On September 11, 2025, Linden's Fire and Police Departments were joined by Linden High School ROTC students to honor Linden's own Wanda Green, and all those who lost their lives during the September 11th attacks. During a moving ceremony Ms. Green's family shared heartfelt words in remembrance of her life and legacy. Their tribute reminded us not only of her courage, but also of the strength and sacrifice of so many on that fateful day. She was 49 years old and the mother of two children, Jennifer, 21, and Joe Benjamin, 18.

Mrs. Green, who worked as a United Airlines flight attendant for 29 years and was getting ready to retire, was aboard the hijacked United Flight 93 from Newark to San Francisco when it crashed in rural Pennsylvania.

Wanda followed her childhood dream. "As a teenager, she always wanted to fly, so she finally got her wings," said her mother, Aserene Smith. As a young woman, Wanda Green sought her mother's blessing to become a flight attendant. Though Aserene Smith was hesitant, she finally relented, and Wanda Green became one of the first African-Americans to join United Airlines as a flight attendant, according to her mother.

Wanda Anita Green, 49, loved to help. Whether she was listening to neighbors at their front gates in Linden, befriending the families she helped to find homes as a real estate agent, or comforting children during rough landings as a part-time United Airlines flight attendant, Wanda Anita Green delighted in helping others.

Green, 49, was an earnest listener who never judged, said her longtime friend and fellow flight attendant Sugar Manley. "She would stay up all night with you, she just cared for your soul, your spirit," said Manley.

As a deacon at Linden Presbyterian Church, Mrs. Green visited people in local hospitals, and volunteered her time for church activities, said her daughter, Jennifer Green.

Mrs. Green adored dancing the cha-cha and the slide, said Manley, but she wouldn't buy herself new dancing shoes unless her children each had two pair. "Oh, she would sacrifice it all for her

children," said Manley. "Her shoes might have had a slight hole in them, but she wouldn't do for herself. Her kids came first."

# SAY GOODBYE TO KNEE & JOINT PAIN WITHOUT RADIATION

## Introducing RADIATION FREE KNEE INJECTIONS Under Ultrasound Guidance

### Do You Experience:

- Joint pain or tenderness?
- Joint stiffness after a period of inactivity or when you first wake up?
- Loss of flexibility?
- Grating sensation when you move?

### Why Do You Need It?

- You have knee pain that's so bad it interferes with everyday life.
- You have tried nonsurgical treatments for several weeks or months and your symptoms have not improved.

### Benefits of Viscosupplementation

- No pain from the injection
- No recovery time
- Quick results
- No radiation

If you answered "yes" to any of these questions, there's good news: NORTHEAST SPINE AND SPORTS MEDICINE can offer the relief you need to save a life free of knee pain.

### Ask us about Viscosupplementation

Viscosupplementation is a non-invasive, FDA-approved treatment proven effective for Osteoarthritis and other types of pain.

Viscosupplementation is a procedure in which a gel-like fluid called hyaluronic acid is injected into the knee joint. Hyaluronic acid is a naturally occurring substance found in joint fluid, acting as a lubricant to enable smooth bone movement and absorb shock when needed; Because people with osteoarthritis have a lower than normal concentration of hyaluronic acid in their joints, viscosupplementation is an excellent therapeutic option for these individuals.

Viscosupplementation is a high-tech answer for all those who think that surgery, dietary supplements, and prescription medication are the only options for eliminating knee pain. In fact, this new treatment enables most people to get back to enjoying everyday activities in a matter of weeks. Treatment is covered by most major health insurance plans, including Medicare.

CANINE COMPANIONS CELEBRATING 50 YEARS

*Canine Companions*

Mike Saverino was recently matched with his third Canine Companions service dog names Arbor. Mike is overjoyed about how Arbor has picked up right where his retiring service dog Webster left off, making a difference in Mike’s daily life.

Arbor II is a two-year-old lab-golden retriever cross specially bred and trained by Canine Companions to serve people with disabilities. Arbor knows over 40 professional commands to assist Mike in his daily life. Arbor opens doors, turns on lights, and picks up dropped items for Mike to name just a few.

Mike enjoys sled hockey, weightlifting, and is heavily involved in the Canine Companions New Jersey Volunteer Chapter.

About Canine Companions: National nonprofit Canine Companions is celebrating 50 years of empowering people with disabilities to live with greater independence — and it all started with a service dog named Abdul. Canine Companions invented the concept of the modern service dog in 1975 and has since placed more than 8,200 expertly trained dogs at no cost to clients, entirely supported by donations. Today, as America’s first and largest provider of service dogs, Canine Companions leverages seven locations across the country to serve adults, children and veterans with disabilities as well as professionals working in health care, law enforcement and educational settings in all 50 states. Volunteer, donate and learn more at canine.org.

