SCHOOL NO. 1 HELPS TO MAKE LINDEN BRIGHTER & GREENER

Linden Public Schools

The future of Linden is looking brighter and greener! In honor of Arbor Day, the students and staff of School No. 1 came together for a hands-on tree planting ceremony dedicated to the health and beauty of our community. This event showcases Linden's long-term commitment to sustainability. Working side-by-side with the next generation, Mayor Derek Armstead helped plant new trees

that will provide shade, clean air, and a natural legacy for our city for decades to come. By investing in our environment today, we are ensuring a vibrant, sustainable Linden for tomorrow. Every tree planted at our schools is a step toward a cooler, healthier, and more beautiful Linden. This Arbor Day isn't just about one day of planting, it's about cultivating a mindset of growth and responsibility in our future leaders.

CAMINO DE ST. JOSEPH WINDS ITS WAY TO ELIZABETH

St. Joseph Social Service Center proudly hosted its inaugural Camino de St. Joseph on Saturday, April 18, 2026, drawing over 160 participants from across Union County and beyond in a powerful show of unity, faith, and support for our neighbors.

Held on the 40th anniversary of the soup kitchen program, the event offered participants a meaningful opportunity to walk in solidarity while raising awareness of the Center's mission. St. Joseph Social Service Center brings people and communities together to serve our neighbors by providing food, health programs, and support services with love, dignity, and compassion.

The day began with a 9 a.m. Mass at the Parish Community of St. Helen in Westfield, NJ, where participants gathered in reflection and fellowship before embarking on the journey. St. Helen's parishioners cooked and served the first soup kitchen meals on April 19, 1986. A meal has been served every Saturday since then.

Following Mass, attendees walked 3 miles to St. John the Apostle Church in Linden, where 4 generations of the Ruggieri family have coordinated the soup kitchen ministry.

After a brief rest, the group walked 3 miles to Warinanco Park in Roselle, and then 3 miles to St. Joseph's in Elizabeth. Additional participants joined at St. John's and Warinanco Park.

Volunteers from the many parishes that help with the soup kitchen and sandwich programs warmly welcomed the walkers and offered

snacks, water, rest and hospitality. The event concluded with a community lunch at St. Joseph's and a celebration of accomplishment and shared purpose among all who participated.

Police from Westfield, Clark, Linden, Roselle, Elizabeth, and the County of Union ensured the safety of participants along the route. Motorcycle and support police from the cities of Linden and Elizabeth provided a secure and well-coordinated escort throughout the day.

The success of the Camino de St. Joseph was made possible through the Camino planning committee. Chaired by Brendan Maher of Westfield, the committee included volunteers from many church partners, along with St. Joseph's staff. Volunteers from the following helped with planning and throughout the day: Holy Trinity and St. Helen's (Westfield), St. John's (Linden), Holy Spirit (Union), St. Agnes (Clark), Church of the Assumption (Roselle Park), St. Michael's (Cranford), Church of the Little Flower (Berkeley Heights), and Immaculate Conception (Elizabeth). County Commissioner Chairman Joseph Bodek joined the opening mass, and Commissioners Lourdes Leon and Joseph Bodek presented a resolution at the lunch.

"This event reflects the strength and compassion of our community," said Bernadette Murphy, Executive Director of St. Joseph's. "Together, we walked not only in faith, but in solidarity with those we serve every day. We are

grateful to all who prayed, walked, volunteered, and donated food and funds."

St. Joseph Social Service Center extends its deepest gratitude to all who participated and supported this inaugural Camino. If you would like to make a donation to the 40th anniversary appeal, please visit sjeliz.org/donate.

For more information about St. Joseph Social Service Center and future events, please contact Mary Phillips at mphillips@sjeliz.org or visit our website at sjeliz.org.

SAY GOODBYE TO KNEE & JOINT PAIN WITHOUT RADIATION

Introducing RADIATION FREE KNEE INJECTIONS Under Ultrasound Guidance

Do You Experience:

- Joint pain or tenderness?
- Joint stiffness after a period of inactivity or when you first wake up?
- Loss of flexibility?
- Grating sensation when you move?

Why Do You Need It?

- You have knee pain that's so bad it interferes with everyday life.
- You have tried nonsurgical treatments for several weeks or months and your symptoms have not improved.

