"SHAKE-A-CAN" FUNDRAISER SEPT. 13-14

The members of the New Providence High School Marching Band and Color Guard are gearing up for their annual "Shake-A-Can" fundraiser, set for Saturday, September 13 and Sunday, September 14 from 8am-12pm. During the event, students will be stationed outside local NP establishments, cheerfully collecting cash donations to support the band's programs.

In addition to cash contributions, the band will also accept electronic payments for added convenience. The fundraiser is a long-standing tradition that typically brings in several thousand dollars each year, providing vital support for uniforms, travel expenses, and performance opportunities.

"The generosity of our community always makes a huge difference," said NPHS Bandwagon Co-President Greg Peldunas. "The students, staff, and parent volunteers are grateful

for the ongoing support that allows our students to develop their music and share their spirit throughout the season."

Residents are encouraged to stop by, say hello to the students, and contribute to keep the award-winning marching band, also known as the "Pride & Class," thriving in New Providence.

The community is also invited to attend the annual Fall Preview, currently scheduled for Saturday, September 27. This free event is an opportunity for the community, children of all ages, and alumni to learn about this year's marching band show. Band director Mike Niedziejko explains each part of the show as fans get a sneak peek of what's to come for the competition season. The beloved Mr. N has recently announced that this will be his last year as director of the NPHS marching band after over 30 years of service.

SEPTEMBER AUDITION FOR NOVEMBER SHOW

Hickory Tree Chorus

The award-winning Hickory Tree Chorus will hold auditions on September 17, 2025, at the Shrine of Saint Joseph in Stirling, New Jersey, for participation in their November 15th 2:00 PM show, "Thank You for the Music: A Celebration in Song".

Auditions will take place from 6:30 to 7:00 pm. Participants are asked to perform an a cappella song of their choice. Following the auditions, they are invited to stay for an additional hour to engage in vocal skill activities, observe chorus practices, and enjoy singing demonstrations.

The performance will be held at The Concert Hall at Drew University in Madison, New Jersey. Recognized for its beautiful design and exceptional acoustics, the 433-seat Concert Hall has been sought after by major artists for both recording and performance since its opening in 2005.

The Hickory Tree Chorus has consistently demonstrated its exceptional talent, winning first place in Division A at the Greater NY/NJ Sweet Adelines Region #15 competition in Albany, New York in both 2024 and 2025. Their top-scoring performance at the 2025 competition earned them a coveted spot in the Harmony Classic at the 78th Annual Sweet Adelines International Convention & Competition in October 2026, which will be held at the Greater Columbus Convention Center in Columbus, Ohio.

Master Director Carolyn Schmidt, a member

of Hickory Tree Chorus since 1974 and musical director since 1994, has been instrumental in the chorus's success. She is one of only five active Master Music Arrangers in Sweet Adelines International and arranges a significant portion of Hickory Tree's unique repertoire. In addition to her role as director, she serves as a Sweet Adelines International Approved Music Category Judge.

Hickory Tree Chorus is dedicated to advancing

the musical art form of four-part a cappella harmony sung in the barbershop style. As a chapter of Sweet Adelines International Organization, it has been entertaining audiences in the New Jersey area since 1968. They believe every voice counts and encourage women singers of all ages, colors, ethnicities, and orientations to visit us and share our joy of music.

Visit hickorytreechorus.org

LANDSCAPE WITH BIRDS IN MIND

The Raptor Trust

How many Eastern Screech Owls do we currently have at The Raptor Trust? Apparently ALL of them! Most of these owlets were displaced after the trees that held their nests were cut down.

Cutting down trees and landscaping - especially during nesting season - can destroy active nests, scare off parents, and even injure adult birds during a critical time.

Most birds nest between March and August. Even small projects - like pruning shrubs or pulling out vines - can have a devastating result on a nest.

Here's how you can help:

- Delay major trimming until fall
- Check for nests before cutting or clearing

- Leave a few brush piles - birds and critters love them
 - Avoid pesticides and non-native plants
- These small steps can make all the difference for birds trying to raise their families nearby—or young birds in the first days of their lives.

The Raptor Trust is a 501(c)(3) not for profit organization which provides free medical care to thousands of orphaned or injured birds each year. Our infirmary staff is available seven days a week during daylight hours to admit injured birds, but we must rely on the people who find them to bring them to us for care.

If you find a bird that needs help, please visit our website theraptortrust.org for instructions. We cannot do what we do without the kindness of many – including our visitors!

POLICE OFFICERS ADOPT LUCKY PUPPIES THEY RESCUED

Best Friends Animal Society

In December 2024, a trio of officers with the Clark Police Department in New Jersey responded to a call from a Good Samaritan about puppies that were abandoned in a five-gallon bucket. When they arrived on the scene, the officers discovered eight tiny puppies, only a couple of weeks old, huddled together for warmth in the freezing winter temperatures.

The puppies were immediately rushed to Associated Humane Society-Newark after hours by their Animal Care Officers (ACOs) for veterinarian evaluation and treatment. They were cold, starving, severely dehydrated, and infested

with fleas.

“Deann Bowen, the Manager at AHS’s Tinton Falls location and a veteran vet tech with experience in neonatal care, was able to meet our ACO’s halfway up the Parkway and took them right into foster,” said Danielle Mania, Chief Operating Officer of AHS-Newark.

With the puppies safely in foster care, which included round-the-clock feedings until they were able to eat on their own, the team at AHS-Newark set about finding their family. They posted the story and photos on social media the next morning, took press interviews, and raised \$40,000 to provide for the puppies’ medical treatment and care.

“We did receive a few tips, but all were unsuccessful,” said Mania. Once they were old enough, the puppies were sent to foster in different foster homes.

The officers were instantly interested in adopting puppies from the litter. With each passing day, they could not stop thinking about the puppies’ wellbeing and regularly checked in on them. When they were all spayed/neutered and ready to adopt in March 2025, there was no need to list them all. Three of the puppies - now named Ozzy, Capri, and Zeus - had already found their loving homes with the three police officers that saved their lives on that cold winter day. Officer Ronny Taborda (adopted Capri), Detective Bruce McDonald (adopted Zeus), and Detective Paul

Sosnowski (adopted Ozzy).

“The Clark PD has an adorable group chat to keep in touch with all of the adopters, and they frequently have play dates with each other,” said Mania. “This situation was really a testament as to how we work together as a team across the entire organization to save lives and find pets homes.”

This full circle moment highlights modern animal services practices, and the pet lifesaving work that police and animal control officers do in their communities. It is also a reminder of the importance of microchipping pets and having them wear up-to-date identification tags, so in the event they become lost, they can be quickly reunited with their owners. Data indicates that 52% of lost dogs and two out of every five cats are successfully returned when microchipped, which reduces the amount of time lost pets stay in shelters that often already have limited space.

Best Friends Animal Society, a leading national animal welfare organization working to end the killing of cats and dogs in America’s shelters, is partnering with AHS-Newark to help them achieve their pet lifesaving goals. Best Friends’ most recent data shows that New Jersey is on the verge of becoming a no-kill state with an 89% save rate. There are just ten shelters in the state that need to save less than 100 pets to achieve no-kill. For more information, visit bestfriends.org.
