# L'OREAL GIVES SENIORS A MORNING OF BEAUTY

L'Oreal of Clark celebrated Community Service Day by visiting with seniors at the Clark Recreation Center. They painted fingernails, and gave each senior a goody bag of free make up. The program has been taking place for 15 years. Years ago, each senior had their makeup done but unfortunately after Covid that portion was cancelled. Over 50 Clark seniors attended.

# ARTHUR L. JOHNSON HIGH SCHOOL PRESENTS A DOLL'S HOUSE

Arthur L. Johnson High School proudly announces its fall production of Henrik Ibsen's play A Doll's House to run November 20 and 21 in the school auditorium. This classic play first premiered in 1879 and turned the theatrical world on its ear with its modern take on a young housewife who begins to question her seemingly happy marriage and her role in society. This cornerstone of modern drama was the first of its kind to use realism and natural dialogue to address themes of feminism, a woman's role in the home, and female independence.

Director Peter Nevargic is thrilled with his talented cast and says, "These young performers

are tackling this play and these roles with discipline, focus, and maturity, and have been working overtime to bring these characters to their natural light that will keep audiences riveted." This stellar cast includes Fiona Patterson, Luke Ashley, Isabella Hernandez, Brendan Ryan, Sunny Rosen, and Jade Vo.

Come enjoy an evening of good storytelling where lies come to light, secrets are revealed, personal revelations unfold, and all build to its famous dramatic and controversial conclusion that has reverberated around the world.

Join this talented cast in what promises to be a thrilling night of theater that audiences have come to expect from an ALJ production.

# SAY GOODBYE TO KNEE & JOINT PAIN WITHOUT RADIATION

## Introducing RADIATION FREE KNEE INJECTIONS Under Ultrasound Guidance

### Do You Experience:

- Joint pain or tenderness?
- Joint stiffness after a period of inactivity or when you first wake up?
- Loss of flexibility?
- Grating sensation when you move?

If you answered "yes" to any of these questions, there's good news: NORTHEAST SPINE AND SPORTS MEDICINE can offer the relief you need to save a life free of knee pain.

### Ask us about Viscosupplementation

Viscosupplementation is a non-invasive, FDA-approved treatment proven effective for Osteoarthritis and other types of pain.

Viscosupplementation is a procedure in which a gel-like fluid called hyaluronic acid is injected into the knee joint. Hyaluronic acid is a naturally occurring substance found in joint fluid, acting as a lubricant to enable smooth bone movement and absorb shock when needed; Because people with osteoarthritis have a lower than normal concentration of hyaluronic acid in their joints, viscosupplementation is an excellent therapeutic option for these individuals.

Viscosupplementation is a high-tech answer for all those who think that surgery, dietary supplements, and prescription medication are the only options for eliminating knee pain. In fact, this new treatment enables most people to get back to enjoying everyday activities in a matter of weeks. Treatment is covered by most major health insurance plans, including Medicare.

### Why Do You Need It?

- You have knee pain that's so bad it interferes with everyday life.
- You have tried nonsurgical treatments for several weeks or months and your symptoms have not improved.

### Benefits of Viscosupplementation

- No pain from the injection
- No recovery time
- Quick results
- No radiation

# DANTE CESARO EARNS EAGLE SCOUT RANK

*Submitted by Cecilia Gomes*

Clark resident and ALJ sophomore Dante Cesaro, a Boy Scout of Clark Troop 145, spent the summer working on his Eagle Scout Project. Dante, along with help from fellow scouts, build two benches (with backs), four backless benches and two planter boxes for Zion Lutheran Church. Zion has a special meaning for Dante and the scouts of Troop 145 as that is where the Troop’s weekly meetings are held. It was only natural for Dante to want to give back to a community that has done so much for him and his fellow scouts.

The Church was extremely grateful for the new items, the existing benches and planters were deteriorating after years of exposure to the outdoor weather. The new benches made it possible for the Vacation Bible School and Summer School Programs to host outdoor instruction. They also provide a safe space for the children to eat lunch outdoors during the warm weather.

Reaching Eagle Scout rank entails a lot of hard work, and a project must be completed which entails leadership, and a lot planning and work to achieve. Dante leveraged the leadership and organization skills learned during his years as a Scout to create a budget, solicit donations and create a project plan. The final result was an outdoor area that the members of Zion Lutheran Church will enjoy for many years to come.

# ELEANOR HUME EXCELS AT NATIONAL HORSE SHOW

### Clark Public Schools

Arthur L. Johnson High School senior Ellie Hume showcased her equestrian talent on the national stage at the St. Louis National Charity Horse Show, held September 25–28, 2025 in St.

(above) ALJ Senior Eleanor Hume Excelled at a National Horse Show held in September in St. Louis, and was Recognized by the United States Equestrian Interscholastic Athlete Program.

Louis, MO. Competing in a highly competitive championship field of fifteen, Hume placed fourth in the Opportunity Open English Pleasure Amateur/Junior Exhibitor Combined Class, a notable achievement in one of the show’s most challenging divisions.

Riding “Pocketful of Sun,” a registered American Saddlebred, Hume trains under the guidance of Erin McCracken, owner of Seraphim Stables in Sandyston, NJ. She has been competing in Saddleseat divisions since fifth grade and has steadily built a reputation as a dedicated and accomplished rider.