Benefits of Viscosupplementation

- No pain from the injection
- No recovery time
- Quick results
- No radiation

If you answered "yes" to any of these questions, there's good news: NORTHEAST SPINE AND SPORTS MEDICINE can offer the relief you need to save a life free of knee pain.

Ask us about Viscosupplementation

Viscosupplementation is a non-invasive, FDA-approved treatment proven effective for Osteoarthritis and other types of pain.

Viscosupplementation is a procedure in which a gel-like fluid called hyaluronic acid is injected into the knee joint. Hyaluronic acid is a naturally occurring substance found in joint fluid, acting as a lubricant to enable smooth bone movement and absorb shock when needed; Because people with osteoarthritis have a lower than normal concentration of hyaluronic acid in their joints, viscosupplementation is an excellent therapeutic option for these individuals.

Viscosupplementation is a high-tech answer for all those who think that surgery, dietary supplements, and prescription medication are the only options for eliminating knee pain. In fact, this new treatment enables most people to get back to enjoying everyday activities in a matter of weeks. Treatment is covered by most major health insurance plans, including Medicare.

SPECIAL EDUCATION PROGRAM RECEIVES STATE RECOGNITION

Linden Public Schools

Linden Public Schools is celebrating statewide recognition for School No. 2's Sensory Night, which earned the 2026 Innovations in Special Education Award. Presented by the New Jersey School Boards Association and the New Jersey Association of Special Education Partner Schools, the award recognizes innovative, student-centered programs supporting students with disabilities. Sensory Night was one of only three programs selected statewide from 17 submissions and will also be honored during the June 2026 meeting of the New Jersey State Special Education Advisory Council.

Sensory Night is a sensory-friendly event designed for students with disabilities, especially those with autism and sensory sensitivities, offering hands-on activities and movement-based experiences in a supportive environment. Superintendent Dr. Atiya Y. Perkins said the recognition reflects the district's commitment to inclusive programming and praised the educators and staff who make the event possible. The program is led by Jamie Pierson, Special Education Teacher – Autism at School No. 2, who has spent seven years growing the event into a signature experience for students and families. "This night gives them the opportunity to move, interact, and just be themselves in a space designed for them," Pierson said.

Held April 22, this year's event welcomed 45 students and about 130 attendees. The school featured sensory activities including kinetic sand, magnetic tiles, trampolines, ball pits, therapy dogs, a Build-A-Bear. "heart ceremony," and local vendor PAGS Mini Pancakes. One student described the event as "a neurodivergent universe," a comment Pierson said perfectly captured the program's goal. Director of Special Education Christopher Kolibas called Sensory Night "a powerful example" of inclusive, student-centered programming and praised the School No. 2 team for its dedication to students and families.

INTRO TO ARTIFICIAL INTELLIGENCE - JUNE 23

The Linden Public Library is proud to sponsor an important lecture on An Introduction to Artificial Intelligence. The speaker will be Gladian Rivera, the founder and CEO of Obsidian Rising, LLC, in Rahway. The lecture will be held on Tuesday, June 23rd at 7:00 p.m. in the Columbia Bank Room at the library. This free talk is open to the public and all are invited to attend.

In this informative session, Rivera will guide attendees through an introduction to artificial intelligence. She will cover the real-world benefits of AI and its risks. Additionally, she will outline the potential for growth which AI can unlock in our personal, social and work settings as well as consider how it is actively reshaping

American society as a whole. A published author and frequent speaker, Rivera brings over two decades of experience navigating complex institutional environments. As a consultant, she works with businesses providing strategic operations and AI consulting.

Located at 31 East Henry Street, the Linden Public Library has been at the center of the city's social, cultural, artistic and educational life since it was founded in 1928. I

f you have any questions about this event or other library programs, call the library at 908-298-3830. Please check out the library's Facebook page or web site at lindenlibrary-nj.gov.

