'ECHOES OF LIBERTY' CONCERT CELEBRATES ANNIVERSARIES

Hear ye! Hear ye! There's a celebration coming to town.

History will come to life when the Hanover Wind Symphony (HWS) helps Hanover Township observe the 350th anniversary of Whippany's founding--along with the nation's 250th anniversary--with a rousing free concert at Memorial Junior School (MJS), 61 Highland Ave., in Whippany. The concert will be held on Sunday, June 14 (fittingly, Flag Day), at 3 p.m.

The musical festivities, titled "Echoes of Liberty: Celebrating Whippany's 350th and USA's 250th Anniversaries," are sponsored by the Hanover Township Cultural Arts Committee, the Hanover Township Landmark Commission, the Hanover Heritage Association, and the Hanover Township Economic Development Advisory Committee.

Speaking about the "Echoes of Liberty" concert, James R. Onorevole, Hanover Township assistant business administrator, says, "This concert celebrates the confluence of remarkable anniversaries for our nation and our community. It's fitting, then, that it was made possible by a confluence of dedicated volunteers, musical artists, community organizations, local businesses, and the township administration. This event will truly showcase our community, both past and present."

Weaving in themes highlighting key moments in the township's history and these two major historical milestones, music and narration will focus on the area's significant heritage. As the original home of the Lenape Indians, Whippany was rich in iron ore and had an iron forge in Colonial times. A local blacksmith named Aaron Kitchel was an original settler, and some of his descendants are still living in the area. The Lenape Indians also mined the ore to make arrowheads.

The Continental Army, led by General George Washington, were encamped at Jockey Hollow in Morristown twice, and local women helped care for the soldiers, including knitting much-needed socks for them. General Rochambeau, a French military officer who fought with the patriots during the Revolutionary War, also visited the Morristown/Whippany area.

Elaine Schlatter, the HWS historian, wrote the narration for the concert, serves as the HWS concert manager for this concert, and is the liaison to the concert sponsors. She points out, "Preparing for this concert has turned into a labor of love. Growing up in Whippany, it's been a trip down memory lane for me, going through the town archives of programs my mother, Terry Schlatter, worked on, going back to the 1970s. I feel like I am continuing her work."

The narrator, introducing each musical piece, will be Justin Toomey, an HWS trombonist and superintendent of the Hanover Township public schools.

Adds Matthew Paterno, HWS music director, "The Hanover Wind Symphony is proud to be collaborating with the four sponsors of this terrific event. It's exciting to celebrate the 350th anniversary of our town and the 250th anniversary of America."

Blanche Lopez, concert co-chair with Jane Schrader, notes, "Our town's 350th anniversary reminds us that the true legacy of a community is written by its people--past, present, and those still to come. I am proud as a longtime resident to call Whippany my hometown."

(above) The Hanover Wind Symphony will be a part of a free concert at Memorial Junior School, 61 Highland Ave., in Whippany, on Sunday, June 14 (fittingly, Flag Day), at 3 p.m.

Schrader adds, "Celebrating the 350th anniversary of Hanover Township's history--the past, present, and to inspire the next generation--it's an honor to present community events like this one. The essence of the history of Hanover Township is a template to be very proud of."

THE PROGRAM FOR THE EVENT WILL INCLUDE:

- Posting of the colors by the Scouts of America Troop #155, Scouts of America Pack #40, and the Girl Scouts of Hanover Township.
- Welcome and introduction by the town crier, Douglas Gabel, in uniform.
- The National Anthem.
- The Hanover Wind Symphony will perform.

Toward the end of the concert, Scouts will recognize soldiers who fought in both the Revolutionary and Civil Wars, reading quotes from veterans and the first verse of "I Vow to Thee My Country" by Gustav Holst, as HWS plays the song in the background. Then Scouts will announce the names of fallen Revolutionary War and Civil War soldiers interred in the Whippany Burying Yard.

HWS will play "Salute to the Armed Forces" by Jari Villanueva and "God Bless America" by Irving Berlin to wrap up the inspiring and patriotic concert.

C.A.R. PROJECT SUPPORTS EQUINE THERAPY FOR VETS

Submitted by Holly Dunbar

The Children of the American Revolution (C.A.R.) is the nation's oldest and largest nonpolitical patriotic youth organization. A new C.A.R. state project that will aid veterans has been announced. The goal of "Operation Horse" is to raise \$2,000 during the next year to fund equine-assisted therapy for two N.J. veterans

(above) The Man o' War Project has helped to develop a standardized protocol for delivering equine-assisted therapy to treat PTSD.

with Post Traumatic Stress Disorder (PTSD). The therapy is offered through the Man o' War Project of Columbia University Irving Medical Center.

The mission of the Man o' War Project is two-fold. Equine-assisted therapy is used to treat veterans with PTSD while medical staff evaluate the program to develop best practices for administering equine-assisted therapy. This research can have far-reaching benefits for treating veterans and all who suffer with PTSD.

