## EXPERIENCE VOLUNTEERISM WITH HANDYMAN PROGRAM

### Sommerset County

For over 30 years, local volunteers from Somerset County's Handyman Program have dedicated countless hours of manual labor to provide independence for elderly and disabled residents throughout Somerset County.

The volunteer program, which consists of men and women, offers small interior household repairs that focus on keeping people safe in their homes. The program offers many services, including: installing grab bars, replacing smoke detectors, installing or removing air conditioners, small plumbing, electrical repairs, and more. Some Handyman Program volunteers also participate in the Wheelchair Ramp Construction Team to build ramps for people who are permanently wheelchair bound.

"It is reassuring to know that the volunteers through our Somerset County Handyman Program are giving residents their personal freedoms back," said Commissioner Paul Drake. "Losing the ability to go outside your home is not something that any resident should be forced to accept. With every ramp project completed, the burden of excessive labor costs and isolation is lifted off the back of another family. That freedom allows residents to spend time outdoors, visit loved ones, and stay connected to the things they enjoy. The entire Board of Commissioners is so grateful to these dedicated, thoughtful, skilled countywide volunteers."

Although residents are expected to pay for supplies, the cost of volunteer labor is free.

"Getting a metal ramp from a private company can cost \$10,000 or more. People can't always afford that," said Somerset County Volunteer Services Director Laurie Roome. "We do ask, if they're able to, to pay for the price of materials that we use. But, if they can't afford that, our program and other donations will cover the cost. Our ramps are built with high - quality materials and by expert craftsmen. Some residents have been

trapped in their houses, so they can't get out to visit a doctor or attend a family event. These ramps not only mean safety, but actually represent freedom."

"Some of our volunteers have carpentry backgrounds and some of them were CEO's, IT specialists, or dentists. They come from all walks of life, but they all love giving back," said Roome. "You don't really need to have any experience to be part of our programs."

Bill Bollwage, a resident of Bridgewater and 15-year veteran of the Handyman Program, said that a willingness to help your neighbor is the main requirement for getting involved.

"You don't need to know everything, so no one should hesitate to get involved," said Bollwage. "You can come here and pick up skills as you go along. When you get to see one of the residents come out of their house for the first time in over a year, it makes you feel good. It gets emotional for the homeowner. We've had a couple of people break down in tears. They get to see their neighbors and now they can just come out and enjoy the weather."

To volunteer or to receive assistance from the program: call (908) 541-5715 or email [VolunteerSvs@co.somerset.nj.us](mailto:VolunteerSvs@co.somerset.nj.us).

The Daughters of the American Revolution (DAR) will participate in Somerset County's Journey Through the Past history tour on Sunday, October 12, noon to 2 p.m. at Washington Rock State Park in Green Brook, weather permitting. Members of Elizabeth Snyder-Continental Chapter will be on hand with an exhibit to help tell the story of this famous landmark.

A black and white photograph of a group of six people, five women and one man, standing behind a table outdoors. The table is covered with a tablecloth featuring the DAR logo and the text "Elizabeth Snyder Continental Chapter Green Brook, New Jersey Organized 1996". The table also displays several informational brochures and a small American flag. The group is standing in front of a backdrop that also features the DAR logo and text. The setting appears to be a wooded area with trees in the background.

## HAZARDOUS WASTE COLLECTION PROGRAM

**October 18**

**South County Public Works Garage  
410 Roycefield Road, Hillsborough 08844**

The Somerset County Hazardous Waste Collection Program gives residents and farmers a legal and cost-free way to dispose of unwanted household items that cannot be disposed of in the regular trash. This drop-off opportunity is for residents only.

Proof of Somerset County residency is required; (current driver's license, valid lease, tax bill or any other bill with a Somerset County address). Pre-registration is not required. No businesses allowed.

Occupants should remain in their vehicles at all times. Materials should be stored in residents' trunks, cargo areas, or truck beds and items must be accessible to the staff so they can easily remove items from vehicles.

Five events are held annually at various locations around the county from 9 a.m. to 2 p.m. to enable residents to take advantage of the program.

County residents are also asked to take advantage of the RxMission Drive-In/Drop-Off medicine-collection program, which is held in conjunction with scheduled Hazardous Waste drop-off events, rain or shine. Residents can drop off medications at as many of the Hazardous Waste drop-off events as they wish to safely dispose of unwanted or outdated prescription drugs and over-the-counter medications from their homes. Sheriff's officers are on hand to accept the medications.

