SCOUT REVITALIZES AMERICAN LEGION'S VETERANS MEMORIAL

*Life Scout Sara Abraham-Winkler leads a community effort
to honor local veterans and preserve history
ahead of the nation's semiquincentennial.*

In a heartfelt tribute to Millburn's veterans and community heritage, Life Scout Sara Abraham-Winkler of Scouting America Troop 19 has completed an extraordinary Eagle Scout Leadership Service Project revitalizing the Veterans Memorial at the American Legion Post 140 – Guy R. Bosworth. The effort restored one of Millburn's most sacred community spaces, honoring generations of local service members who secured our liberty.

Sara, a member of Troop 19 chartered at St. Rose of Lima Church in Short Hills, joined Scouting in 2020 and quickly distinguished herself as a leader and tireless volunteer. Her Scouting experiences have deepened her appreciation for service and sacrifice, particularly after marching in the New York City Veterans Day Parade at the invitation of the Alumni Association of the USS Intrepid. Standing alongside veterans in that parade reinforced for her that freedom is not free, inspiring her to dedicate her Eagle project to honoring those who served our nation and community.

Over the course of several days, Sara led a few dozen volunteers who collectively contributed more than 200 hours of dedicated work to restore the memorial grounds. Together they restored the historic World War I cannon, cleaned and repainted the grenade launcher, repainted the flagpole and raised new American and POW flags, carefully removed algae and lichen from engraved memorial bricks honoring Millburn's veterans, cleaned the concrete benches and the Veterans Memorial Path post, planted grass seed and refreshed the landscaping, and installed new river rock along the perimeter to enhance drainage and beautify the site. Every element of the project was completed with care, reverence, and gratitude for the sacrifices made by those memorialized there.

This meaningful effort was completed in partnership with Millburn 250, the township's celebration of the 250th anniversary of American independence.

Millburn 250 committee member and Sons of the American Legion Squadron 140 Commander Daniel Cannon praised her effort, noting, "As we celebrate Millburn 250 and the 250th anniversary of our nation's independence, Sara's work stands as a tribute to the generations who secured our freedom and a gift to those who will inherit it. Her leadership and dedication reflect the very spirit of service and patriotism that built this country over the last 250 years. Millburn is proud of her."

In reflecting on the project, Sara shared, "I am super grateful for all the volunteers, generous donors, and corporate sponsors, especially Rossi Paint Store in Millburn, Chatham Stone, and the Budweiser Corporation. I am also thankful for the American Legion, Millburn Township, and Millburn 250 for extending their confidence in me to tackle this project. Overall, I am super super proud of all the work we accomplished."

If your son or daughter is interested in Scouting, visit stroseshorthills.org for links to Troop 19 (girls) and Troop 17 (boys). To learn more about Millburn 250 activities, visit Millburn250.org or find them on Facebook and Instagram.

SUPPORT THE FIRST AID SQUAD

There's something unmistakable about this time of year in our town. The air turns cooler, the leaves start to show off, and life seems to move a little faster as we head toward the holidays. For the volunteers of the Millburn-Short Hills Volunteer First Aid Squad, it's also a time to reflect — and to prepare for the busy months ahead.

Each year, our squad responds to hundreds of emergency calls right here in Millburn and Short Hills. From medical emergencies to accidents to everyday moments when someone just needs help, we're there — twenty-four hours a day, seven days a week. What many people don't realize is that we never charge for our services. Every single call is answered by trained volunteers who give their time freely, supported only by donations from people like you.

This fall, we're taking that spirit of service one step further. We've expanded our public education program to include the latest CPR certification classes, taught by our own nationally certified instructors. We're also proud to offer free Department of Defense-certified Stop the Bleed courses to anyone in the community who wants to learn how to control bleeding in an emergency. These programs give residents, teachers, and students the skills to save a life before professional help arrives.

Your support makes all of this possible. Donations fund our medical supplies, maintain

our ambulances, and keep our volunteers trained and equipped. They also allow us to offer these lifesaving community classes at no cost — because safety shouldn't depend on ability to pay.

As the season of giving approaches, we ask you to think local. Your contribution keeps our volunteers ready to respond, keeps our training programs running, and keeps our community safer every day of the year.

Please consider a fall donation by scanning the QR code here. Together, we can make sure that when help is needed, it's already on the way.

ENROLLING IN MEDICARE AND UPDATING YOUR PLAN

By George Sosa, President, The Sosa Insurance Group

Turning 65 marks eligibility for Medicare, a federal health insurance program designed for seniors and certain individuals with disabilities. While the system can be complex, resources are available to help beneficiaries navigate enrollment, updates, and plan changes to ensure their coverage continues to meet their needs.

