## SCHOOLS RECOGNIZED AS APPLE DISTINGUISHED

### Linden Public Schools

Linden Public Schools marked a historic milestone on Thursday, December 11, as more than 30 educators, technology leaders, and administrators from across New Jersey joined district and city officials for a first-of-its-kind celebration recognizing Linden as an Apple Distinguished District.

The day unfolded as a vivid showcase of student creativity and district-wide innovation, featuring student-produced livestreams connecting four schools, guided Apple-integrated classroom tours, and an in-depth Q&A with student media teams. Together, these moments offered visitors a rare, behind-the-scenes look at the digital learning ecosystem powering one of New Jersey's most diverse and forward-thinking school districts.

Linden Public Schools officially earned the Apple Distinguished District designation on September 16, 2025, after Soehl Middle School became the final school among the district's 11 buildings to receive individual Apple Distinguished School status. With all schools achieving recognition, the district qualified for the rare district-wide honor — solidifying Linden's 13-year Apple journey as a fully realized, systemwide model of innovation, creativity, and technology-driven learning.

Superintendent Dr. Atiya Y. Perkins said the distinction reflects both a long-term vision and the collective commitment of students, teachers,

and administrators.

"This is more than a milestone. It is a message," Superintendent Perkins said. "It says that a large, diverse, urban district like Linden can lead on a global stage, and that our students are fully capable of innovating, creating, and achieving at the highest levels."

At 8:30 a.m., that message came alive as the spotlight shifted to Linden's students. A district-wide, student-produced livestream launched from the brand-new Tiger Media Studio at the high school, with live segments rolling out from McManus and School No. 8, before visitors headed into technology-rich classrooms at Soehl. The celebration culminated at School No. 1 with part two of the live broadcast -- a dynamic, student-led Q&A with visiting educators that put student voice at the center of the Apple experience.

(above) Live broadcasts, hands-on tours, and powerful student voice define Linden's Apple Distinguished District milestone.

## HICKORY TREE CHORUS INVITES ACAPPELLA SINGERS TO OPEN AUDITIONS

The award-winning Hickory Tree Chorus is calling singers in the soprano, alto, and contralto ranges to join their harmonious sisterhood!

Performing in communities throughout northern and central New Jersey, the chorus enjoys singing recognizable popular songs - arranged in rich four-part harmony.

Fresh off their top-scoring performance at the 2025 Sweet Adelines Region 15 competition, the

chorus has earned a coveted spot in the Harmony Classic at the 78th Annual Sweet Adelines International Competition in Columbus, Ohio, October 2026. Now, they're building their sound for the world stage.

Open auditions will be held in Stirling between 6:30-7:00 p.m. on Wednesday evenings in January 2026 and take less than 10 minutes (flexible scheduling is available). Singers are

asked to perform a brief acappella song of their choice. No experience required, just a love of singing and a desire to grow.

This is more than a chorus—it's a sisterhood, a mission, and a moment. Will your voice be part of it?

For details and to schedule your audition, email us at [info@hickorytreechorus.org](mailto:info@hickorytreechorus.org) or call 908-377-1399.

# SAY GOODBYE TO KNEE & JOINT PAIN WITHOUT RADIATION

## Introducing RADIATION FREE KNEE INJECTIONS Under Ultrasound Guidance

### Do You Experience:

- Joint pain or tenderness?
- Joint stiffness after a period of inactivity or when you first wake up?
- Loss of flexibility?
- Grating sensation when you move?

If you answered "yes" to any of these questions, there's good news: NORTHEAST SPINE AND SPORTS MEDICINE can offer the relief you need to save a life free of knee pain.

### Ask us about Viscosupplementation

Viscosupplementation is a non-invasive, FDA-approved treatment proven effective for Osteoarthritis and other types of pain.

Viscosupplementation is a procedure in which a gel-like fluid called hyaluronic acid is injected into the knee joint. Hyaluronic acid is a naturally occurring substance found in joint fluid, acting as a lubricant to enable smooth bone movement and absorb shock when needed; Because people with osteoarthritis have a lower than normal concentration of hyaluronic acid in their joints, viscosupplementation is an excellent therapeutic option for these individuals.

Viscosupplementation is a high-tech answer for all those who think that surgery, dietary supplements, and prescription medication are the only options for eliminating knee pain. In fact, this new treatment enables most people to get back to enjoying everyday activities in a matter of weeks. Treatment is covered by most major health insurance plans, including Medicare.

### Benefits of Viscosupplementation

- No pain from the injection
- No recovery time
- Quick results
- No radiation

Guests socialize over a light, nutritious lunch and share friendship, information, and often a few laughs. It is non-sectarian and all are welcome. From guests: "It was enjoyable, uplifting, and worthwhile," and "I wish my mother had something like this to participate in while she was able."

A suggested donation is \$5 per person.

## BROOK ARTS CENTER ANNOUNCES IT 2ND SPEAKEASY SOIREE AND SILENT AUCTION.

The historic Brook Arts Center is proud to announce its Second Annual Speakeasy Soirée & Silent Auction, Friday, January 23, 2026, at 7:00 PM. This Roaring '20s-themed evening promises an unforgettable night of glitz, glamour, entertainment, and support for one of Somerset County New Jersey's, historic landmarks.

Guests will be transported back to the golden age as they enjoy live music, period-inspired entertainment, and a lavish buffet.

The evening's highlight is a silent auction featuring more than 100 exclusive items, including a cruise getaway, a Bradford Portraits gift certificate with a private photo session, a 20-inch framed wall portrait and luxury hotel stay, four VIP tickets to Meadowlands Racing with dinner and winner's circle photos, designer handbags, sports memorabilia, dining and spa packages and so much more.

Tickets are \$50 per person or \$80 per couple and include buffet dining, live music, live

entertainment, and a cash bar.

Attendees are encouraged to dress in their finest 1920s-inspired attire to fully embrace the spirit of the evening.

The Speakeasy Soirée is the Brook Arts Center's largest fundraiser of the year.

As a fully volunteer-run 501(c)(3) nonprofit organization, the Brook Arts Center relies on community support to continue with the preservation and restoration of the facility and its mission of providing high-quality entertainment, inspiring creativity, fostering community partnerships, and nurturing education and growth through the arts.

Tickets are on sale now through January 16, 2026.

To purchase tickets or learn more, visit [www.brookarts.org](http://www.brookarts.org).

Reserve your tickets today and be part of a glamorous night that helps keep the arts alive in our community.

## STATE CANCELS LEGAL NOTICE MANDATE

We rarely ever hear about the government reducing taxes but it happened this year when New Jersey Governor Phil Murphy eliminated the mandate that legal notices must be printed in a newspaper.

The antiquated mandate is decades old and the cost for the advertising was paid for by public funds from municipalities, counties, school districts, and independent authorities. It was a lucrative business for the publications and more recently the majority of their revenue. Without the mandate the fear in the newspaper industry was that the publications relying on the legal advertising income will not survive.

In some cases the majority of content in the newspaper had been the legal ads. In question was the criteria for the mandate, i.e., were the publications meeting the required numbers of

paid subscriptions, and circulation.

The idea of doing away with the mandate, though practical, was considered political poison. No lawmaker wanted to be deemed responsible as the cause for newspapers' closures and people losing their jobs. During the Governor Christi administration the Star Ledger warned that doing away with the mandates would cause 250 weekly newspapers to close.

What brought about the change is a successful lawsuit filed by the County of Warren which named the Star Ledger and Daily Record as defendants. The suit may have been the last straw in the Ledger's decision to stop printing the newspaper in January of 2025.

Local governments will now be required to publish their legal notices on their websites.
