SHE WAS A 48-YEAR-OLD MOM FROM BERKELEY HEIGHTS... TERRIFIED TO WEAR A LITTLE BLACK DRESS AT HER DAUGHTER'S WEDDING - UNTIL THIS HAPPENED

When guests gathered for a recent summer wedding in town, expectations were clear: a beautiful bride, proud parents, heartfelt speeches, and a lively dance floor.

What no one expected was that one of the most talked-about moments of the night would involve the bride's mother.

As Helen, 48, walked down the aisle in a fitted dress with a tastefully exposed back, heads turned. Conversations paused. By the time the reception was underway, it was clear this mother of the bride had made an impression few would forget.

It wasn't just that she looked great. She looked strong. Defined. Confident. Guests kept asking the same question throughout the night:

What does she do to look like that?

That question is how this story begins.

FROM TIRED, SOFT AND WEAK TO STRONG, LEAN AND CONFIDENT

A few years ago, Helen was not the woman people were buzzing about at a wedding. "I was tired all the time," Helen said. "My back hurt, my knees hurt, and I just felt older than I was.

I was in my late 40s, yes — but I felt like that was my whole identity."

Like many adults in their 40's 50s and 60s, Helen assumed aches, pains, and declining energy were simply the cost of aging. Exercise felt intimidating and confusing. Big gyms felt impersonal. Working out on her own felt unsafe.

"I didn't know what I should be doing, and I was afraid of hurting myself, so I just did nothing," she said.

A friend introduced her to a local personal training gym in Berkeley Heights, and she started with a free trial.

"I was so scared. I didn't walk in thinking I'd change my body," Helen said. "I was just hoping I could finally find a program that was right for me and do something for my health consistently."

THE UNKNOWN WORKOUT PLAN THAT CHANGED THE GAME

What Helen found was not a room full of treadmills and mirrors, but a personalized fitness program led by highly knowledgeable personal trainers who specialize in working with adults ages 40–60.

(above) Helen flexing at one of their infamous 6 AM workouts at Gabriele Fitness

Helen didn't need anything extreme — she needed the right program and the right support.

She started with two days per week. As her energy improved and her pain decreased, she gradually built up to three days per week. Each workout was done in a small-group setting, allowing for personalized coaching without the pressure or cost of one-on-one training.

"The accountability mattered," Helen said. "If I didn't show up, someone noticed. And if something hurt, they adjusted things immediately."

REDEFINING WHAT SOMEONE IN THEIR 40s CAN LOOK AND FEEL LIKE

Over time, the changes added up. Helen lost body fat. She gained muscle. More importantly, she gained confidence.

"I stopped thinking about what I couldn't do... and started thinking about what was next."

Years later, Helen is still a member and has even become a Grandma! She lifts weights people half her age shy away from. She moves pain-free. She keeps up with her grandchildren - and sometimes outpaces them.

So when her daughter's wedding approached, Helen didn't think twice about wearing the dress she loved.

(above) Helen turning every head as the mother of the bride

"I didn't choose it to show off," she laughed. "I chose it because I felt good in my own skin."

The reaction at the wedding told the rest of the story.

A LOCAL SECRET GETS PUBLIC

As word spread, one question kept coming up again and again:

What is the secret workout plan that's making her look that good?

The answer was simple: Gabriele Fitness — a small community personal training gym right in Berkeley Heights.

Helen's transformation didn't come from crash diets or marathon workouts. It came from consistency, expert coaching, and a supportive environment designed for real people — not fitness models.

FEELING BETTER AT 48 THAN SHE DID AT 28

Helen's story may have started with wedding buzz, but it's really about something deeper: what's possible when people stop accepting decline as inevitable.

"I wish I had started sooner because I feel better at 48 than I did at 28," Helen said. "But I'm grateful I started when I did."

A personal and confidential message from Helen to anyone on the fence about getting started.

"Ladies, having a personal trainer changed my life. Without a trainer, I never would have come close to looking and feeling this good. I tried so many times on my own and failed. I know it's hard to get started — I was scared myself. But if you find an amazing gym like I did (Gabriele Fitness), it changes everything.

