## COLLECTING AND RECYCLING CHRISTMAS TREES IN JANUARY

### Livingston Department of Public Works

The Township of Livingston's Christmas Tree Collection and Recycling program that began on Monday, January 5, 2026 will end on Friday, January 30, 2026.

Residents can leave their undecorated live-cut Christmas trees at the curb, as they would for regular recycling. The trees will be collected Monday through Friday from 8:00 a.m. to 4:00 p.m. There is no need to register for pickup.

The Christmas tree collection program saves the cost of garbage disposal, since the Township is charged by weight to remove bulk items.

The Department of Public Works provides an additional environmentally friendly aspect to the collection program. DPW employees chip the trees into mulch that is then used in flower beds and garden borders. The DPW collected and recycled nearly 2,000 Christmas trees last year.

Visit [livingstonnj.org/Recycling](http://livingstonnj.org/Recycling) for more information about this program and recycling in Livingston.

## JANUARY SPEAKERS PROGRAM FOR THE SUMMIT AREA OLD GUARD

The Summit Area Old Guard is a social, educational, and recreational organization that serves men of retirement age. We meet Tuesdays, 9:30 a.m., at the New Providence Presbyterian Church located at 1307 Springfield Ave – we encourage visitation, and all are welcome. Our motto is “Come for the Programs. Stay for the Friends.” The organization was founded in 1930. Our website address is [summitoldguard.org](http://summitoldguard.org).

In January, we will have four speakers:  
**TUESDAY, JANUARY 6TH: RICHARD LANDER**

Shares a deep, personal connection to the Civil War as the great-grandson of John R. Lander, a Union soldier. John emigrated from Germany and enlisted with an Illinois regiment at the remarkably early age of fourteen, serving for the entire duration of the war. This military service instilled a generational interest: members of the Lander family have continuously studied the Civil War and maintained membership in the Sons of the Union Veterans of the Civil War (SUVCW). In his presentation, Richard will detail the complex tapestry of events that led to the conflict, covering the cultural, political, economic, and military factors at play. Attendees are encouraged to note the striking parallels between these historical forces and current events.

**TUESDAY, JANUARY 13TH: DR. DEAN EPPLER**

Though the Apollo Program was a revolutionary 20th-century achievement, many of its difficulties and successes have faded into

historical obscurity. Dr. Dean Eppler, a retired NASA scientist with over 35 years in human spaceflight, possesses the breadth of experience to bring the mission into focus. His background includes Apollo Program history, advanced space suit engineering, ISS facility development, and training/selecting astronauts (1990, 1996, and 1998 selections). Dr. Eppler will identify the key areas of the mission's success and discuss Apollo's enduring contributions to human spaceflight.

**TUESDAY, JANUARY 20TH: HOWARD MEYER**

A long-time leader in New Jersey volunteer EMS. He is the past president of the EMS Council of New Jersey, the country's largest volunteer squad association, and served as its volunteer legislative director for over 20 years. Since 1971, he has served in leadership roles, including president and chief, across all types of New Jersey environments—rural, suburban, and urban. Howard will detail the history and

evolution of the volunteer EMS system, highlighting its critical importance to the state. His talk will cover key events and the major challenges volunteer squads face moving forward.

**TUESDAY, JANUARY 27TH: BOB GULA**

The Forgotten Victory Trail explores one of America's most overlooked Revolutionary chapters in the brutal campaigns of 1780 in NJ, when burning towns, secret networks, and fierce local resistance helped turn the tide of the war. The Battles of Springfield and Connecticut Farms in June 1780 were critical in the defense of New Jersey (and Washington's forces in Morristown) and in the weakening of the British Forces ahead of the Battle of Yorktown. Our speaker will be Bob Gula, Education Officer –West Fields Chapter of Sons of the American Revolution Patriotic Instructor, Sons of Union Veterans of the Civil War Member and General Society of Mayflower Descendants.

## HICKORY TREE CHORUS INVITES ACAPPELLA SINGERS TO OPEN AUDITIONS

The award-winning Hickory Tree Chorus is calling singers in the soprano, alto, and contralto ranges to join their harmonious sisterhood!

Performing in communities throughout northern and central New Jersey, the chorus enjoys singing recognizable popular songs - arranged in rich four-part harmony.

Fresh off their top-scoring performance at the 2025 Sweet Adelines Region 15 competition, the

chorus has earned a coveted spot in the Harmony Classic at the 78th Annual Sweet Adelines International Competition in Columbus, Ohio, October 2026. Now, they're building their sound for the world stage.

Open auditions will be held in Stirling between 6:30-7:00 p.m. on Wednesday evenings in January 2026 and take less than 10 minutes (flexible scheduling is available). Singers are

asked to perform a brief acappella song of their choice. No experience required, just a love of singing and a desire to grow.

This is more than a chorus—it's a sisterhood, a mission, and a moment. Will your voice be part of it?

## STATE CANCELS LEGAL NOTICE MANDATE

We rarely ever hear about the government reducing taxes but it happened this year when New Jersey Governor Phil Murphy eliminated the mandate that legal notices must be printed in a newspaper.

The antiquated mandate is decades old and the cost for the adverting was paid for by public funds from municipalities, counties, school districts, and independent authorities. It was a lucrative business for the publications and more recently the majority of their revenue. Without the mandate the fear in the newspaper industry was that the publications relying on the legal advertising income will not survive.

In some cases the majority of content in the newspaper had been the legal ads. In question was the criteria for the mandate, i.e., were the publications meeting the required numbers of

paid subscriptions, and circulation.

The idea of doing away with the mandate, though practical, was considered political poison. No lawmaker wanted to be deemed responsible as the cause for newspapers' closures and people losing their jobs. During the Governor Christi administration the Star Ledger warned that doing away with the mandates would cause 250 weekly newspapers to close.

What brought about the change is a successful lawsuit filed by the County of Warren which named the Star Ledger and Daily Record as defendants. The suit may have been the last straw in the Ledger's decision to stop printing the newspaper in January of 2025.

Local governments will now be required to publish their legal notices on their websites.
