WEST ESSEX ROBOTERS COMPETE AT STATE TOURNAMENT

Six 5th grade boys from Roseland and North Caldwell competed in multiple First LEGO League (FLL) competitions this fall.

On November 22nd, 2025, they competed at the regional qualifier at Clifton High School, earning 270 points in the robot competition, as well as receiving high marks on the innovation project presentation, which is given to a panel of three judges. Their innovation project was titled "ArchaeBook : A Web Site to Connect Archeologists with Locals".

Their scores earned them a place in the state level competition, which took place on December 13th and 14th at Mount Olive High School in Flanders, NJ. In the state level competition, they did even better, gaining 280 points on their best robot run (out of 3 attempts).

The team is currently preparing two custom demonstrations for the March 28th Makers Day event to be held at the Roseland Free Public Library. They will also take part in the Menlo Park Mashup, a Lego robotics exhibition taking place at Menlo Park Mall on May 16th.