C.A.R. membership is open to girls and boys from birth through age 21 who are descended from a person who aided the cause of independence during the American Revolution.

New Jersey has nine C.A.R. groups known as societies. Activities offered on an age-appropriate basis help members learn about American history, government, community service and more. Members also gain valuable leadership experience conducting meetings and serving as delegates at state and national conferences.

Pis-Cat-A-Qua Society C.A.R., hosted by the Elizabeth Snyder-Continental Chapter of the Daughters of the American Revolution in Green Brook, is seeking new members. For more information,

TEACHER OF THE YEAR MRS. BETH MOLINARO

Whippany Park High School

Whippany Park High School is proud to announce our 2026-2027 Teacher of the Year is Mrs. Beth Molinaro.

This award recognizes educators who go above and beyond, fostering a love of learning and building self-worth in every student they meet. Mrs. Molinaro doesn't just meet that standard—she sets it.

Why she's our 2026-2027 Honoree:

A Powerhouse of Positivity: Whether in the classroom, on the field coaching the Unified Team, or leading EmpowHer, she is a champion of inclusivity.

An Innovative Leader: Known as the "heart of the 100-wing," she isn't afraid to take instructional risks and encourages her colleagues to do the same.

A True Advocate: As one student beautifully put it: "She has cheered for me so loudly that I didn't notice who wasn't cheering for me."

Beyond her "never satisfied with good enough" approach to academics, Mrs. Molinaro is the engine behind the Sunshine Club and the sense of family we feel here at WP. She ensures every single student feels seen, supported, and "able."

Please join us in congratulating a fierce advocate, a role model, and a truly superior educator.

Congratulations, Mrs. Molinaro! Thank you for everything you do for our school community.

MOUNT VERNON SCHOOL RESTORATION COMPLETED

County of Morris

Restoration of the historic Mount Vernon School, also known as the Red Brick Schoolhouse Museum in Chatham Township, has been completed following several years of preservation work supported by more than \$305,000 through the Morris County Historic Preservation Trust Fund.

Morris County Commissioner Director Stephen Shaw recently visited the circa 1860 landmark to present a Morris County Historic Preservation plaque to Chatham Township Mayor Jen Rowland and the Chatham Township Historical Society in recognition of the successful restoration project. The visit followed Morris County's annual Pathways of History weekend on May 2 and 3, when the museum welcomed visitors from across the region.

"Preserving our history is always a priority in Morris County, and this year it carries even greater significance as we celebrate America's 250th anniversary," said Director Shaw. "The Mount Vernon School is a wonderful example of the historic places we are proud to protect for future generations."

Originally constructed around 1860, the building later received a vestibule addition around 1900 and a rear addition in 1958. It served as a local school and Sunday school until 1928 before later housing community organizations and Chatham Township Hall. The building was eventually repurposed as a local history museum.

Since 2019, \$305,450 in Morris County historic preservation grants have supported a National Register nomination, a preservation plan, construction documents and extensive exterior restoration work.

The 2022 and 2023 grants supported repairs to deteriorated brick and mortar, reconstruction of the northwest vestibule corner, restoration of stone window lintels and sills, and installation of interior storm windows to help preserve the building.

"We're so grateful for all the support and all the funding. The Red Brick Schoolhouse is a beloved

site in town -- not only because it holds so much history for us and our residents -- but it is the destination for field trips for our students. This is a field trip that they remember and they continue to come back with their grandparents and parents," said Mayor Rowland.

"Morris County has been with us since the beginning of the process. From the preservation plan and National Register nomination to the construction documents and restoration work, we could not have completed this project without the county's support," said Martha Wells, president

of the Chatham Township Historical Society.

Since 2003, the Board of County Commissioners have approved more than \$56 million in Morris County Historic Preservation Trust Fund grants to help preserve and restore 136 historic sites across the county.

As part of the county's commemoration of America's 250th anniversary, the Chatham Township Historical Society (CTHS) also featured the RevolutionNJ "Revolutionary Lives" exhibit during Pathways of History weekend.

THE WOMEN OF 1776 CELEBRATED AT LUNCHEON

Thursday Morning Club

The Hanover Manor in East Hanover, NJ was a sea of red white and blue as the Thursday Morning Club (TMC) celebrated the women of 1776 at their annual luncheon to benefit the Madison Community House. This year's luncheon honored our country's 250th birthday. The event was organized by Barbara Small and Anna Palladino backed up by a large committee. There were numerous benefactors, sponsors and patrons that help make this event possible every year.

Patricia Sanftner, curator of the Schuyler-Hamilton House in Morristown and an expert in Colonial era clothing spoke and modeled Colonial era clothing along with other models from the Thursday Morning Club. She pointed out the complexities and amusements of Colonial attire during the 1776 Fashion Show. In addition a 'Betsy Prize' was awarded to the person attending the event dressed in their most festive red, white and blue outfit. Peggy Oakes was awarded the Betsy Prize.