Please note that materials accepted at Hazardous Waste Days are NOT the same as those accepted at First Saturday of the Month.

An additional hazardous waste disposal option is available to residents who wish to dispose of hazardous waste between county-sponsored collection days. The Morris County Municipal Utilities Authority's permanent household hazardous waste facility will accept materials from Somerset County residents on a fee basis. For information, visit [www.mcmua.com](http://www.mcmua.com).

## INTERGENERATIONAL ORCHESTRA BUILDS CONNECTION THROUGH MUSIC

At a time when many people are searching for meaningful, screen-free ways to connect, the New Jersey Intergenerational Orchestra (NJIO) offers something special: a space where musicians of all ages and levels come together to create music, and where audiences are invited into that same spirit of community.

Founded on the belief that orchestra is for everyone, NJIO welcomes people of all ages and musical levels into its four non-audition orchestras. By blending generations and skill levels, NJIO creates more than music; it creates moments of human connection, belonging, and joy.

All NJIO concerts are free, open to all ages, and require no tickets or RSVPs. Each performance is also livestreamed and recorded for later viewing on NJIO's YouTube channel, ensuring accessibility. Concert lobbies feature NJIO's Concert Comfort Station, offering sensory and comfort items such as cushions so everyone can enjoy the music.

### A SEASON OF "SPIRIT"

This year, NJIO's 32nd concert season carries the theme "Get Into the Spirit!", highlighting the natural spirit, the holiday spirit, the human spirit, and the national spirit. Each program is designed to draw people together around a shared experience of beauty and hope.

#### • FALL CONCERT:

**The Natural Spirit November 2, 2025 at 3pm**  
**Crescent Ave Presbyterian Church, Plainfield**

Beethoven's "Pastoral" Symphony paints a picture of meadows, flowing streams, and a sudden storm. The concert also features the NJIO 2025 Young Artist Concerto Competition winner (sponsored by NJIO's community partner, Elefante Music), Marcus Chong-Wah Wong, a 9th grade violinist from Edgewater, NJ.

#### • FAMILY HOLIDAY CONCERT:

**The Holiday Spirit December 13, 2025 at 2pm**  
**Summit Middle School**

A joyful celebration of holiday and winter favorites, including interactive moments for kids and an Instrument Petting Zoo sponsored by Elefante Music.

### ABOUT NJIO

# DOREEN LADINSKI NAMED LITERACY 'TUTOR OF THE MONTH'

Retired high school English teacher Doreen Ladinski of Warren has been named Literacy Volunteers of Somerset County's (LVSC) "Tutor of the Month."

LVSC is a non-profit that promotes literacy throughout the community by providing free student-centered tutoring and literacy programs, which enable adults to function more effectively in their daily lives. Founded in 1981, LVSC serves students who struggle to read, write and communicate in English. Literacy skills help

students with tasks such as calling 9-1-1, filling out an application or reading emails from a child's teacher. Ladinski, currently a substitute teacher, joined LVSC in 2019 and has tutored numerous students since. She takes great pride in her students' accomplishments and helps them with tasks such as understanding U.S. currency and taking and passing proficiency tests.

Commenting on her LVSC journey, Ladinski said, "LVSC offered me the perfect opportunity to help others develop their literacy skills. I

learned early on in my teaching career that helping people develop these skills was one of the most gratifying experiences I've ever known. Nothing is more fulfilling for me than helping others meet their needs or goals."

LVSC is actively recruiting volunteers in Warren to help meet the needs of the local community. An hour or two a week is all it takes to make a difference, and you don't have to be a teacher to be a tutor. With one-to-one or small group tutoring, you can help English as a Second Language (ESL) students improve their reading comprehension, writing skills, and conversational English. Training is provided.

For more information, visit [www.literacysomerset.org](http://www.literacysomerset.org), email [info@literacysomerset.org](mailto:info@literacysomerset.org), or call (908) 725-5430.

## Teach English to a Local Adult

Do you like meeting people from different cultures?  
Are you looking for a rewarding volunteer experience?  
Can you read, write & speak English?  
You can be an ESL tutor.  
Training is provided.