The funny thing is, on the front door of the gym there's a sign that reads, 'You just did the hard part. We'll take it

from here.' And I truly believe that if you find a place you trust, that genuinely cares about you, and you show up consistently, you'll get into the best shape of your life.

For me, being in great shape has made my entire life so much better. I'm happier, stronger, full of energy... and my workouts are the reason."

For those who see themselves in Helen — those who feel older, weak, tired, stressed, struggling to burn fat, and are secretly starting to believe their best years are behind them — Read This:

Gabriele Fitness has opened 13 spots for local residents to experience their personal training program...FREE for 14 days. The offer expires on April 1st and is available to only 13 people.

P.S. Many people reading this article will be inspired by Helen... yet still feel hesitant to try the program. With anything new, there's always uncertainty — especially with something like a new fitness routine. But if you're not working out right now, or you've been inconsistent (like most people) you've read the exact article you needed to read today because...

Gabriele Fitness has helped thousands of people in this community over the past 18 years. For some, the program has had a life-changing effect, and many members have stayed for nearly two decades.

A large number of them are now in the best shape of their lives (...and 2 decades older) — but they all started in the same place as anyone reading this and considering starting their fitness journey.

If you're still hesitant, visit our website gabrielefitness.com/results for an ocean of success stories from people just like you...who've transformed their lives... and in some cases, the lives of everyone in their family. This is powerful stuff.

WHY GABRIELE FITNESS FOCUSES ONLY ON ADULTS OVER 40

Adults over 40 face a perfect storm of demands that make fitness more critical — and more challenging — than ever before. They're in the prime of their careers, often in leadership roles where the pressure is relentless and the hours are long.

They're raising children or supporting aging parents — sometimes both at the same time. Their stress levels are high, their metabolism is slowing down, and their bodies don't recover like they used to.

Yet this is precisely when they need their health and energy most — to perform at work, to be present for their families, to enjoy the success they've worked so hard to build, and to avoid the chronic diseases that affected their parents' generation.

The cruel irony is that when fitness matters most, it's also when finding time for it feels nearly impossible.

That's why adults over 40 don't need another generic gym membership. They need expert guidance designed specifically for their unique challenges, their busy schedules, and their refusal to accept that their best years are behind them.

NJ FESTIVAL ORCHESTRA TO PERFORM ONE THOUSAND AND ONE NIGHTS

The New Jersey Festival Orchestra brings its season to a close with One Thousand and One Nights, an evening shaped by storytelling, imagination, and the vivid orchestral palette of two beloved works. Performances will take place on Saturday, May 30, at 7:00 pm at The Presbyterian Church in Westfield, and Sunday, May 31, at 2:30 pm at the Sieminski Theater in Basking Ridge.

The program pairs the elegance of Joaquín

Rodrigo with the sweeping narrative of Nikolai Rimsky-Korsakov, inviting audiences into a world where music and myth intertwine. At its center is internationally acclaimed Slovak guitarist Karol Samuelčík, whose appearance is presented in collaboration with the Slovak American Cultural Center.

Samuelčík takes the stage in Rodrigo's *Fantasia para un gentilhombre*, a work that draws from Spanish baroque dances and unfolds

with graceful lyricism and rhythmic vitality. The guitar's voice, at once intimate and radiant, moves fluidly between courtly refinement and expressive brilliance.

A seasoned international performer, Samuelčík has appeared across Europe, Asia, and the Americas, with engagements at venues including London's Purcell Room and Shenzhen Concert Hall. A prizewinner of numerous competitions and a professor at the Academy of Music and Performing Arts in Bratislava, he is equally recognized for his scholarship, including a landmark publication on guitar technique in 2022.

The program culminates in Rimsky-Korsakov's *Scheherazade*, a work long associated with the fantastical tales of *One Thousand and One Nights*. Though the composer ultimately removed explicit programmatic titles, the music retains its narrative spirit; waves swell and recede, melodies shimmer and twist, and the orchestra becomes a storyteller in its own right. Echoes of distant voyages, whispered secrets, and unfolding drama emerge through richly layered textures and luminous orchestration.

Tickets are available at www.njfestivalorchestra.org/concerts or by calling (908) 232-9400.

Student discounts are available to high school and college students.