The Thursday Morning Club, organized in

1896, is a non-profit which provides services for Madison area communities. It owns, operates, and maintains the Madison Community House and is a member of the New Jersey State Federation of Women's clubs (NJSFWC) and of the General Federation of Women's Clubs (GFWC). If you would like to serve the community, make new friends, and enjoy programs and activities, consider joining the Thursday morning Club; for more information, call the community House at 973-377-0244 or visit TCMCH.org.

**ROOF REPLACEMENT
ALTERNATIVE
THAT WILL SAVE
YOU THOUSANDS!**

Dear Neighbor,

If your roof is over 10 years old, it could be aging faster than you think — even if it still looks fine from the ground. Sun exposure, wind, and seasonal temperature changes can slowly dry out asphalt shingles over time, causing them to become brittle and more vulnerable to cracking, granule loss, and leaks.

That's where Roof Maxx® comes in. Roof Maxx is a proven, plant-based roof rejuvenation treatment that restores the oils your shingles lose as they age — helping them stay flexible, durable, and protected through the years.

Roof Maxx can help your roof:

- Restore flexibility to brittle, aging shingles
- Reduce cracking and granule loss caused by winter freeze-thaw cycles
- Extend roof life up to 15 years
- Cost up to 75% less than a full roof replacement
- Be treated in just a few hours with no mess or disruption

MILLBURN CHAMBER PREPS FOR PRESIDENT'S CUP 5K - JUNE 22

The Millburn-Short Hills Chamber of Commerce is excited to announce the return of the Presidents Cup 5K on Monday, June 22, one of the community's most anticipated annual events.

The Presidents Cup 5K brings together runners, families, local businesses, sponsors, volunteers, and community supporters for an energetic evening in downtown Millburn centered around wellness, community spirit, and local engagement. The event has become a long-standing tradition that showcases the vibrant spirit of the Millburn-Short Hills community.

The Chamber is proud to recognize RWJBarnabas Health as the event's Presenting Sponsor. Their leadership and commitment to supporting community wellness and engagement continue to play an important role in the event's success.

Additional sponsorship opportunities remain available for businesses seeking visibility and community exposure through one of the area's most prominent local events. Sponsorship benefits may include logo placement on race t-shirts, signage throughout the event, recognition on the registration landing page, and event-day acknowledgments.

The Chamber is also currently seeking volunteers to assist with race-day activities, including registration support, water stations, course support, and general event operations. Volunteers play an important role in helping create a positive experience for participants and attendees.

"The Presidents Cup 5K is more than a race. It is an opportunity for the community to come together, support local businesses, encourage wellness, and celebrate everything that makes Millburn-Short Hills special," said Angela Kubisky, Executive Director of the Millburn-Short Hills Chamber of Commerce.

Businesses interested in sponsorship opportunities, individuals interested in volunteering, or community members seeking more information are encouraged to contact:

MORRIS COUNTY HONORS NATIONAL POLICE WEEK 2026

County of Morris

National Police Week is observed this year from May 10 through May 16, with Peace Officers Memorial Day commemorated on May 15. The observance dates to 1962, when President John F. Kennedy designated May 15 as a national day of remembrance for law enforcement officers killed in the line of duty and the week in which it falls as “National Police Week.”

This week also marked the 30th anniversary of the Police Unity Tour, founded in 1997 in Florham Park by Police Officer Patrick Montuore. What began as an 18-member bicycle ride from New Jersey to the National Law Enforcement Officers Memorial in Washington, D.C., has grown into a nationwide movement with thousands of participants who honor fallen officers and support their families.

“In July 1975, two Florham Park police officers, Detective Frank Dailey and Patrolman Robert Hauptman, were killed in the line of duty when their plane crashed during a marijuana interdiction operation. It was a tragedy that deeply impacted Morris County,” said Sheriff Gannon. “Twenty-two years later, Pat Montuore

began the Police Unity Tour ride to Washington, D.C. I’ve had the opportunity to participate, and there is tremendous camaraderie throughout the journey. When riders arrive at the National Law Enforcement Officers Memorial, there is a great deal of emotion, and the experience is meaningful for both survivors and fellow law enforcement officers.”

“Our police officers are dedicated to protecting our communities from criminals intending to commit crimes and victimize our citizens. We all need to pay them sincere respect and support their efforts, as they literally accept all risks and facedown those subjects with intent to harm. Tragically, some pay the ultimate price for their provided protection,” said Prosecutor Carroll. “We want our law enforcement officers and all those currently serving to know we are here to support them, and request that our citizens to say ‘thank you’.”

Thirty law enforcement officers are among the 43 police officers, firefighters and emergency responders memorialized on the 200 Club of Morris County monument at the Morris County Public Safety Training Academy.

Brian Ford, and Retiree, and long-time F.P. resident, Andy O’Connor (ride marshal). Great job to all, and never forget the fallen! At The Police Unity Tour - “We Ride For Those Who Died”
