## ROTARY AWARDS GRANT TO FAMILY PROMISE

### Morristown Rotary Club

The Morristown Rotary Club is proud to announce it has awarded a \$2,000 grant to Family Promise of Morris County (FPMC) to improve the storage and distribution of vital supplies for their clients.

The grant will fund the purchase and installation of a much-needed outdoor storage shed for FPMC's Our Promise Drop-in Resource Center, located at the First Baptist Church in downtown Morristown.

The new, secure shed will be used to organize and store essential donations, including:

Move-in kits (bedding and housewares), hygiene kits and personal care items, and clothing and seasonal gear

These items are critical resources provided by the center to support individuals experiencing homelessness, particularly those living unsheltered in the Morristown area. Limited storage space has previously hindered FPMC's ability to efficiently manage and distribute these life-changing resources.

"The work Family Promise does to support our most vulnerable neighbors is essential, and the Morristown Rotary is honored to contribute to their mission," said Aaron Oliver, President of Morristown Rotary. "This storage shed may seem like a simple addition, but it represents a powerful step toward ensuring that vital supplies are readily available when someone needs them most, improving the efficiency and impact of the Promise Center."

A hub for critical services, Family Promise of Morris County has served the community for 37 years and, in 2024 alone, their Our Promise Center served 355 unduplicated individuals and recorded 4,031 face-to-face contacts.

The Drop-in Center provides a safe place and access to critical resources, including:

- A mailing address, phone, and computer access
- Cooling/warming center services
- Benefits screening and case management
- Referrals to housing and health services

This funding solves a real logistical challenge. The new storage shed means dedicated staff and

(above, l-r) Joann Bjornson of Family Promise of Morris County, and Denise Flanagan of Morristown Rotary Club.

over 1,600 volunteers can more effectively organize and distribute donations, allowing them to focus energy on providing the direct support and housing solutions clients depend on.

The project is slated to begin on January 1, 2026, and is expected to be completed within 90 days.

Dr. Joseph J. Murphy began the center in 1985 to offer the community a natural alternative to the traditional allopathic medical facilities in the Chatham area. ## CIVIL AIR PATROL HONORS BILLY MITCHELL

Lone Eagle Composite Squadron of the Civil Air Patrol (CAP).

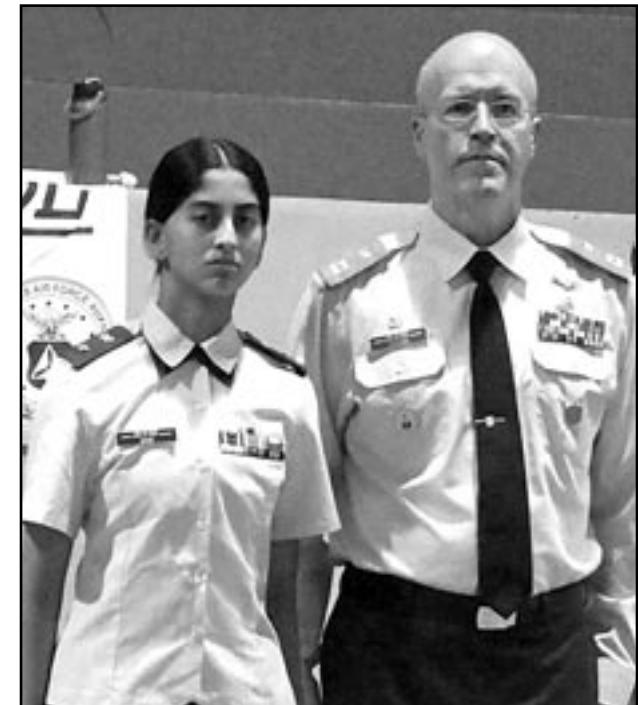

Recently, Cadet 2d Lt Priyanka Nair, of the Lone Eagle Composite Squadron, was presented with her Civil Air Patrol (CAP) Billy Mitchell Award by Capt. Adam Fitting, Commander, at the Morristown Armory, Morristown, NJ. She is the daughter of Mr. Nair and Mrs. Leju of Glen Ridge, NJ.

