HISTORICAL SOCIETY'S 1ST 250TH ANNIVERSARY PROGRAM

Guest Writers Peter Nicolas and Rae Wade

"Crossroads of the Revolution: The War of Independence in New Jersey" is the first presentation of 2026 by The Historical Society of Florham Park. It's part of the society's plans for celebrating the 250th Anniversary of the United States Declaration of Independence.

The War of Independence was often fought in New Jersey. New Jersey experienced more than 600 documented violent clashes between Dec 1774 and March 1783, and an incalculable number of neighbor-to-neighbor clashes between Patriots, Loyalists, and neutrals. This makes it hard to imagine any resident of New Jersey being unaffected by conflict during the war. You'll enjoy learning about New Jersey's essential role in the War of Independence and how it affected every resident.

Presenter Patricia Wells takes great pleasure in sharing her love of history. She is the vice president of the Chatham Township Historical Society, and an amateur historian, researcher and speaker. She has delivered three well-received presentations in Florham Park. In 2022 "History of the White House", then 2023 "Stories of the Mayflower: What Were They Thinking?", and last year "Mrs. Bennett Follows the Continental Army". In that last presentation, dressed in period costume, she informed attendees of the important contributions by women during the Revolution.

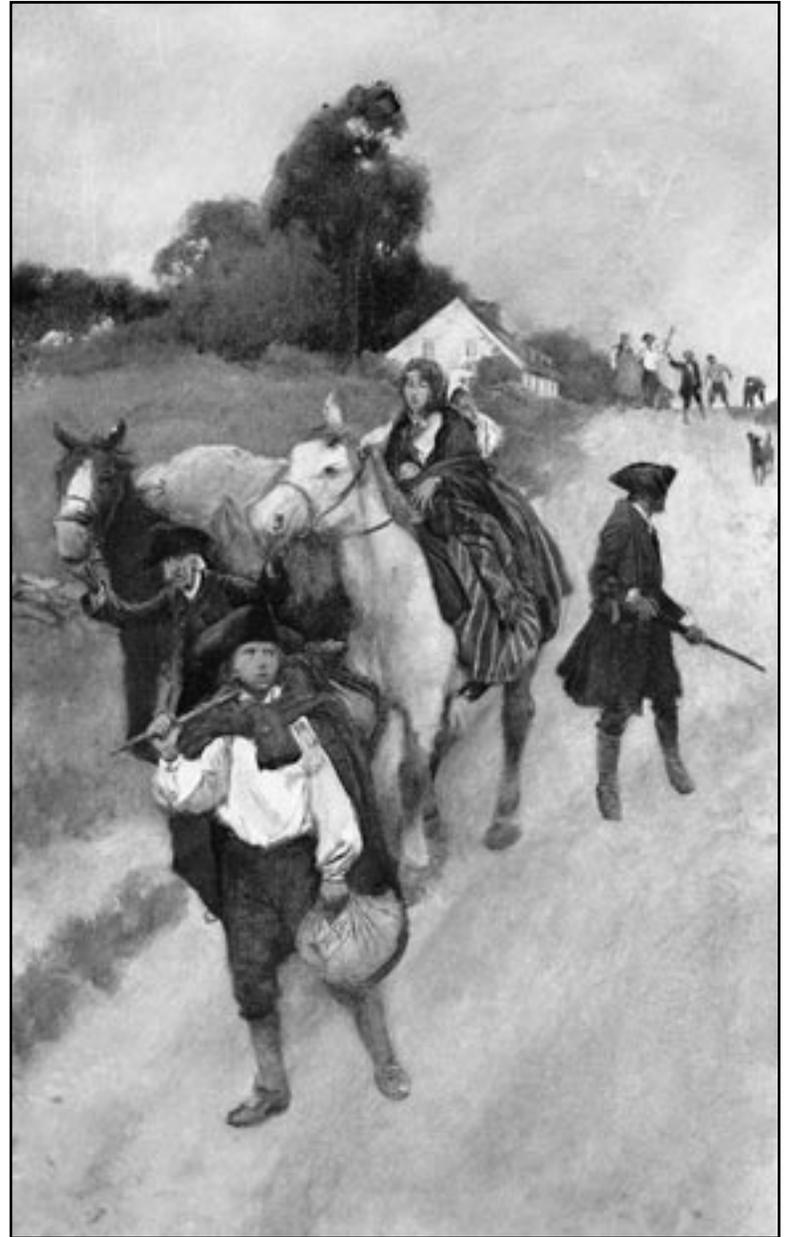

The public is invited to attend this free March 10 program. Refreshments available at 6:30 p.m. Following the refreshments, the program runs from 7:00-8:00 p.m. at the Florham Park Library. It is also offered via Zoom.

Please register at the Library website at florhamparklib.org/events or by calling the library at (973) 377-2694. Indicate if you will be attending in person or via Zoom. A confirmation email will be sent to registrants.

