## CHAMBER PREPS FOR PRESIDENT'S CUP 5K - JUNE 22

The Millburn-Short Hills Chamber of Commerce is excited to announce the return of the Presidents Cup 5K on Monday, June 22, one of the community's most anticipated annual events.

The Presidents Cup 5K brings together runners, families, local businesses, sponsors, volunteers, and community supporters for an energetic evening in downtown Millburn centered around wellness, community spirit, and local engagement. The event has become a long-standing tradition that showcases the vibrant spirit of the Millburn-Short Hills community.

The Chamber is proud to recognize RWJBarnabas Health as the event's Presenting Sponsor. Their leadership and commitment to supporting community wellness and engagement continue to play an important role in the event's success.

Additional sponsorship opportunities remain available for businesses seeking visibility and community exposure through one of the area's most prominent local events. Sponsorship benefits may include logo placement on race t-shirts, signage throughout the event, recognition on the registration landing page, and event-day acknowledgments.

The Chamber is also currently seeking volunteers to assist with race-day activities, including registration support, water stations, course support, and general event operations. Volunteers play an important role in helping create a positive experience for participants and attendees.

"The Presidents Cup 5K is more than a race.

It is an opportunity for the community to come together, support local businesses, encourage wellness, and celebrate everything that makes Millburn-Short Hills special," said Angela Kubisky, Executive Director of the Millburn-Short Hills Chamber of Commerce.

Businesses interested in sponsorship opportunities, individuals interested in volunteering, or community members seeking more information are encouraged to contact:

# ORCHESTRA PRESENTS ONE THOUSAND AND ONE NIGHTS CONCERT

**NJFO NEW JERSEY FESTIVAL ORCHESTRA**

## ONE THOUSAND AND ONE NIGHTS

**SAT, May 30 | 7:00 PM**  
The Presbyterian Church  
Westfield

**SUN, May 31 | 2:30 PM**  
Sieminski Theater  
Basking Ridge

(908) 232-9400 | [www.NJFestivalOrchestra.org](http://www.NJFestivalOrchestra.org)

The New Jersey Festival Orchestra closes its season with *One Thousand and One Nights*, an evening inspired by the legendary Arabian tales that gave rise to Rimsky-Korsakov's beloved orchestral masterpiece *Scheherazade*. Presented in collaboration with the Slovak-American Cultural Center (S-ACC), the program blends storytelling, international artistry, and symphonic color in performances on Saturday, May 30 at 7:00 pm at The Presbyterian Church in Westfield and Sunday, May 31 at 2:30 pm at the Sieminski Theater in Basking Ridge.

At the center of the program is *Scheherazade*, Rimsky-Korsakov's vivid musical interpretation of the timeless stories told by Scheherazade night after night to save her life. Sweeping melodies, shimmering orchestration, and dramatic contrasts immerse audiences in a world of myth and imagination, bringing the spirit of the legendary tales vividly to life.

"It is music that represents the rolling sea, the drama of adventure, and the allure of exotic romance," says NJFO Music Director David Wroe, describing the work as "an irresistible musical combination" that transports listeners into the world of *One Thousand and One Nights*.

The evening also features internationally

acclaimed Slovak guitarist Karol Samuelčík performing Joaquín Rodrigo's *Fantasia para un gentilhombre*. Presented through NJFO's collaboration with the Slovak-American Cultural Center, Samuelčík brings warmth and virtuosity to Rodrigo's celebrated work inspired by 17th-century Spanish music and dance traditions.

"The Slovak-American Cultural Center is thrilled to partner—again—with the NJFO to introduce world-renowned guitarist Karol Samuelčík to American audiences," writes S-ACC Board Member and longtime NJFO supporter Tanya Pulver. "Performing Joaquín Rodrigo's celebrated *Fantasia para un gentilhombre*, Samuelčík promises to enchant listeners, pairing the concerto's historic elegance with his signature vibrant energy and technical brilliance."

"What I love about the piece is its elegance, colour, and contrast," Samuelčík says. "The guitar creates a dialogue with the orchestra."

Together, these works create an evening shaped by imagination and storytelling, where music becomes the narrator and the orchestra brings centuries-old legends to life.