She served as a flight commander at TN Wing encampment and has given presentations on the importance of character and the Spittin' Kitten's Squadron history. She was named the honorable graduate at the NJ Ground Search & Rescue(GSAR) Summer School and qualified for GTM 3, 2, and UDF. She is a sophomore at Newark Academy on the Varsity basketball team. Outside of school, she enjoys playing and teaching violin.

The Billy Mitchell award, the second cadet milestone achievement, is earned after the successful completion of the first eight achievements of the cadet program. In addition to the achievements, the cadet must pass a comprehensive examination on aerospace and leadership and attend a Basic Encampment. Only about 15% of all Civil Air Patrol cadets achieve the Billy Mitchell Award.

Billy Mitchell Cadets who enlist in the U.S. Air Force are promoted to E-3 (airman first class) instead of E-1 (airman basic) upon completion of basic military training. Billy Mitchell cadets who enlist in the Army, Navy, or Marine Corps are promoted to E-2 instead of E-1 upon completion of basic military training. Further, Billy Mitchell cadets who enlist in the US Coast Guard are promoted to E-3 (seaman) instead of E-1 (seaman recruit) upon completion of boot camp. Finally, they are considered favorably by the admission staff for selection to the AFROTC and the USAF Academy.

The Lone Eagle Composite Squadron meets on Wednesday nights, 7:00 to 9:00 p.m., at the Morristown National Guard Armory, NJ. Youth can start the cadet program at age twelve, and adults can join as senior members starting at age

# VETERANS SCHOLARSHIP RECIPIENT, KELLY BROWN

MORRISTOWN & DOVER ROTARY CLUBS

The Rotary Clubs of Morristown and Dover are proud to announce Kelly Brown as the first recipient of their newly established Veterans' Scholarship Program for the 2025 academic year. Both clubs jointly introduced this groundbreaking initiative to support the successful reintegration of veterans into civilian life.

The scholarship program, designed to aid deserving veterans in their pursuit of higher education and professional development, garnered significant interest, and attracted many applications. To ensure the program's reach and impact, the Morristown and Dover Rotary Clubs collaborated with several key organizations, including the American Legion, County College of Morris, and NJIT, among others.

After thorough review and spirited discussions, the scholarship committee unanimously selected Kelly Brown as the inaugural awardee.

Kelly is currently pursuing her second term

towards an associate's degree in Mortuary Science. Upon completion of her degree, she will be eligible to sit for the rigorous National Board Exams, which cover all aspects of her associate's coursework.

Kelly's interest in the mortuary science field was sparked during her military service, where she interned at the Medical Examiner's office. She believes this degree will not only provide her with a stable and fulfilling career but also offer a meaningful way to contribute to society.

Beyond her academic pursuits, Kelly is an exceptional individual who adeptly balances raising a child with special needs, actively contributing as a member of Post 59 of the Local Legion, and studying to become a chaplain.

The Rotary Clubs of Morristown and Dover extend their heartfelt congratulations to Kelly Brown and wish her every success in her future endeavors.

## ABOUT THE ROTARY CLUBS:

The Rotary Clubs of Morristown and Dover are local chapters of Rotary International, a global network of community volunteers dedicated to tackling the world's most pressing humanitarian challenges. Through service and fellowship, Rotary members work to promote peace, fight disease, provide clean water, support education, save mothers and children, and grow local economies.

## JANUARY SPEAKERS PROGRAM FOR THE SUMMIT AREA OLD GUARD

The Summit Area Old Guard is a social, educational, and recreational organization that serves men of retirement age. We meet Tuesdays, 9:30 a.m., at the New Providence Presbyterian Church located at 1307 Springfield Ave – we encourage visitation, and all are welcome. Our motto is “Come for the Programs. Stay for the Friends.” The organization was founded in 1930. Our website address is [summitoldguard.org](http://summitoldguard.org).

