SCOUTS HOSTS RECORD-SETTING PINWOOD DERBY

Submitted by Adam Lella

Scout Pack 182 held its annual Pinewood Derby on Jan 10th, drawing its largest crowd in years with more than 80 Scouts and 20+ siblings entering their personally made pinewood derby cars for a friendly competition.

Each year scouts design and create their own car to participate in the race. We also include siblings to join the fun during a dedicated race session later in the day.

I want to personally thank all parents and volunteers who made the event possible. Car handlers, checkin-crew, technology logistics, food helpers, setup crews, and cleanup teams all played a critical role in keeping the busy schedule running smoothly.

A special thanks to Mayor Fine for taking time to visit the event, meet the Scouts, and show support for the local Scouting community.

The day concluded with an awards ceremony recognizing the scouts and siblings. With record participation and strong family engagement, this year's Pinewood Derby reinforced its status as a treasured Pack 182 tradition.

Scouts have spent weeks designing, building, and

decorating their own unique wooden cars from simple blocks of wood, learning valuable lessons in design, physics, and engineering along the way. The event encourages creativity, with awards given not just for speed but also for categories like Best Design.

If your son is interested in joining Pack 182 and in grades K-5th please reach out to Adam Lella at cubmaster@warrenpack182.org.

E-BIKE SAFETY PRESENTATION FOR STUDENTS

Warren Township Schools

Students at Warren Middle School (WMS) recently took part in an informative e-bike safety presentation held in the school gymnasium, aimed at promoting safe riding practices and educating students on the rules of the road. The presentation was led by RiseWise, a Somerset County-based organization dedicated to providing information on environmentally friendly transportation.

During the presentation, students learned about the increasing use of e-bikes and the importance of riding safely and responsibly. RiseWise representatives covered essential topics such as

wearing proper safety gear, understanding traffic laws and road signs, and safely sharing the road with pedestrians and vehicles. The session also highlighted how e-bikes differ from traditional bicycles and the role they play in sustainable transportation.

At the conclusion of the presentation, students participated in an engaging question-and-answer session that featured different teams, encouraging collaboration and active involvement from everyone in attendance.

RiseWise continues to partner with schools and community organizations throughout Somerset County to promote safe, responsible, and environmentally friendly transportation.

SHANNON PISANI NAMED 2025-2026 EDUCATOR OF THE YEAR

SCVTHS

Somerset County Vocational & Technical High School (SCVTHS) is pleased to announce that Science instructor Shannon Pisani is the school’s 2025-2026 Educator of the Year. Mrs. Pisani graduated from Rider University with a Bachelor of Science in Biology and a minor in Marine Science. She had always been interested in teaching, and, in fact, had applied to college as an Education major before she realized she loved

Photo by SCVTHS

science and switched her degree track. However, upon graduating college she soon discovered that she did not want a career as a lab technician.

After a friend suggested that she look into a career in education, Mrs. Pisani decided to follow the alternate route pathway to becoming a teacher. She has been an educator for twelve years, and is currently in her eleventh year at SCVTHS, teaching classes in Earth & Space Science and Workplace Readiness, as well as a Principles of Anatomy class geared specifically to students enrolled in the Cosmetology program. She also serves on the school’s Social Emotional Learning committee and is an advisor to the Red Cross Club, the Peer Mentor program, and the Student Council. As a member of the SCVTHS Green Team, she was instrumental in securing a Bronze Certification from Sustainable Jersey for Schools, which recognizes achievement in the development of environmental best practices and learning opportunities.

A number of students and fellow staff members nominated Mrs. Pisani for the Educator of the Year award. Student nominations cited her kindness, patience, and energy, as well as her ability to relate to her students and to explain course material in an easy to understand manner. They also appreciate her obvious desire to see her students succeed. Her peers echoed these sentiments, while also praising her leadership, innovation, and willingness to collaborate with

staff as she builds a “culture of respect, inclusion, and success that extends far beyond her classroom.”

Maria Johnson, SCVTHS Director of Special Services, praised Mrs. Pisani for her contributions to the school community. “Shannon is a remarkable teacher whose passion for the Biological and Earth & Space sciences is always on display in the classroom,” she said. “As she begins each class with an ‘Earth Update,’ she supports students’ curiosity and critical thinking skills and engages them in relevant science content. Shannon is a kind, respected educator who views science not just as a science, but as a tool for understanding the world.”

When she is not at SCVTHS, Mrs. Pisani, a Hillsborough native, enjoys boating and travelling with her husband. She also coaches girls aged 8-12 in gymnastics as part of a Jersey Optional Gymnastics Association (JOGA) competitive program.

“I have been fortunate to find a career that gives me an opportunity to combine my passions for science and education,” said Mrs. Pisani. “I am thankful to my family and the school community for supporting me and honoring me for doing a job I love.”