Original Medicare consists of Part A (hospital insurance) and Part B (medical insurance). Part A covers hospital stays, skilled nursing facilities, home health, and hospice care. Part B focuses on outpatient care, doctor visits, preventive screenings, and therapies. While comprehensive, Original Medicare leaves gaps in coverage, which can be supplemented through Medigap policies. These help with deductibles, co-pays, and sometimes foreign travel coverage, offering flexibility and predictability.

Medicare Advantage (Part C), offered by private insurers, combines Parts A and B and often includes additional benefits like vision, dental, hearing, fitness programs, and lower premiums. These plans have out-of-pocket maximums, but often require use of in-network providers.

Prescription drug coverage (Part D) is also offered through private plans. Each plan has a formulary outlining covered medications, cost-sharing structures, and potential coverage gaps, though assistance programs like "Extra Help" exist for those with limited income. New Jersey also provides state assistance through PAAD and Senior Gold to help seniors manage prescription

drug costs.

For higher-income beneficiaries, Medicare applies IRMAA (Income-Related Monthly Adjustment Amount), which adds extra costs to Part B and D premiums based on IRS tax information.

Enrollment timing is crucial. While some may delay enrollment due to employer coverage, late enrollment penalties apply if coverage lapses without creditable insurance.

Every year, Medicare beneficiaries have an opportunity to review and adjust their coverage. The Annual Enrollment Period (October 15 – December 7) allows switching between Original Medicare and Advantage plans, adding or changing drug plans, or returning to Original Medicare. Any changes take effect January 1. Additionally, the Medicare Advantage Open Enrollment (January 1 – March 31) allows those in Advantage plans to switch or return to Original Medicare.

When evaluating options, beneficiaries should consider cost, provider networks, additional benefits, drug coverage, and changes in their health or medications.

Understanding Medicare is the first step to making the best decisions for your health and budget. If you'd like help comparing plans or reviewing your coverage for 2026, The Sosa Insurance Group is here to guide you every step of the way. Contact us at 973-902-5445 to schedule a one-on-one review about your Medicare choices.

Medicare can be complicated. We Make it simple.

TWO CONCERTS: HOLIDAY TENORS & BROADWAY THROUGH THE AGES

New Jersey Festival Orchestra ushers in the holiday season with two major December performances that showcase the full breadth of the orchestra's artistic range.

Under the direction of Maestro David Wroe, NJFO welcomes audiences to celebrate the magic of the season with Return of the 3 Holiday Tenors on December 6 and 7, followed by the orchestra's signature New Year's celebration, Broadway Through the Ages, on December 31 and January 1.

Return of the 3 Holiday Tenors features award-winning vocalists John Kun Park, Luke Norvell, and Michael DeShield, each bringing a distinct artistic profile to this beloved NJFO tradition. Park, praised for his "radiant lyricism," has appeared with major opera houses across the country. Norvell, known for his "effortless charm and ringing tenor," continues to shine as a rising star on both concert and operatic stages. DeShield, celebrated for his powerful presence and versatility, is a frequent soloist with ensembles throughout the Northeast.

The trio joins NJFO for a sparkling program of holiday favorites, classical tenor showpieces, and uplifting choral moments. They are joined by the Holy Trinity Choir of Westfield and Central Avenue Choir of Madison, adding festive warmth and community spirit to this seasonal celebration. Performances take place Saturday, December 6 at The Presbyterian Church in

Westfield and Sunday, December 7 at Drew University in Madison.

The festivities continue with Broadway Through the Ages, NJFO's dazzling New Year's tradition performed in Westfield and Basking Ridge. This year's concert brings together a powerhouse lineup of guest artists: Tess Marshall, acclaimed for her magnetic stage presence and vocal brilliance; Lisa Marie Rogali, a versatile performer equally at home in opera and musical theater; and Peter Kendall Clark, praised for his "commanding baritone and dramatic flair." This year's program also features stars from the Dance Theater of Harlem, adding movement, elegance, and theatrical artistry to this musical celebration. Together with NJFO, the ensemble leads audiences on a spirited journey through iconic Broadway classics.

The weekend event benefits the preservation of Twin Maples, 214 Springfield Avenue, Summit, a property on the New Jersey and National Historic Registers. The house was designed and built by New York architect Alfred F. Norris in the Colonial Revival style in 1908 and resembles the White House. The Fortnightly Club purchased the property in 1949. Today, Twin Maples serves as a clubhouse and hosts many community events and fundraisers. The Fortnightly Club of Summit, a non-profit organization founded in 1893, offers women camaraderie and a full calendar of interesting events and volunteer opportunities. The Club supports the preservation of Twin Maples, education, the arts and humanitarian efforts. For over thirty-years the Club has awarded annual scholarships to deserving young, local women. Fortnightly Club's 104 members are from Summit and many neighboring towns. To join or for more information, visit the Club's website at www.fortnightlyclub.org.