STUDENTS CELEBRATE 104-YEAR-OLD RESIDENT

(above) The heartwarming meeting between “Grandpa Joe” and McGinn Elementary School students bridged generations.

Photo by Scotch Plains-Fanwood Public Schools

Scotch Plains-Fanwood Public Schools

When 104-year-old Fanwood resident and World War II veteran Joe Schott walked into William J. McGinn Elementary School on February 20th, he stepped into a birthday celebration that connected generations. Introducing himself to students in the hallway as “Grandpa Joe”, Schott was welcomed by hundreds of students whose 100th Day of School festivities coincided with his 104th birthday.

“The 100th Day of School is always a joyful milestone in Scotch Plains-Fanwood Public Schools but celebrating it alongside Mr. Schott’s birthday made it especially meaningful for our entire community,” said Superintendent Dr. Joan Mast. “Moments like this connect generations and help our students understand that they are part of something special here in Scotch Plains-Fanwood.”

In the weeks leading up to the 100th Day of School, students across the district created birthday cards for Schott and learned about his life as part of their social studies curriculum. Classes from all five elementary schools participated.

On Friday, the day after Schott’s birthday, he visited McGinn. Coordinated by Joan Skubish, Town Historian for the Fanwood Historic Preservation Commission, the visit was a heartfelt celebration.

As Schott entered the all-purpose room and took his seat on the stage, students waved, cheered, and smiled as he beamed with gratitude. The entire school proudly sang “Happy Birthday” and listened to Schott talk about life stories. Schott was born in Newark on Feb. 19, 1922 and served in the Navy in WWII as a radio technician at a Naval Operating Station in Northern Ireland. In 1954, he moved to Fanwood, where he raised five children. He

had a long career at Bell Labs.

True to his warm and personable nature, he cracked “grandpa jokes” and took time to ask some students their names, treating every interaction as if he were speaking with one of his own grandchildren.

“I want to thank you very much for all these special cards,” Schott said to the students. “I’m certainly honored to receive this kind of reception; I’m not used to that. And, thank you for these nice cards – it should take me about 2 ½ years to read these, as I understand there are hundreds of cards from all the schools.”

The moment was even more special as Schott’s late wife, Nancy, was the first nurse at McGinn Elementary School.

The day before the celebration, students in Kelly Bhatia’s third-grade class designed birthday cards while listening to a presentation about Schott’s life and service.

“The students were so excited to celebrate someone who has been part of Scotch Plains-Fanwood for so many years,” said Bhatia. “It helped them see that the history we talk about in class is connected to real people right here in our town. As they learned about his life, they started noticing traits like resilience and service, which made it even more meaningful for them.”

Gavin, a third-grade student in her class, reflected on Schott’s lifelong commitment to helping others.

“I think it’s a really awesome and unique capability because he’s helped a lot of people, and he’s always volunteered to do something his whole life,” Gavin said. “It sounds like he’s never sitting on the couch and doing nothing.”

Jordyn, also a third-grade student, said she hopes the cards and celebration made Schott happy.

“I think writing these cards will make him feel even better than he already does,” Jordyn said.

FIDDLER ON THE ROOF COMING IN MAY

The final production of the 107th season at CDC Theatre in Cranford will be the wonderful musical Fiddler On The Roof. The multi-award-winning tale of Tevye the Dairyman and his family's struggles in a changing Russia is a true musical theatre "tradition."

Premiering on Broadway in 1964, it became one of the longest-running shows of its time. Featuring memorable songs like "Tradition," "If I Were A Rich Man" and "Sunrise, Sunset," this beloved work explores the universal human struggles of tradition and change, family love, generational conflict and displacement and migration. Using strong cultural storytelling to blend serious social issues with music and humor, Fiddler on the Roof is a poignant exploration of family, community, and the enduring human spirit in the face of adversity.

Director Emma Taylor Schwartz, a Cranford native, shared "This is my fifth production of Fiddler, and I only love it more and more each time. You could call me a superfan. What a gorgeous show that is both classic and contemporary, with nuance in every scene. It is a non-traditional love story, one that features romantic love, but also love of culture, love of community, love of family and love of identity. I've always resonated with the story and find that anyone of any background can find something to relate to. You don't have to be Jewish to connect with it on a deep level. If you have or had a parent, a child, a family, or a community,

you'll relate to these characters."