Tickets are available at [www.njfestivalorchestra.org/concerts](http://www.njfestivalorchestra.org/concerts) or by calling (908) 232-9400. Discounts are available to highschool and college students.

## EYES UP, PHONES DOWN, WATER SAFETY

By Emilie C. Whitley, EMT, Millburn  
Short Hills Volunteer First Aid Squad

I'm ashamed to admit I know firsthand what it feels like to have a child nearly drown under what should have been my total supervision. When I realized the silent veil of hair floating on the surface belonged to my 2-year-old daughter, a primal energy quite literally propelled me across the water to her rescue. In a moment where everyone believed someone else was watching, she slipped quietly into the water.

Lack of supervision is the leading cause of drowning. Kids often slip away to unsupervised pools during non-swim times. A glance at a phone or a gate left ajar is all it takes. Drownings are usually silent. Teens and young adults are also at risk—alcohol, risky behavior, diving into shallow water, unfamiliar environments, and nighttime swimming are all recipes for disaster.

It's hot, pools and oceans beckon, but the dangers of open water are real. Drowning is the body's instinctive attempt to protect the lungs when submerged. The vocal cords undergo involuntary spasm, sealing the airway to keep water out. Oxygen levels fall, carbon dioxide rises, and unconsciousness can quickly follow, eventually leading to cardiac arrest. Cold water can also shock the body, slow the heart, and increase the risk of drowning.

How can these tragedies be mitigated? Assign a designated "water watcher." No distractions, no phones, no assumptions. Don't rely on floaties or

water wings; they create a false sense of security. Enroll kids in swim lessons early. Talk to teens about the very real risks of intoxication and water-related injuries, especially spinal injuries from diving into shallow water. Follow pool safety guidelines: install a 6-foot fence with slats no more than 3 inches apart and self-latching gates. Never prop gates open or leave toys in the pool that might attract children.

Ocean safety—stick to beaches with lifeguards. Never swim alone. Teach kids and teens about rip currents, how to escape them by swimming parallel to shore, and not fight the current. Don't underestimate the power of waves, even on calm days.

Know what to do in an emergency. Learn CPR—early action can save a life. Use the Reach-Throw-Row-Go approach and never enter the water without proper training. And always call 911 immediately if you suspect a water emergency.

The Millburn Short Hills Volunteer First Aid Squad is here to help. We are trained and ready to respond, but prevention starts with awareness and education. We offer CPR and first aid classes throughout the year. Together, we can make our community safer by staying vigilant, prepared and ready to act when it matters most.

Get ready, Summit! The ultimate summer kickoff is officially here, and Summit Downtown, Inc. (SDI) is rolling out a season of unforgettable community celebrations. The energy downtown is about to reach an all-time high, starting with the return of the beloved Family Fun Night on Thursday, June 4th, followed immediately by the brand new and once in a lifetime Summit Downtown Welcomes the World watch party series and the return of everyone's favorite live music weekly event, Summit Street Sounds.

### **FAMILY FUN NIGHT: THURSDAY, JUNE 4TH, 4-8 PM**

Imagine Bank Street and Beechwood Road converted into a giant, pedestrian-only playground. Presented by the event's exclusive Community Catalyst sponsor, Atlantic Health Overlook Medical Center, Family Fun Night is taking over the Bank Street parking lot and Beechwood Road (from Springfield Avenue to Union Place) for four hours of non-stop, free entertainment for all ages, but especially for kids!

The streets will be absolutely packed with activities, sights, and sounds. Here is a sneak peek at what to expect:

- Epic Entertainment: A Main Stage at the top of Beechwood will anchor the party, featuring live performances, the undeniable beats of crowd-favorite DJ Mr. Socks and more!
- Wild Sights & Magic: Get up close and personal with the incredible animals of the Eyes of the Wild exhibit and the Red Valley River petting zoo or prepare to have your mind blown by Mr. Magico's magic show.
- Interactive Fun: Kids (and kids at heart!) can jump into the mobile gaming truck, design their look with face painters, grab a creation from multiple balloon artists, and snap the perfect memory at the photo booth.
- Bubbles & Sweets: Don't miss the massive bubble truck, generously sponsored in-part by The Connection, and be sure to grab some free, freshly spun cotton candy courtesy of Sweet nothings!