Hume’s equestrian journey began at age six at the Little Red Barn in Jamesport, NY, where her love of horses first took root. She has remained connected to the Long Island barn over the years, working there as a summer camp counselor throughout high school.

In recognition of her commitment to both academics and athletics, Hume is a proud United States Equestrian Federation (USEF) member and has earned the distinction of US Equestrian Interscholastic Athlete.

Later this month, Hume will compete at the Twin State American Saddlebred Association Octoberfest Horse Show in Springfield, MA, marking her final competition as a Junior Exhibitor before advancing to the next level of her equestrian career.

Hume also successfully completed the United States Equestrian Interscholastic Athlete

Program. She has balanced her sporting ambitions with achieving her educational goals.

The United States Equestrian Federation is recognized by the U.S. Olympic and Paralympic Committee as the National Governing Body for equestrian sport in the United States. According to the Federation, US Equestrian is dedicated to pursuing excellence and promoting growth across all levels in equestrian sport, from the grass roots to the Olympic level.

US Equestrian trains and selects elite athletes who go on to represent the United States in international competitions, including the Olympic Games.

On average, an equestrian athlete will minimally spend 25 hours per week training at the barn. The hours spent training are purely dedicated to time spent in the saddle in preparation for competitions. Similar to other Olympic recognized sports, equestrian sport helps to develop our youth into productive members of society. These athletes are building confidence and leadership skills and developing a drive for success, and to do so, they must have an unwavering dedication and commitment to the sport; all of which are key assets when entering the work force.

The Interscholastic Athlete Program highlights our athlete’s achievements by awarding them with a United States Equestrian Federation Varsity patch, pin, award letter, and a well-deserved reference for their resumes.

# CLARK VOLUNTEER EMERGENCY SQUAD AWARDS DINNER

*Submitted by Susan Alacchi*

The Clark Volunteer Emergency Squad held its annual dinner recently at the Westwood in Garwood. It was attended by many members and guests from other agencies. a wonderful cocktail hour gave both long-time Life Honorary and newer members a chance to mix and mingle before taking their seats.

The event also saw the presentation of various recognition awards. Life Honorary members Alan Reilley and Gary Wagner were each recognized for their fifty years of service to the squad. It is quite an accomplishment to each to having served so long. As a side note, Alan Reilley’s wife, Christine, was an integral member of the CVES Ladies’ Auxiliary. Christine’s father, Theodore Minarchinko, was a guiding force in building the current squad house on Raritan Road.

Gary Wagner also was recognized with the Caduceus Award for “A heroic act that went above and beyond the call of duty in the course of an emergency event.” Gary has covered many shifts which kept the squad in service. In all, Gary has covered over two thousand hours during 2024.

Sylvia Cosentino was recognized for 45 years of service.

Honorary Member Brian Butterly was

recognized for his ten years of service. Brian is one of our members who is always there to help not only with calls but also keeping our equipment in top-notch condition.

Captain Katherine Sheldon received recognition for her ten years of service as well as having answered the most calls during 2024.

Emily Sweeny, Derrick Calderone, and Sharif Khan each received an award for completing the “Coaching the Emergency Vehicle Operator” course. This course teaches the safe operation of ambulances. Our members are taught the safe operation of the ambulance under various conditions. You should know that all drivers of the CVES ambulance must pass this course in order to drive. Our patient’s and members’ safety is always our priority.

Lt. Rob Macaluso was recognized as a Rising Star Member. Lt. Macaluso is showing his dedication after a brief tenure. The membership has already shown their confidence in his leadership by electing him to an officer position.

Corresponding Secretary Susan Alacchi received an award for Community Service.

The members always enjoy getting together, whether it is to serve Clark and surrounding communities or just to enjoy each other’s company. If you would like to join our organization, please visit us at

# CSI ISN'T JUST TV DRAMA

(above) Presenter Mike Gennaro has been involved in emergency services since 1988. “I see things from both sides,” said Mike. “Having been working scenes as a police officer and an EMT gives me a unique ability to understand the job each must perform.”

*Submitted by Susan Alacchi, CVES*

Being an EMT requires training in many facets of being a First Responder. The Clark Volunteer Emergency Squad’s Life Honorary Member, Michael Gennaro led squad members and EMTs from other local agencies in a class on responding to emergency calls involving possible crime scenes. EMTs learned that while their safety is a primary concern, so is preserving a scene that indicates a crime may have been committed. Patient care is always paramount to an EMT’s response but so is being sure that everyone is in a safe situation.

Mike Gennaro has an impressive résumé. Mike has been involved in emergency services since 1988. He is a retired lieutenant with the Hillside Police Department, is a phlebotomist, teaches at the John H. Stamler Police Academy, and teaches first aid courses. “I see things from both sides,” said Mike. “Having been working scenes as a police officer and an EMT gives me a unique ability to understand the job each must perform.”

The EMTs walked away with a clearer understanding of how to recognize a possible crime scene and the additional steps they must take to preserve the scene so that police and investigators can gather evidence. Gennaro

explained that a crime scene is often larger than just the place where a patient is located. He impressed the need to avoid tunnel vision but rather see things as though looking through a wide-angle camera lens.