Continuing a new program at CDC Theatre, the final performance on May 17th will feature a talented quartet of ASL interpreters. ASL interpreters in theatre do more than translate dialogue; they bring the emotional and artistic essence of a performance to Deaf audiences, making live theatre a truly inclusive experience. While making the performance accessible to Deaf and hearing-impaired audiences they are also performers in their own right, contributing artistically to the performance and we are pleased to welcome them back to CDC Theatre.

The show will run from May 1st through the 17th with 8pm curtains on Fridays and Saturdays and 2pm matinees on Saturday the 9th and Sundays May 10th and 17th.

The company will be led by Larry Brustofski as Tevye and Elle Michaeli as his wife Golde. Their older daughters will be played by Gabrielle Traub (Tzeitel), Katherine Hope Stelma (Hodel), and Nina Randazzo (Chava). Mark Zebro Jr is Lazar Wolf, Bill Geltzeiler, Max Kopla and James Hahn will portray Motel, Perchik and Fyedka. Lori Travers and Rachel Love, Fruma Sarah and Grandma Tzeitel with Gloria Schnure taking the part of Yente.

Visit cdctheatre.org for more details and ticket information. These performances are made possible by funds from the Union County Office of Cultural & Heritage Affairs, a partner of the New Jersey State Council on the Arts.

CALLING LOCAL BUSINESSES TO JOIN WARREN LIONS CLUB EXPO IN JUNE

The tough winter is still around but the beautiful spring will knock it down! Yes, it's that time of the year again, when the Warren Lions Club team picks up speed on EXPO readiness activities, it will be here in less than 3 months. The EXPO is the biggest social and commercial event in town, held every year from 2nd Wed to Sat of June (4 days), at the Warren Township municipal field (46 Mountain Boulevard).

The gathering is a classic CARNIVAL for all ages, family and friends, 6 to 10pm from Wednesday to Saturday. This year's EXPO, in its 58th occurrence, will be hosted from 10th to 13th June, 2026. There will be amusement rides, games of chance, fireworks, food vendors, and an exposition of local businesses and not-for-profits organizations. We will also have a spectacular Fireworks, to celebrate the local community, on Friday, 10pm.

The Lions EXPO attracts more than 10,000 people, over the four days, and has become the premier family & friends' melting pot, in the Warren Township and the neighboring communities.

Our sponsors are NextHome Realty, Goddard School Basking Ridge, Mira Vie, Lightbridge Academy, Atlantic Health, and Warren Hills Orthodontics.

In addition to the daily tickets, the EXPO has the pay-one-price wristbands every night. And don't forget the Giant 50/50 cash raffle with the drawing on Saturday June 13th, resulting in thousands of dollars payout to a single winner. The winner need not be present at the drawing. Tickets will be available for purchase at the Expo, every night, for \$5 each.

LOCAL BUSINESS EXPOSITION

The EXPO is an excellent platform for local businesses to showcase their services and connect directly with customers through the purchase of a \$500 Exclusive Game sponsor sign or a \$150 non-exclusive ride sponsor sign, displayed at the Expo for the 4 days.

"Interacting with potential customers at a high profile community event can greatly boost a company's image and customer base," noted Anthony Franchini, the Warren Lions Club Treasurer. "Community members deeply appreciate those businesses that demonstrate their local support through events like this." said Mark Ramos, the EXPO Chairperson.

We have started accepting applications for tent vendors to sell or promote their businesses to the thousands of people in attendance at the gathering. For information on becoming a tent vendor at the 2026 Warren Lions EXPO, please contact Anthony Franchini at 908-334-9304.

All proceed from the Lions EXPO are donated back to the community organizations and sight and hearing foundations.

