam Abuhamoud, a beloved Linden resident and dedicated city employee was beautifully honored on July 25th, by his family in a touching memorial ceremony. In a tribute to his enduring spirit, a cherry blossom tree was planted and a commemorative bench installed in Bacheller Avenue Park. Now, each spring, the tree will bloom with the same warmth and joy Adam brought to those around him, offering a peaceful place for reflection and remembrance.

The Linden Public Library, in conjunction with the Friends of Linden Library, will be hosting an Open House for the community on Saturday, September 6, from 11 am - 3 pm.

The event will have activities and programs aimed at all ages including drop-in crafts, a special storytime, games, a bouncy house, and of course, library card sign ups. All members of the community are invited to attend. "This event is a fun way for families to discover all the library has to offer," said Josh Melissari, Acting Library Director.

During the event, the Friends of Linden Library will launch Dolly Parton's Imagination Library of Linden. "We're so excited to be able to offer this program for kids here in Linden. One of our main goals, as the Friends, is to promote literacy and a love of reading from a young age," said Theresa Villani, President of the Friends, "Our hope is this will inspire others across the state to launch their own programs." Families will be able to sign up their children, ages 0-5 years after the launch.

Since launching in 1995, Dolly Parton's Imagination Library has become the preeminent early childhood book-gifting program in the world. The flagship program of The Dollywood Foundation, a 501(c)(3) non-profit organization, has gifted over 280 million free books in the United States, Canada, United Kingdom, Australia, and The Republic of Ireland. This is achieved through funding shared by The Dollywood Foundation and Local Community Partners. The Imagination Library mails more than 3 million high-quality, age-appropriate books directly to children's homes each month. Each child enrolled in the program receives one book per month from birth to age five - at no cost to families. Dolly envisioned creating a lifelong love of reading and inspiring children to Dream More, Learn More, Care More and Be More.

The program's impact has been widely researched, and results demonstrate its positive impact on early childhood development and literacy skills. Penguin Random House is the exclusive publisher of Dolly Parton's Imagination Library. For more information, please visit imaginationlibrary.com.

Located at 31 East Henry Street, the Linden Public Library has been at the center of social, educational, civic, and cultural life within the City of Linden since its founding in 1928. MULTICULTURAL MUSIC FESTIVAL COMES TO ROSELLE PARK

The Multicultural and Heritage Music Festival will bring a wide range of ethnic entertainment to Roselle Park on Saturday, September 27. Presented by the Borough of Roselle Park, Diversity and Inclusion Committee and Greg Johnson Civic Association, the festival will run from noon to 5 pm at Michael Mauri Park on Chestnut Street. It will feature food trucks, a CPR information station, local displays including an exhibit highlighting Roselle Park's historic railroad system and performers celebrating diverse styles of music from around the world.

3:45 PM -- Afro Dominicano. Headlining the festival is a Latin fusion band performing what is called AfroCaribbean soul. Its traditional folkloric roots music from the Dominican Republic incorporates Afro beats, reggae, calypso, samba, funk, punk rock and other Caribbean rhythms. In addition to original songs, they include covers such as Bill Withers' Just the Two of Us and Amy Winehouse's Valerie. The band, acclaimed worldwide, features vocal, guitar, bass, accordion, drum, conga, guira and tambora.

2:20 PM – Verdict. If you like to dance and love reggae and soca music, Verdict is the band for you. Verdict is fronted by vocalist and keyboardist Roland from Monserrat, whose enthusiasm is infectious as he leads the audience to dance along with him as he plays. Guitarist Raga comes from Trinidad-Tobago and bassist Marcellino from Panama. Johnny Youth is the band leader and drummer. Their story continues as does their unending quest to play the transcendent jam, to create the perfect moment, to revel in shared experience with their fans.

1:00 PM – Pradhanica. A contemporary Kathak dance production, Pradhanica, which means "female leader," is led by Kathak dancer, choreographer and percussionist Jin Won. Its compositions use Indian rhythms for the African djembe, Spanish cajon, with Indian sitar and tabla. Exploring emotions of anger, joy, compassion and peace, Pradhanica shows the pure rhythmic aspect and emotional resonance of the dance form.

12:00 PM – Chris Bolger

and the Jamesons Gang. This North Jersey-based quartet has been bringing Gaelic-flavored rock, folk and ballads to pubs, festivals and other events in New York and New Jersey for many years. In addition to guitar, bass and drums, they incorporate Irish music staples such as the bouzouki, mandolin and banjo to provide a crowd-pleasing mix of traditional and modern tunes.

Another highlight of the festival will be an exhibit showcasing the three railroads that nurtured Roselle Park's growth into a vibrant community. The Tristate Railway Historical