No block party is complete without incredible food. Come hungry, because a vibrant fleet of local food trucks will be lining Bank Street. Confirmed vendors include Pizza Vita, Puras Paletas, Pretzel Boy, and Anita's Baked Wonders, with even more local favorites jumping on board soon! Of course, everyone is encouraged to grab dinner after enjoying the fun at one of the amazing restaurant choices in downtown Summit.

This wonderful evening is made possible by the incredible support of SDI's Local Legend tier sponsors who are dedicated to making Summit shine: Brownie Points Bakery, Lois Schneider Realtor, JAG Physical Therapy, Wealth Enhancement Group, and Jeff Lake Camp!

### **SUMMIT DOWNTOWN WELCOMES THE WORLD: JUNE 11TH & JULY 19TH FROM 2-6PM**

The energy doesn't stop after Family Fun Night! The following week, on Thursday, June 11th, SDI invites soccer fanatics and casual fans alike to the Bank Street Parking Lot for Summit Downtown Welcomes the World. SDI is bringing the stadium energy right to the heart of the downtown Summit with a festive outdoor watch party!

Starting at 2:00 PM, the lot will be enhanced and turned into the ultimate community tailgate. A giant screen will light up for a highly anticipated 3:00 PM opening match featuring Mexico taking on South Africa. Grab a spot, wear your team colors, and enjoy amazing food from local downtown partners like Pizza Vita, TacoRia, Good Mood Burgers & Shakes, and Brownie Points Bakery. SDI is also working to lock in a dedicated Beer and Wine Garden to complete the ultimate game-day vibe! Save the date for the next massive watch party on Sunday, July 19th, for the Championship Finale!

# SHE WAS A 48-YEAR-OLD MOM FROM BERKELEY HEIGHTS... TERRIFIED TO WEAR A LITTLE BLACK DRESS AT HER DAUGHTER'S WEDDING - UNTIL THIS HAPPENED

When guests gathered for a recent summer wedding in town, expectations were clear: a beautiful bride, proud parents, heartfelt speeches, and a lively dance floor.

What no one expected was that one of the most talked-about moments of the night would involve the bride's mother.

As Helen, 48, walked down the aisle in a fitted dress with a tastefully exposed back, heads turned. Conversations paused. By the time the reception was underway, it was clear this mother of the bride had made an impression few would forget.

It wasn't just that she looked great. She looked strong. Defined. Confident. Guests kept asking the same question throughout the night:

What does she do to look like that?

That question is how this story begins.

## FROM TIRED, SOFT AND WEAK TO STRONG, LEAN AND CONFIDENT

A few years ago, Helen was not the woman people were buzzing about at a wedding. "I was tired all the time," Helen said. "My back hurt, my knees hurt, and I just felt older than I was.

I was in my late 40s, yes — but I felt like that was my whole identity."

Like many adults in their 40's 50s and 60s, Helen assumed aches, pains, and declining energy were simply the cost of aging. Exercise felt intimidating and confusing. Big gyms felt impersonal. Working out on her own felt unsafe.

"I didn't know what I should be doing, and I was afraid of hurting myself, so I just did nothing," she said.

A friend introduced her to a local personal training gym in Berkeley Heights, and she started with a free trial.

"I was so scared. I didn't walk in thinking I'd change my body," Helen said. "I was just hoping I could finally find a program that was right for me and do something for my health consistently."

## THE UNKNOWN WORKOUT PLAN THAT CHANGED THE GAME

What Helen found was not a room full of treadmills and mirrors, but a personalized fitness program led by highly knowledgeable personal trainers who specialize in working with adults ages 40–60.

Helen didn't need anything extreme — she needed the right program and the right support.

(above) Helen flexing at one of their infamous 6 AM workouts at Gabriele Fitness

She started with two days per week. As her energy improved and her pain decreased, she gradually built up to three days per week. Each workout was done in a small-group setting, allowing for personalized coaching without the pressure or cost of one-on-one training.

"The accountability mattered," Helen said. "If I didn't show up, someone noticed. And if something hurt, they adjusted things immediately."