ORCHESTRA PRESENTS ONE THOUSAND AND ONE NIGHTS CONCERT

NJFO NEW JERSEY FESTIVAL ORCHESTRA

ONE THOUSAND AND ONE NIGHTS

SAT, May 30 | 7:00 PM
The Presbyterian Church
Westfield

SUN, May 31 | 2:30 PM
Sieminski Theater
Basking Ridge

(908) 232-9400 | www.NJFestivalOrchestra.org

The New Jersey Festival Orchestra closes its season with One Thousand and One Nights, an evening inspired by the legendary Arabian tales that gave rise to Rimsky-Korsakov's beloved orchestral masterpiece Scheherazade. Presented in collaboration with the Slovak-American Cultural Center (S-ACC), the program blends storytelling, international artistry, and symphonic color in performances on Saturday, May 30 at 7:00 pm at The Presbyterian Church in Westfield and Sunday, May 31 at 2:30 pm at the Sieminski Theater in Basking Ridge.

At the center of the program is Scheherazade, Rimsky-Korsakov's vivid musical interpretation of the timeless stories told by Scheherazade night after night to save her life. Sweeping melodies, shimmering orchestration, and dramatic contrasts immerse audiences in a world of myth and imagination, bringing the spirit of the legendary tales vividly to life.

"It is music that represents the rolling sea, the drama of adventure, and the allure of exotic romance," says NJFO Music Director David Wroe, describing the work as "an irresistible musical combination" that transports listeners into the world of One Thousand and One Nights.

The evening also features internationally

acclaimed Slovak guitarist Karol Samuelčík performing Joaquín Rodrigo's *Fantasia para un gentilhombre*. Presented through NJFO's collaboration with the Slovak-American Cultural Center, Samuelčík brings warmth and virtuosity to Rodrigo's celebrated work inspired by 17th-century Spanish music and dance traditions.

"The Slovak-American Cultural Center is thrilled to partner—again—with the NJFO to introduce world-renowned guitarist Karol Samuelčík to American audiences," writes S-ACC Board Member and longtime NJFO supporter Tanya Pulver. "Performing Joaquín Rodrigo's celebrated *Fantasia para un gentilhombre*, Samuelčík promises to enchant listeners, pairing the concerto's historic elegance with his signature vibrant energy and technical brilliance."

"What I love about the piece is its elegance, colour, and contrast," Samuelčík says. "The guitar creates a dialogue with the orchestra."

Together, these works create an evening shaped by imagination and storytelling, where music becomes the narrator and the orchestra brings centuries-old legends to life.

Tickets are available at www.njfestivalorchestra.org/concerts or by calling (908) 232-9400. Discounts are available to highschool and college students.

AUTISM AWARENESS T-SHIRTS

City of Linden

My name is Donavin. I've called Linden home my entire life, following in the footsteps of my grandparents who moved here forty years ago to build a life at General Motors. My journey began in 2004 with early medical complications that led to my diagnosis of autism. Although I did not speak for the first eight years of my life, the unwavering support of my family and speech therapists helped me find my voice. During those quiet years, I discovered a love for drawing—a passion I still enjoy sharing with my family.

After graduating from high school and completing several programs that assisted with my transition to adulthood, I have found great joy in my community and my part-time job. I was recently surprised and deeply honored when the

Linden Fire Department asked me to design their official autism awareness t-shirt. My family and I would like to thank Mayor Derek Armstead, Chief William Hasko, and Linden's FMBA for this incredible opportunity. Special thanks to Captain Michael Cassidy and Firefighter Danny Diaz for teaching me how the fire trucks operate and for letting me try on the heavy firefighter gear.

"Since I express myself through drawing, being on the spectrum means that I learn at my own pace. While I sometimes struggle with comprehension, I always strive to connect with others. We are capable, intelligent people, and like everyone else, we simply want to be accepted for who we truly are." — Donavin Garcia

PUBLIC SAFETY TELECOMMUNICATORS WEEK

City of Linden

In celebration of National Public Safety Telecommunicators Week, the City of Linden took a moment to honor the frontline heroes of emergency communication, our dedicated dispatchers.

The city also celebrated the distinct honor of recognizing five remarkable individuals who have reached a milestone few achieve. 30 years of service is a testament to character, resilience,

and a deep love for one's community.

A massive thank you to:

- Chief William M. Hasko
- Deputy Chief Kevin M. Brady
- Glenn C. Curtin
- Jessica L. Sheehy
- City Clerk Joe Bodek.

You are an integral part of our history and our future. On behalf of the City of Linden congratulations on this incredible milestone!