ABOUT THE HISTORICAL SOCIETY OF FLORHAM PARK

Many know the Historical Society from the four informative free presentations offered each year for all local residents. Many are familiar with books sponsored by the Historical Society such as SAGA OF A CROSSROADS (per John T. Cunningham, "a first-rate history, ... one of the best local histories every written in New Jersey.") and FONDLY FROM FLORHAM (as written by a girl growing up in Florham Park more than 100 years ago (1917-1921). Both are now also available digitally on the Florham Park Library website. Hard copies can be purchased from the Historical Society at the Presentations.

AN UNFORGETTABLE NIGHT OF MUSIC TO TRANSFORM YOUNG LIVES

On March 21, Pegasus: The Orchestra will perform with the Chatham High School Chamber Choir in a dazzling benefit concert for the TheraYouth Foundation at the Dorothy Center for Performing Arts at Drew University. Led by accomplished conductor and pianist, Karén Hakobyan, the vibrant program includes Haydn's "Fire" Symphony and a rousing version of Gershwin's Rhapsody in Blue, both composed exclusively for this ensemble. GRAMMY-nominated cellist Sergey Antonov - hailed by The Washington Post as "destined for cello superstardom" - will bring his soaring tone and formidable technique to Saint-Saëns' Cello Concerto No.1. All proceeds support pediatric medical therapy for disadvantaged youth. Normally this ensemble performs in New York City theaters so tickets are a steal at \$41-\$61 and can be purchased at therayouth.org.

TERAYOUTH CELEBRATES THREE YEARS OF TRANSFORMING CHILDREN'S LIVES

In just three years, the TheraYouth Foundation has become a beacon of hope for families across New Jersey struggling to secure essential therapy services for their children.

(above) Dr. Irina Marcoff providing physical therapy to a young patient at the Arlene S. Chasek clinic in Elizabeth NJ.

Physical therapist Dr. Irina Marcoff, DPT, founded TheraYouth to address a troubling reality: too many children with treatable conditions were being left behind. Long waitlists for public Early Intervention and school-based services; a shortage of pediatric providers accepting Medicaid; and the high cost of private therapy (often exceeding \$125 per session); placed critical care out of reach for hundreds of families.

"Early therapy can change the entire trajectory of a child's life," says Dr. Marcoff. "But for many families, access is the greatest barrier."

At its Elizabeth, NJ clinic, TheraYouth provides affordable physical, occupational, and speech therapy to disadvantaged children, more than 90% of whom rely on Medicaid. Since its inception, over 113 patients have "graduated" from therapy by achieving critical

developmental milestones.

The impact of timely intervention is undeniable. One young patient, unable to crawl or walk due to congenitally weak neck muscles, faced the risk of permanent disability due to delays in care. After just four months of physical therapy at TheraYouth, he graduated from treatment, able to walk normally, transforming his future.

Unfortunately, demand continues to outpace resources with more than 400 children on TheraYouth's waitlist for services. The foundation operates entirely through donations, community partnerships, and fundraisers.

On March 21st, TheraYouth will host a benefit concert to raise vital funds for pediatric therapy services. Help transform the lives of New Jersey's most vulnerable children through buying a ticket, or through a donation at www.therayouth.org.

SMALL BUSINESS MENTORING HELP MILITARY VETERANS SUCCEED

SCORE Central Jersey

During National Military Appreciation Month and beyond, SCORE mentors offer resources for veterans to start and grow their entrepreneurial enterprises.

Veterans' training, resolve and fortitude to overcome challenges make them the ideal entrepreneur. They soar as small business owners. According to research, 80 percent of the 1.7 million veteran-owned business owners consider themselves successful. The small business five-year survival rate for veterans is double that of the non-veteran population.

Data from the U.S. Small Business Administration has shown that small business owners with an established mentor have twice the success rate – 70 percent versus 35 percent – as those who do not have a mentor.

In conjunction with National Military Appreciation Month in May, SCORE, a national nonprofit organization that assists small businesses, has developed specific resources for use by its 10,000 mentors nationally in mentoring veterans.

The SCORE Veterans Small Business Resource Guide features veterans-specific resources to offer insight on developing a business plan, securing funding, starting a business, buying an existing business, buying a franchise, connecting with one of SCORE's volunteer mentors, and gaining a better understanding of business through webinars and

(above) Since 1964, SCORE has helped more than 17 million entrepreneurs start, grow or successfully exit a business. SCORE's 10,000 volunteers provide free, expert mentoring, resources and education in all 50 U.S. states and territories. Visit SCORE at score.org.

workshops.

"Volunteering at SCORE is my way of showing appreciation to those who helped and guided me during my career while sharing my background and experience to help entrepreneurs succeed," said SCORE Mid-Atlantic Regional Vice President Ed Coleman. "While I enjoy working with all SCORE clients, as a U.S. Army veteran, I particularly enjoy working with veterans to translate their military experience into entrepreneurship. Helping clients realize their

dreams is very gratifying and the essence of the SCORE mission."

SCORE Central Jersey Chapter Chair Nancy Verduin said mentors continually expand their knowledge base to better assist veterans on their entrepreneurial journey.