SUMMIT AREA OLD GUARD APRIL SPEAKERS PROGRAM

The Summit Area Old Guard is a social, educational, and recreational organization that serves men of retirement age. We meet Tuesdays, 9:30am, at the New Providence Presbyterian Church located at 1307 Springfield Ave – we encourage visitation, and all are welcome. Our motto is “Come for the Programs. In April, we will have four speakers:

APRIL 7 - LINDSAY SCHAMBACH

We begin on the 7th with Lindsay Schambach, the executive director of Imagine. Based in Mountainside and Newark, Imagine is a center dedicated to supporting families and children navigating the complexities of loss. Drawing from her own personal experiences with grief, Lindsay will discuss the organization’s comprehensive programming, which includes local in-person support groups and virtual resources accessible to participants nationwide.

Lindsay brings a deep background in education to her leadership role, having served as a classroom teacher and held various administrative positions within the KIPP charter school network.

APRIL 14 - DR. PAT THOMAS

On April 14th, Dr. Pat Thomas will explore the critical role zoos play in global species preservation. Dr. Thomas retired in 2022 following a distinguished 42-year career with the Wildlife Conservation Society (WCS), where he concluded his tenure as Vice President, General Curator, and Associate Director of the Bronx Zoo. Since joining the Bronx Zoo’s Mammal Department in 1979, he held numerous leadership roles, including Curator of Mammals and eventually General Curator in 2007. His work has taken him across Africa, Asia, and South America to conduct field studies and lead reintroduction programs for species such as the black howler monkey in Belize and the Kihansi spray toad in Tanzania. His research has ranged

from African wild dog rabies vaccinations to non-invasive genetic sampling of apex predators. Most recently, he spearheaded the establishment of a bison breeding group at the Bronx Zoo, partnering with the Osage Nation to return Bronx-born bison to their ancestral lands in Oklahoma. Dr. Thomas has also shared his expertise in academia as an adjunct professor at Columbia University, Fordham University, and Manhattan College.

APRIL 21 - NICK ROSSIELLO

On the 21st, Nick Rossiello will discuss the options available at senior living facilities throughout the northeast. He is currently sales director at Lantern Hill senior living community. Nick’s career with Erickson Senior Living began at Cedar Crest, an Erickson Senior Living community in Pompton Plains, NJ, in 2004, where he worked with residents as a student server in the on-campus restaurants. After graduating from college, he returned to Cedar Crest to work in the resident life department. He then moved to the sales department, quickly advancing through several roles including sales associate and sales counselor and worked with the team to welcome hundreds of new residents to the vibrant community. Last year, he joined Lantern Hill as sales manager and was elevated to Director of Sales soon after.

APRIL 28 - PETER HANNON

Finally, on April 28th, Peter Hannon will present on the mission of DKMS, an international non-profit dedicated to the fight against blood cancer and blood disorders. The organization focuses on increasing public awareness, improving treatment access, and expanding the global registry of potential stem cell donors. Peter joined the DKMS professional team in March 2025, but his connection to the cause began nearly a decade earlier when he became a blood stem cell donor in 2016. That rewarding personal experience inspired him to dedicate his career to the DKMS mission: ensuring that every patient searching for a compatible match receives a second chance at life.

WHAT IS THE SECRET TO LONGEVITY?

Flintlocks BSA, Inc.

Studies show that generous people live longer; and that frequent social interaction is important for longevity. Combine them and what do you get? The Flintlocks! On Thursday, February 19, 2026 they celebrated birthdays of two of their members Joe Schott at 104, and George Van Dyke, 90. Another member who is 95 was too shy. Generosity, social interaction, staying active, and doing some good in the world, help with longevity.

The Flintlocks are volunteers who get together every week to have fun and provide manpower to support Scouting. They are not associated with firearms. The name comes from an old device which is still useful, implying that they are old guys who are still useful. They maintain 3 scout camps and two scout shops, have built new buildings, repair older ones, and provide volunteer manpower for scouting activities. By keeping the camps in good shape, it enables the youth to have good experiences with outdoor activities.

The Flintlocks celebrated their 38th year anniversary of service this year. They provide approximately 6,000 hours of volunteer skilled labor at the camps and council activities every year. The Flintlocks BSA, Inc. is a 501c3 consisting of 28 retired scouters who support the Patriot's Path Council (PPC) of Scouting America, (formerly Boy Scouts of America). The PPC serves 11,800 scouts in over 300 scouting

units in five counties of northern New Jersey.