GET TO KNOW WHERE AED'S ARE IN TOWN

Emilie C. Whitley – EMT, Millburn Short Hills Volunteer First Aid Squad

We've all heard of them, may know what the letters stand for, and may even know someone whose life was saved by one. But do we know where they are in town?

An AED (Automatic External Defibrillator) analyzes a person's heart rhythm and, if necessary, delivers an electrical shock to restore a normal heartbeat. Before the 1960s, cardiac arrest was almost always fatal. Now, with good CPR and early defibrillation, patients can survive with little or no neurological damage.

AEDs are designed for bystanders to use - they're simple, with voice prompts and clear diagrams so anyone can operate one confidently. An AED is the third vital link in the "Chain of Survival":

- 1) Call 911
- 2) Begin high-quality CPR
- 3) Apply the AED for rapid defibrillation

That third step is the most critical and works best within the first two minutes of cardiac arrest. Quoting Squad President H. Steven Roth, "Knowing where your nearest AED is could make the difference, as every minute of delay in defibrillation reduces chances of survival."

Look for the AED symbol – a heart with a lightning bolt. Try spotting them, they're wall-mounted in many public spaces, including: Township Offices, Police and Fire Departments; Paper Mill Playhouse – front of house; ShopRite near the cashier section; Millburn Public Library;

Gero Park: Field A dugout (seasonal), Par 3 Golf Course (April–November), Municipal Pool (Memorial Day–Labor Day), inside Gero Community Center; Taylor Park: tennis courts (seasonal), inside Bauer Community Center; Train Stations: Millburn and Short Hills; Department of Public Works

Churches and temples are also well equipped, and Millburn public schools have multiple AEDs on-site and on athletic fields. The Short Hills Mall has several as well; in an emergency, call 911 first, then mall security at (973) 376-1320 to dispatch a trained officer.

Many residents have already taken the CPR–AED course offered by the Millburn-Short Hills Volunteer First Aid Squad (MSHVVAS). Knowing where AEDs are located can save precious seconds when they matter most. New Jersey's Good Samaritan law protects anyone who helps in good faith, so don't hesitate to act.

Every minute counts: survival drops up to 10% for each minute defibrillation is delayed. Early defibrillation within five minutes is a community goal we can all help achieve. Know where your nearest AED is - it could save a life.

We're fortunate to live in a community that cares. Register for a CPR class at mshvvas.org, upcoming sessions are on November 9 and December 7.

Do it for them. Do it for our town. Do it for yourself.

PROCLAMATION GIVEN TO JONAH DOVDAVANY

Submitted by Daniel Cannon,
Millburn 250 Committee Member

Millburn High School junior Jonah Dovdavany was formally recognized by the Millburn Township Committee on Tuesday evening for his winning design in the Millburn 250 Logo Contest, receiving a proclamation presented jointly by Mayor Annette Romano and Committeeman Ben Stoller.

During the presentation, Stoller praised Jonah's work, calling him "a remarkable young member of our community" whose creativity and vision "truly impressed the Millburn Township 250th Anniversary of the United States Celebration Committee." He highlighted how Jonah's logo "beautifully captures the essence of Millburn, drawing from the historic mill, the Rahway River, and the town's Revolutionary War heritage, while incorporating the American flag to connect our story to the larger history of our nation."

As Stoller spoke, Millburn 250 Anniversary Celebration Committee Chairman and Township Administrator Alex McDonald held a banner showcasing Jonah's winning logo, which will now serve as the official symbol of the township's 250th anniversary celebration.

Following the ceremony, Jonah expressed his appreciation, saying, "It's always lovely to be part of something special, and it means so much to be recognized. I'm proud that my design will represent Millburn 250's efforts to celebrate our country's 250th."

The official proclamation, signed by Mayor Romano and Committeeman Stoller, commended Jonah for his "exceptional artistic achievement

and meaningful contribution to this historic commemoration," noting that his design "will inspire civic pride and remind all who see it of Millburn's heritage and its enduring connection to the American story."

Jonah's logo, featuring the mill wheel and subtle patriotic elements, will appear on official materials, social media, and at events leading up to July 4, 2026, as Millburn joins the nation in celebrating the 250th Anniversary of the United States.

The Millburn 250 Committee continues to plan programs and community events that highlight the township's rich history and celebrate its contributions to America's 250th anniversary. For additional information about Millburn 250 activities and programs, visit Millburn250.org or follow the committee on Facebook and Instagram.