## REDEFINING WHAT SOMEONE IN THEIR 40s CAN LOOK AND FEEL LIKE

Over time, the changes added up. Helen lost body fat. She gained muscle. More importantly, she gained confidence.

"I stopped thinking about what I couldn't do... and started thinking about what was next."

Years later, Helen is still a member and has even become a Grandma! She lifts weights people half her age shy away from. She moves pain-free. She keeps up with her grandchildren - and sometimes outpaces them.

So when her daughter's wedding approached, Helen didn't think twice about wearing the dress she loved.

"I didn't choose it to show off," she laughed. "I chose it because I felt good in my own skin."

The reaction at the wedding told the rest of the story.

(above) Helen turning every head as the mother of the bride

## A LOCAL SECRET GETS PUBLIC

As word spread, one question kept coming up again and again:

What is the secret workout plan that's making her look that good?

The answer was simple: Gabriele Fitness — a small community personal training gym right in Berkeley Heights.

Helen's transformation didn't come from crash diets or marathon workouts. It came from consistency, expert coaching, and a supportive environment designed for real people — not fitness models.

## FEELING BETTER AT 48 THAN SHE DID AT 28

Helen's story may have started with wedding buzz, but it's really about something deeper: what's possible when people stop accepting decline as inevitable.

"I wish I had started sooner because I feel better at 48 than I did at 28," Helen said. "But I'm grateful I started when I did."

A personal and confidential message from Helen to anyone on the fence about getting started.

"Ladies, having a personal trainer changed my life. Without a trainer, I never would have come close to looking and feeling this good. I tried so many times on my own and failed. I know it's hard to get started — I was scared myself. But if you find an amazing gym like I did (Gabriele Fitness), it changes everything.

The funny thing is, on the front door of the gym there's a sign that reads, 'You just did the hard part. We'll take it from here.' And I truly believe that if you find a place you trust, that genuinely cares about you, and you show up consistently, you'll get into the best shape of your life.

For me, being in great shape has made my entire life so much better. I'm happier, stronger, full of energy... and my workouts are the reason."

For those who see themselves in Helen — those who feel older, weak, tired, stressed, struggling to burn fat, and are secretly starting to believe their best years are behind them — Read This:

Gabriele Fitness has opened 13 spots for local residents to experience their personal training program...FREE for 14 days. The offer expires on June 6th and is available to only 13 people. To get the full details on the free program and see if any spots are still available, scan below...

Scan the code or go to [refer.gabrielefitness.com/helen](https://refer.gabrielefitness.com/helen) or Call us at (908) 293-9666

P.S. Many people reading this article will be inspired by Helen... yet still feel hesitant to try the program. With anything new, there's always uncertainty — especially with something like a new fitness routine. But if you're not working out right now, or you've been inconsistent (like most people) you've read the exact article you needed to read today because...

Gabriele Fitness has helped thousands of people in this community over the past 18 years. For some, the program has had a life-changing effect, and many members have stayed for nearly two decades.

A large number of them are now in the best shape of their lives (...and 2 decades older) — but they all started in the same place as anyone reading this and considering starting their fitness journey.

If you're still hesitant, visit our website [gabrielefitness.com/results](https://gabrielefitness.com/results) for an ocean of success stories from people just like you...who've transformed their lives... and in some cases, the lives of everyone in their family. This is powerful stuff.

## WHY GABRIELE FITNESS FOCUSES ONLY ON ADULTS OVER 40

Adults over 40 face a perfect storm of demands that make fitness more critical — and more challenging — than ever before. They're in the prime of their careers, often in leadership roles where the pressure is relentless and the hours are long.

They're raising children or supporting aging parents — sometimes both at the same time. Their stress levels are high, their metabolism is slowing down, and their bodies don't recover like they used to.

Yet this is precisely when they need their health and energy most — to perform at work, to be present for their families, to enjoy the success they've worked so hard to build, and to avoid the chronic diseases that affected their parents' generation.

The cruel irony is that when fitness matters most, it's also when finding time for it feels nearly impossible.

That's why adults over 40 don't need another generic gym membership. They need expert guidance designed specifically for their unique challenges, their busy schedules, and their refusal to accept that their best years are behind them.

To get the full details about the Free Personal Training Program and to see if any of the 13 spots are still available scan below...