ALT STUDENTS ENJOY A SPECIAL VISIT

Warren Township Public Schools

Kindergarten students at Angelo L. Tomaso School (ALT) were all ears and big smiles when former mayor and community member Victor Sordillo visited the school library to read his brand-new children's book, *Rusty the Rescue Dog*, to an eager group of young learners.

Rusty, a safety-savvy canine, brings important lessons to life in a way that children connect with and enjoy. Through Rusty's fun adventures, young readers learn how to recognize risks and make safe choices.

The reading was led by Alicia Drozd, Sordillo's daughter and a parent at ALT. After the reading in the library, the kindergarten class had the opportunity to ask questions about the book and Rusty's lessons. The energy in the room was joyful as students shared what they learned and talked about their favorite parts of the story.

Each student received a copy of *Rusty the Rescue Dog* to take home, a keepsake to remind them of the day they met Rusty and discovered how fun learning about safety can be.

This special book giveaway was made possible thanks to the donation of the books by Dr. Ryan Saadi, a Warren resident. His support ensured that every kindergarten student left with a copy, excited to read more stories with family and friends.

The illustrations in the book were created by the talented Jennifer Ronkiewicz, an art teacher from Warren Middle School, whose artwork brought Rusty's world and safety lessons to life on the page.

Rusty the Rescue Dog encourages curiosity, safety awareness, and confidence, and through events like this one, the community continues to nurture a love of reading and learning in its youngest members.

LOCAL DAR PREPARES FOR AMERICA'S 250TH

Members of Elizabeth Snyder-Continental Chapter of the Daughters of the American Revolution (DAR) are readying to observe America's semiquincentennial. There are plans for public programs, a monument rededication, and several service projects.

America's 250th birthday was the theme of the chapter's entry in the Somerset County Park Commission's Festival of Trees in December and

the chapter's 130th Anniversary Luncheon and Winter Meeting in January.

"It is a great time to be a member of DAR and participate in this historic celebration," said Regent Nancy Stoll. "There will be events hosted by the DAR state and national societies."

The mission of the DAR is to foster patriotism, historical preservation, support education and community service. In 2025, DAR members

logged 7.4 million service hours.

Elizabeth Snyder-Continental Chapter is based in Green Brook and serves areas of Somerset, Middlesex and Union counties. Any woman, 18 or over, who can prove descent from a person who aided the cause of independence, is eligible to join. If you need assistance tracing your genealogy, DAR can help. Contact the chapter at ESCchapterDAR@gmail.com.

VETERANS AND FAMILIES HONORED FOR SERVICE AND SACRIFICE

Somerset County Vocational and Technical High School

Students in Edward Graf's Social Studies classes at Somerset County Vocational and Technical High School (SCVTHS) recently spent a day acknowledging and honoring veterans and Gold Star families. The event, held at a local

VFW Post, featured speeches, food, and an opportunity for students to spend time talking to service members and their families, who provided a glimpse of history as seen by those who experienced it first-hand.

This marks the thirteenth year that SCVTHS students have organized the Veterans Day

commemoration. The event lasted most of the day, with 140 students arriving early in the morning, before sunrise, to decorate the hall and prepare for the arrival of their guests.

The focus of the day was honoring those who paid the ultimate price while members of the military. Seven Gold Star families watched as students unfurled large banners honoring their relatives who died while serving our country. In addition, roughly 30 Armed Services veterans were honored at the event.

Following the ceremony, students served a hot lunch to their guests, and then joined them to eat and talk. After lunch, students and veterans broke up into small groups to discuss service, patriotism, and honor.

"Our students promote what we like to call an 'attitude of gratitude,'" said Mr. Graf. "This event shows how much our school and our community appreciates the service and sacrifice of these veterans and families."

(above) SCVTHS Social Studies instructor Edward Graf speaks to veterans, Gold Star families, and students during the annual Veterans Day commemoration. This is the thirteenth year that his students have organized the event to honor those who have served our country in the military.

SHARP-SHINNED HAWK RELEASED BACK TO WILD

This feisty Sharp-shinned Hawk was admitted on 12/22 after being found in a yard in Warren following a window strike. On intake, the hawk had bloody nares and mouth, consistent with

head trauma often seen after collisions. The nares are a bird's nostrils, located near the base of the beak, and bleeding there often points to head or facial trauma from collisions.

With supportive care and time to heal, this "Sharpie" as we call them, made great progress and was moved to an outside flight cage on 12/28/25. After proving strong, steady flight and good awareness, the hawk was successfully released back to the wild on 1/2/2026.

Sharp-shinned Hawks are incredibly fast and agile forest hunters, built to weave through dense

trees while chasing small birds. That same speed and focus, however, can make them especially vulnerable to window strikes when reflective glass looks like open sky or habitat.

For more information, or to make a donation visit info@theraptortrust.org. To report an injured bird call 908-647-2353.