There was no shortage of fun, laughter and great company as seniors came together to enjoy the sunny day and each other's stories.

Missed the event? No worries - seniors are served nutritious meals daily at the JTG Center, located at 330 Helen Street, Linden, NJ, as part of Union County's Meals on Wheels America program.

# COURSE ON HOW TO SUPPORT YOUR LOVED ONE'S MENTAL HEALTH JOURNEY

The NAMI Family-to-Family Education Course will be offered by the Union County Chapter of NAMI. The course will meet in person starting on Thursday evening October 9th and meet each Thursday from 7:00 to 9:30 p.m. over a consecutive 8-week period in Scotch Plains. The course is free-of-charge, with all necessary materials furnished at no cost to participants.

The course is specifically for the parents, siblings, spouses/partners, teen-age and adult children, and significant others of individuals with severe and persistent mental illness. The program is not appropriate for individuals who, themselves, suffer from one of the major mental disorders. NAMI members who have completed intensive training will teach.

Curriculum topics include schizophrenia,

bipolar disorder (manic depression), clinical depression, panic disorder, obsessive-compulsive disorder etc., the clinical treatment of these illnesses and how caregivers can learn to cope more effectively. Attendees will learn about new research, medications, skills needed to successfully communicate with a relative and how to deal with critical periods.

Advance registration is required. To register or if you have questions contact Evelyn Nath at (908-377-4886) or email [evelynodat@gmail.com](mailto:evelynodat@gmail.com)

Family-to-Family education has been called one of the most valuable programs NAMI offers. Many graduates say it changed their lives and interactions with their loved ones for the better.

## CARING CONTACT CELEBRATING 50 YEARS OF LIFESAVING SUPPORT

### *Caring Contact*

On October 11, 2025, Caring Contact proudly celebrated 50 years of unwavering service to individuals in crisis. Since 1975, its mission has remained clear and steadfast: to provide immediate, compassionate, and confidential support to those experiencing emotional distress, mental health challenges, or personal crises.

What began as a small group of volunteers answering calls from the basement of Willow Grove Presbyterian Church in Scotch Plains has grown into a vital community resource. Today, more than 100 trained Listeners - both volunteer and paid - offer support and understanding to

thousands of callers every year.

In 2005, Caring Contact became one of the first agencies to respond to the National Suicide Prevention Lifeline while continuing to serve its original warmline. When the Lifeline transitioned into the nationwide 988 Suicide & Crisis Lifeline in 2022, the volume of calls surged dramatically. In 2024 alone, Caring Contact Listeners answered over 21,000 calls, serving as a lifeline for anyone in need - no matter the reason for their call.

Caring Contact extends heartfelt gratitude to the supporters, volunteers, donors, and staff - past and present—whose dedication has made

this work possible. Their compassion has touched countless lives and built a legacy of hope that will carry forward into the next 50 years. With this milestone, Caring Contact reaffirms its commitment to continue evolving, listening, and responding - because everyone deserves to be heard, especially in their darkest moments.

Become a volunteer. Caring Contact Listener training applications can be found at [caringcontact.org](http://caringcontact.org).

If you or someone you know is struggling or having thoughts of suicide, please call 988.

## CITIZEN ENGAGEMENT AND FEEDBACK SOLUTION

### Linden Police Department

Chief David Hart has announced that the Linden Police Department has launched a new citizen satisfaction and feedback solution that uses text messaging to allow citizens the opportunity to provide feedback after interacting with Police.

“Effectively engaging with the community we serve is an essential part of our mission,” said Chief Hart. “This software uses customer service principles commonly used in the private sector to improve communication with citizens and enhance their experience with Police. We expect this program will provide important insight and significantly aid our efforts to provide top-level service to our community.”

The software, PowerEngage, sends text

message-based surveys to community members following an interaction with Police. These messages ask community members to answer a few questions about their experience and allows them to provide their own comments, feedback or even have an opportunity to thank the responding officer. Community members who do not want to participate can simply not respond or reply with STOP to opt themselves out of all future text surveys from the department.

It is essential that everyone know that PowerEngage should not be used to report any emergency or crime. As always, please call 9-1-1 for any emergency or use or call (908) 474-8500 for non-emergency assistance.

To learn more about Power Engage, visit: [powerdms.com/power-engage](http://powerdms.com/power-engage)