In January, we will have four speakers:

### TUESDAY, JANUARY 6TH: RICHARD LANDER

Shares a deep, personal connection to the Civil War as the great-grandson of John R. Lander, a Union soldier. John emigrated from Germany and enlisted with an Illinois regiment at the remarkably early age of fourteen, serving for the entire duration of the war. This military service instilled a generational interest: members of the Lander family have continuously studied the Civil War and maintained membership in the Sons of the Union Veterans of the Civil War (SUVCW). In his presentation, Richard will detail the complex tapestry of events that led to the conflict, covering the cultural, political, economic, and military factors at play. Attendees are encouraged to note the striking parallels between these historical forces and current events.

### TUESDAY, JANUARY 13TH: DR. DEAN EPPLER

Though the Apollo Program was a revolutionary 20th-century achievement, many of its difficulties and successes have faded into

historical obscurity. Dr. Dean Eppler, a retired NASA scientist with over 35 years in human spaceflight, possesses the breadth of experience to bring the mission into focus. His background includes Apollo Program history, advanced space suit engineering, ISS facility development, and training/selecting astronauts (1990, 1996, and 1998 selections). Dr. Eppler will identify the key areas of the mission's success and discuss Apollo's enduring contributions to human spaceflight.

### TUESDAY, JANUARY 20TH: HOWARD MEYER

A long-time leader in New Jersey volunteer EMS. He is the past president of the EMS Council of New Jersey, the country's largest volunteer squad association, and served as its volunteer legislative director for over 20 years. Since 1971, he has served in leadership roles, including president and chief, across all types of New Jersey environments—rural, suburban, and urban. Howard will detail the history and

evolution of the volunteer EMS system, highlighting its critical importance to the state. His talk will cover key events and the major challenges volunteer squads face moving forward.

### TUESDAY, JANUARY 27TH: BOB GULA

The Forgotten Victory Trail explores one of America's most overlooked Revolutionary chapters in the brutal campaigns of 1780 in NJ, when burning towns, secret networks, and fierce local resistance helped turn the tide of the war. The Battles of Springfield and Connecticut Farms in June 1780 were critical in the defense of New Jersey (and Washington's forces in Morristown) and in the weakening of the British Forces ahead of the Battle of Yorktown. Our speaker will be Bob Gula, Education Officer –West Fields Chapter of Sons of the American Revolution Patriotic Instructor, Sons of Union Veterans of the Civil War Member and General Society of Mayflower Descendants.

"The Gathering Place" is a monthly Memory Cafe hosted by volunteers at Christ Church in Summit. They meet the first Wednesday of every month, from 12 - 2 p.m.

Guests socialize over a light, nutritious lunch and share friendship, information, and often a few laughs. It is non-sectarian and all are welcome. From guests: "It was enjoyable, uplifting, and worthwhile," and "I wish my mother had something like this to participate in while she was able."

A suggested donation is \$5 per person.

## STATE CANCELS LEGAL NOTICE MANDATE

We rarely ever hear about the government reducing taxes but it happened this year when New Jersey Governor Phil Murphy eliminated the mandate that legal notices must be printed in a newspaper.

The antiquated mandate is decades old and the cost for the advertising was paid for by public funds from municipalities, counties, school districts, and independent authorities. It was a lucrative business for the publications and more recently the majority of their revenue. Without the mandate the fear in the newspaper industry was that the publications relying on the legal advertising income will not survive.

In some cases the majority of content in the newspaper had been the legal ads. In question was the criteria for the mandate, i.e., were the publications meeting the required numbers of

paid subscriptions, and circulation.

The idea of doing away with the mandate, though practical, was considered political poison. No lawmaker wanted to be deemed responsible as the cause for newspapers' closures and people losing their jobs. During the Governor Christie administration the Star Ledger warned that doing away with the mandates would cause 250 weekly newspapers to close.

What brought about the change is a successful lawsuit filed by the County of Warren which named the Star Ledger and Daily Record as defendants. The suit may have been the last straw in the Ledger's decision to stop printing the newspaper in January of 2025.

Local governments will now be required to publish their legal notices on their websites.