"Military transitioning from active duty have different needs than civilians in terms of starting a business," said Verduin. "It's wonderful to have veterans' resources at our volunteers' fingertips to aid in mentoring our service men and women."

Veterans account for about 10 percent of SCORE's client base. Veterans own 10 percent of small businesses and 14 percent of franchises. Since franchisors have a defined plan of what the business should entail, veterans represent the perfect franchisee given their ability to effectively execute plans as intended.

Nationally, veterans own nearly 2 million businesses, employing more than 5 million Americans, and generating more than \$1 trillion in annual income. Of those, 40 percent of veteran-owned businesses generate more than \$500,000 in annual revenue.

TITAN IS WELCOMED INTO SHERIFF'S OFFICE

Morris County Sheriff's Office

Titan, a five month old Belgian Malinois puppy, joined the Sheriff's Office in December, and is now in training. Titan was surrendered to Mike and Michelle McMahon of Garden State K9 by a client who reported that Titan was too much for the family to manage. Titan was evaluated by Garden State K9 for temperament and workability, and tested for patrol and scent detection work. His evaluation was impressive, and Garden State K9 sought to donate Titan to the Morris County Sheriff's Office to ensure Titan had the proper working environment and the right conditions to thrive.

Titan has been paired with Detective Corporal Marc Adamsky, and began the bonding process and initial training. Training at this age is fun and geared towards building a bold, sociable, and confident puppy. The training will continue until certification is complete in both explosive detection and patrol techniques. Every day the new canine team of Detective Corporal Adamsky and Titan work towards achieving milestones. The drive to succeed is highly based on food and toy reward. Titan will learn obedience, tracking, evidence recovery, on and off leash searches for suspects, the odor of explosives, criminal apprehension and handler protection. It is anticipated that Titan will begin working the road and responding to calls for service when he is approximately two years old.

Certifications to ensure Titan maintains expected performance standards will be completed through evaluations by both the Morris County Sheriff's Office and the United States Police Canine Association. Once certifications and high quality performance have been achieved, Titan is slated to replace Detective Corporal Adamsky's current partner, Canine Tim, who is nearly nine years old. Tim is trained in narcotics detection and patrol techniques and serves alongside Detective Corporal Adamsky with the Sheriff's Emergency Response Team. Canine Tim is a very accomplished canine partner. The Morris County Sheriff's Office operates with seven canine handlers, and twelve

canines trained in multiple disciplines. The Canine Section has responded to 742 calls for service through the month of November. Titan is expected to perform at the same high level of success that Tim has achieved. Everyone at the Sheriff's Office is ready and waiting with excitement and anticipation to see the great things Titan will accomplish.

LEG PAIN

You Don't Have To Live With It!

That "searing, burning pain" in your thigh and calf... that "aching, numbing" feeling in your hip and buttocks... that "tingling" in your foot and toes and loss of balance... It interferes with your ability to walk, to ride a bicycle, play golf, garden... to have **FUN IN LIFE!**

Leg pain, thigh ache and numbness, and tingling in the foot may actually be caused by a pinched back nerve even though you have **NO** back pain - it could even be Sciatica.

Dr. Murphy is an expert at finding the CAUSE of your leg pain and numbness and **CORRECTING IT... WITHOUT THE USE OF DRUGS OR SURGERY.**

"YOUR BETTER HEALTH IS OUR ONLY CONCERN!"

YOUTH SYMPHONY REHEARSALS FREE AND OPEN TO PUBLIC - MARCH 1-5

The New Jersey Youth Symphony (NJYS), a program of Wharton Arts, invites young musicians and their families to experience the excitement of ensemble music-making during the NJYS Open Rehearsals Week, taking place March 1-5, 2026.

Throughout the week, visitors are welcome to observe live rehearsals of any of NJYS's 15

ensembles, offering a rare behind-the-scenes look at how young musicians collaborate, learn, and grow under the guidance of NJYS's accomplished artistic staff. Open Rehearsals Week is designed for students in grades 2-11 who are curious about joining a youth orchestra or expanding their musical journey.

Attendees will have the opportunity to meet NJYS conductors, experience the rehearsal process firsthand, and explore how NJYS nurtures musical excellence, teamwork, and confidence in young performers.

Said Artistic Director and Principal Conductor Helen Cha-Pyo, "At the New Jersey Youth Symphony, we hold our students to the highest standards of musical excellence and artistry because they are capable of extraordinary things. At the same time, our core mission goes beyond performance. We want our students to experience the profound connection between music and life, and to understand the power of music as a force for service, empathy, and community building. Open Rehearsals Week is an open invitation to parents, educators, and students to step inside our rehearsal rooms, feel the joy of our community, and witness the 'serious fun' that happens when young people make music together with purpose, passion, and heart."

NJYS is one of New Jersey's premier youth orchestra programs, serving talented young musicians from across the region through a

comprehensive range of ensembles and educational experiences. Open Rehearsals Week reflects NJYS's commitment to access, education, and artistic excellence.

Attendance is free, but advance registration is encouraged. Registration and additional information available at NJYS.org.
