CARNIVAL FUNDS SUPPORT RESIDENTS IN NEED

Madison NJ PBA 92

The Madison PBA would like to once again thank all of our amazing residents, and everyone who came out to support the carnival this past year. Because of your generosity and support, the PBA was able to help support Mr. Cloyd Halley, in an effort to help ease his financial burden following a personal tragedy.

We are also humbled to share that we were able to extend a helping hand to the Gatti family during a very difficult time. Their one year-old little girl, Josephine Gatti, is battling an extremely rare mitochondrial illness. The road ahead is long

and full of unknowns, and Josie’s journey is far from over. The PBA was able to donate \$2,000 on their behalf, but they’ll need all the help we can give to ease ongoing medical and home-care costs.

If you are able, please consider supporting and sharing their journey. Visit gofundme.com/ and search: Support Josephine's Recovery and Home Care Together, time and time again, this community shows what it means to truly look out for one another. From all of us at Madison PBA — thank you for your kindness, compassion, and generosity. Happy Holidays to you all!

STATE CANCELS LEGAL NOTICE MANDATE

We rarely ever hear about the government reducing taxes but it happened this year when New Jersey Governor Phil Murphy eliminated the mandate that legal notices must be printed in a newspaper.

The antiquated mandate is decades old and the cost for the advertising was paid for by public funds from municipalities, counties, school districts, and independent authorities. It was a lucrative business for the publications and more recently the majority of their revenue. Without the mandate the fear in the newspaper industry was that the publications relying on the legal advertising income will not survive.

In some cases the majority of content in the newspaper had been the legal ads. In question was the criteria for the mandate, i.e., were the publications meeting the required numbers of

paid subscriptions, and circulation.

The idea of doing away with the mandate, though practical, was considered political poison. No lawmaker wanted to be deemed responsible as the cause for newspapers' closures and people losing their jobs. During the Governor Christi administration the Star Ledger warned that doing away with the mandates would cause 250 weekly newspapers to close.

What brought about the change is a successful lawsuit filed by the County of Warren which named the Star Ledger and Daily Record as defendants. The suit may have been the last straw in the Ledger's decision to stop printing the newspaper in January of 2025.

Local governments will now be required to publish their legal notices on their websites.