The Boy Scouts of America changed their name to Scouting America to reflect the fact that they opened membership to all youth in 2019. There are over 176,000 females in the program, and 8,000 young women have achieved the rank of Eagle Scout to date. The purpose of including girls was to include entire families in the program. The Scouting program focuses on developing good citizens, ethical conduct, learning useful skills and hobbies, exploring careers, and making lifelong friends. The website for the Patriots' Path Council is ppcbsa.org.

Cub Scouts consist of all girl Packs or all boy Packs which include children in kindergarten through 5th grade. Scouts consist of all girl Troops or all boy Troops from 5th grade through age 18. Three additional programs are coed, and go from age 14 up to age 21: Sea Scouts – which focus on learning to run ships; Explorers- which focus on specific careers; and Venture Crew - which go on high adventure trips. To find a scout unit near you, go to the website beascout.org.

The Flintlocks meet every Thursday from 8 a.m. to 2 p.m. at Camp Winnebago, 102 Timberbrook Road, Rockaway, NJ. Guests are always welcome.

Their Facebook page show photos of their activities. Google "Flintlocks88". If interested, contact Secretary Dr. Michael Hart drmhart@yahoo.com.

A DIFFERENT APPROACH TO STRENGTH TRAINING.

THINK MOVEMENTS, NOT MUSCLES.

Preserving your muscle mass and strength is crucial if you want to enjoy an active life. It's what allows you to go skiing with the kids, travel with your spouse, and join the family hike without hesitating or having to worry about your pesky (insert troubled body part here).

Unfortunately for us humans, muscle mass starts to plummet after age 30. You can lose 4-6lbs of muscle tissue every decade if you aren't building strength training into your fitness routine.

That's a Christmas ham's-worth of muscle, gone by the time you're 40. And a family-sized Thanksgiving turkey of muscle that has vanished by your 60th birthday.

Muscle loss is inevitable, UNLESS you're doing something to prevent it. This is where strength training comes in.

With over 600 muscles in the body, it would be impossible to come up with an exercise routine that worked each of them individually. So instead of thinking "what muscles should I be working?" think more along the lines of "what movements should I be working?"

To maintain strength throughout your whole body, you should be addressing these 5 movements in every workout- Squatting, hinging (bending at the hips), upper body pushing, upper body pulling, and core.

Squatting: working on your squat will make it easier for you to sit down on the toilet, get up off the couch, and take a knee to talk to your grandkids. Squatting works the muscles in your feet, shins, knees, thighs and hips, as well as requiring a strong core. Work on full depth squatting or lunging so you can keep your mobility and work dozens of muscles at the same time. Examples: bodyweight squats, lunges, side lunges, single leg squats.

Hinging: hinging primarily works your bum and back of your legs. Keeping strength in this area will make it easy to push the lawnmower, hike uphill, pick up boxes in the basement and climb stairs like

a champ. Examples: deadlifts, glute bridges, hamstring curls.

Upper body pushing: using your upper body to push something away (or push yourself away from something) requires dozens of muscles in your arms and shoulders and also calls for a strong core. Ask anyone who has struggled to get their suitcase in the overhead compartment of a plane, upper body strength disappears fast if you aren't working on it. Examples: push ups, overhead presses, medicine ball chest passes.

Upper body pulling: this is the most challenging movement to work on outside of a gym setting, and it's probably the one we need most to improve posture and back/shoulder health. Pulling works the muscles in the arms and back, will help you avoid shoulder pain, and may even make you look taller to your friends (because of your improved posture).

Examples: rows, chin ups/chin up variations, vertical hang.

Core: a strong core is the foundation of creating strong movements. All strong movements go through a strong, stable core. If your core is weak, all other movements will be weak as well. Like they say, "you can't shoot a cannon from a canoe." Maintaining core strength means you'll have better spine health, less back pain, and the potential to improve strength across your entire body. Examples: planks, side planks, suitcase carries.

Check these 5 boxes with every workout and you'll be well on your way to keeping your muscle mass, maintaining your freedom, and being the happiest, healthiest, most active version of yourself.

If you want to incorporate more strength training into your routine, but you aren't sure how to do it, scan the QR code and you'll receive a FREE:
