ELK'S CLUB SPECIAL NEEDS COMMITTEE CHARITY BALL

Mountainside Elks Lodge #1585

The Mountainside Elks Lodge #1585 was proud to host the East Central District's Special Needs Committee Charity Ball.

We welcomed lodges from Springfield-Hillside, Cranford, Stirling, Summit, Rahway, and Union for an evening that truly showed the power of community. Together, we raised \$4,000 to benefit Elks Camp Moore supporting unforgettable experiences for children with special needs.

A heartfelt thank you to Mark Gioioso and Christopher D'Orsi for their dedication in organizing the event, and to everyone who attended and contributed. We were also honored to have Councilwoman Valerie Buzzanca Wass join us for the evening.

We are proud to be part of something that makes a real difference.

We hope to see you here in the Lodge soon! For more information visit: mountainsideelks.org, or on Facebook @ Mountainside Elks Lodge #1585

The Mountainside NJ Lodge #1585 of the Benevolent and Protective Order of Elks are a proud and growing Lodge with many opportunities to support the local Mountainside and surrounding community.

The Benevolent and Protective Order of Elks is a premier charitable organization chartered in 1868. Our local Lodge has provided millions of dollars in charitable support over the last half century, supporting everything from local student

scholarships and veterans initiatives to sending special needs children at no cost to Camp Moore, the NJ State Elks Special Project, which is specifically designed for children with physical and developmental challenges.

We are led by a strong core of dedicated volunteers who work in committees to run events and raise funds—and we're looking for more active local residents who would consider joining our 200-member base. We need your help so we can double down on the creative, dedicated workstreams we have in place to bring to life on a daily basis here in Mountainside the core mission of the Benevolent and Protective Order of Elks of the USA, which states:

To inculcate the principles of Charity, Justice, Brotherly Love and Fidelity; to recognize a belief in God; to promote the welfare and enhance the happiness of its Members; to quicken the spirit of American patriotism; to cultivate good fellowship; to perpetuate itself as a fraternal organization, and to provide for its government, the Benevolent and Protective Order of Elks of the United States of America will serve the people and communities through benevolent programs, demonstrating that Elks Care and Elks Share.

We are tremendously proud of our small yet thriving Lodge and our Lodge leadership led by recently elected Exalted Ruler and Mountainside resident John Cozzali. We would love to tell you more about our charitable endeavors and ways you can quickly become an active, impactful member of our rapidly growing community.

June is a month known for strawberries, blooming roses, warm weather, sunny skies and Flag Day. June also includes the Summer Solstice, when the day and night are equal in length. Oh, and there's Father's Day! Hear that mom? Simply Longer days and more fun.

At the SALEM ROADHOUSE CAFE, on Saturday, June 13th, the Roadhouse Posse has again rounded up the unusual suspects and will present for your witness and ultimate verdict a "note-orious" group of musicians who are the gang known as

"WANTED IN APRIL"

Remember them from last year? We wanted them again! It was no easy task. Gathering disparate (Desparate?) musicians together is like trying to herd cats. Ever try herding cats??

A year after their last trial at the Roadhouse, where they were let go under their own cognizance; their individual musical shenanigans since have brought them to notorious scrutiny, and we had to round them up again.

The Roadhouse Posse has done it! These cats can really run, but a promise of food brought them to us.

On June 13th, at 8PM, the WANTED gang will be tried again.

This time they have no defense.

All they will have are their reputations and

performance abilities to bring to you, the jury, who will decide their fate as to whether or not they are acceptable to musical society or should be strictly kept under lock and key at the Salem Roadhouse Café, never to be unleashed upon unsuspecting audiences again, unless under supervision.

SHE WAS A 48-YEAR-OLD MOM FROM BERKELEY HEIGHTS... TERRIFIED TO WEAR A LITTLE BLACK DRESS AT HER DAUGHTER'S WEDDING - UNTIL THIS HAPPENED

When guests gathered for a recent summer wedding in town, expectations were clear: a beautiful bride, proud parents, heartfelt speeches, and a lively dance floor.

What no one expected was that one of the most talked-about moments of the night would involve the bride's mother.

As Helen, 48, walked down the aisle in a fitted dress with a tastefully exposed back, heads turned. Conversations paused. By the time the reception was underway, it was clear this mother of the bride had made an impression few would forget.

It wasn't just that she looked great. She looked strong. Defined. Confident. Guests kept asking the same question throughout the night:

What does she do to look like that?

That question is how this story begins.

FROM TIRED, SOFT AND WEAK TO STRONG, LEAN AND CONFIDENT

A few years ago, Helen was not the woman people were buzzing about at a wedding. "I was tired all the time," Helen said. "My back hurt, my knees hurt, and I just felt older than I was.

I was in my late 40s, yes — but I felt like that was my whole identity."

Like many adults in their 40's 50s and 60s, Helen assumed aches, pains, and declining energy were simply the cost of aging. Exercise felt intimidating and confusing. Big gyms felt impersonal. Working out on her own felt unsafe.

"I didn't know what I should be doing, and I was afraid of hurting myself, so I just did nothing," she said.

A friend introduced her to a local personal training gym in Berkeley Heights, and she started with a free trial.

"I was so scared. I didn't walk in thinking I'd change my body," Helen said. "I was just hoping I could finally find a program that was right for me and do something for my health consistently."

THE UNKNOWN WORKOUT PLAN THAT CHANGED THE GAME

What Helen found was not a room full of treadmills and mirrors, but a personalized fitness program led by highly knowledgeable personal trainers who specialize in working with adults ages 40–60.

Helen didn't need anything extreme — she needed the right program and the right support.

(above) Helen flexing at one of their infamous 6 AM workouts at Gabriele Fitness

She started with two days per week. As her energy improved and her pain decreased, she gradually built up to three days per week. Each workout was done in a small-group setting, allowing for personalized coaching without the pressure or cost of one-on-one training.

"The accountability mattered," Helen said. "If I didn't show up, someone noticed. And if something hurt, they adjusted things immediately."

REDEFINING WHAT SOMEONE IN THEIR 40s CAN LOOK AND FEEL LIKE

Over time, the changes added up. Helen lost body fat. She gained muscle. More importantly, she gained confidence.

"I stopped thinking about what I couldn't do... and started thinking about what was next."

Years later, Helen is still a member and has even become a Grandma! She lifts weights people half her age shy away from. She moves pain-free. She keeps up with her grandchildren - and sometimes outpaces them.

So when her daughter's wedding approached, Helen didn't think twice about wearing the dress she loved.

"I didn't choose it to show off," she laughed. "I chose it because I felt good in my own skin."

The reaction at the wedding told the rest of the story.

(above) Helen turning every head as the mother of the bride

A LOCAL SECRET GETS PUBLIC

As word spread, one question kept coming up again and again:

What is the secret workout plan that's making her look that good?

The answer was simple: Gabriele Fitness — a small community personal training gym right in Berkeley Heights.

Helen's transformation didn't come from crash diets or marathon workouts. It came from consistency, expert coaching, and a supportive environment designed for real people — not fitness models.

FEELING BETTER AT 48 THAN SHE DID AT 28

Helen's story may have started with wedding buzz, but it's really about something deeper: what's possible when people stop accepting decline as inevitable.

"I wish I had started sooner because I feel better at 48 than I did at 28," Helen said. "But I'm grateful I started when I did."

A personal and confidential message from Helen to anyone on the fence about getting started.

"Ladies, having a personal trainer changed my life. Without a trainer, I never would have come close to looking and feeling this good. I tried so many times on my own and failed. I know it's hard to get started — I was scared myself. But if you find an amazing gym like I did (Gabriele Fitness), it changes everything.

The funny thing is, on the front door of the gym there's a sign that reads, 'You just did the hard part. We'll take it from here.' And I truly believe that if you find a place you trust, that genuinely cares about you, and you show up consistently, you'll get into the best shape of your life.

For me, being in great shape has made my entire life so much better. I'm happier, stronger, full of energy... and my workouts are the reason."

For those who see themselves in Helen — those who feel older, weak, tired, stressed, struggling to burn fat, and are secretly starting to believe their best years are behind them — Read This:

Gabriele Fitness has opened 13 spots for local residents to experience their personal training program...FREE for 14 days. The offer expires on June 6th and is available to only 13 people. To get the full details on the free program and see if any spots are still available, scan below...

P.S. Many people reading this article will be inspired by Helen... yet still feel hesitant to try the program. With anything new, there's always uncertainty — especially with something like a new fitness routine. But if you're not working out right now, or you've been inconsistent (like most people) you've read the exact article you needed to read today because...

Gabriele Fitness has helped thousands of people in this community over the past 18 years. For some, the program has had a life-changing effect, and many members have stayed for nearly two decades.

A large number of them are now in the best shape of their lives (...and 2 decades older) — but they all started in the same place as anyone reading this and considering starting their fitness journey.

If you're still hesitant, visit our website gabrielefitness.com/results for an ocean of success stories from people just like you... who've transformed their lives... and in some cases, the lives of everyone in their family. This is powerful stuff.

WHY GABRIELE FITNESS FOCUSES ONLY ON ADULTS OVER 40

Adults over 40 face a perfect storm of demands that make fitness more critical — and more challenging — than ever before. They're in the prime of their careers, often in leadership roles where the pressure is relentless and the hours are long.

They're raising children or supporting aging parents — sometimes both at the same time. Their stress levels are high, their metabolism is slowing down, and their bodies don't recover like they used to.

Yet this is precisely when they need their health and energy most — to perform at work, to be present for their families, to enjoy the success they've worked so hard to build, and to avoid the chronic diseases that affected their parents' generation.

The cruel irony is that when fitness matters most, it's also when finding time for it feels nearly impossible.

That's why adults over 40 don't need another generic gym membership. They need expert guidance designed specifically for their unique challenges, their busy schedules, and their refusal to accept that their best years are behind them.

ORCHESTRA PRESENTS ONE THOUSAND AND ONE NIGHTS CONCERT

NJFO NEW JERSEY FESTIVAL ORCHESTRA

ONE THOUSAND AND ONE NIGHTS

SAT, May 30 | 7:00 PM
The Presbyterian Church
Westfield

SUN, May 31 | 2:30 PM
Sieminski Theater
Basking Ridge

(908) 232-9400 | www.NJFestivalOrchestra.org

The New Jersey Festival Orchestra closes its season with One Thousand and One Nights, an evening inspired by the legendary Arabian tales that gave rise to Rimsky-Korsakov's beloved orchestral masterpiece Scheherazade. Presented in collaboration with the Slovak-American Cultural Center (S-ACC), the program blends storytelling, international artistry, and symphonic color in performances on Saturday, May 30 at 7:00 pm at The Presbyterian Church in Westfield and Sunday, May 31 at 2:30 pm at the Sieminski Theater in Basking Ridge.

At the center of the program is Scheherazade, Rimsky-Korsakov's vivid musical interpretation of the timeless stories told by Scheherazade night after night to save her life. Sweeping melodies, shimmering orchestration, and dramatic contrasts immerse audiences in a world of myth and imagination, bringing the spirit of the legendary tales vividly to life.

"It is music that represents the rolling sea, the drama of adventure, and the allure of exotic romance," says NJFO Music Director David Wroe, describing the work as "an irresistible musical combination" that transports listeners into the world of One Thousand and One Nights.

The evening also features internationally

acclaimed Slovak guitarist Karol Samuelčík performing Joaquín Rodrigo's *Fantasia para un gentilhombre*. Presented through NJFO's collaboration with the Slovak-American Cultural Center, Samuelčík brings warmth and virtuosity to Rodrigo's celebrated work inspired by 17th-century Spanish music and dance traditions.

"The Slovak-American Cultural Center is thrilled to partner—again—with the NJFO to introduce world-renowned guitarist Karol Samuelčík to American audiences," writes S-ACC Board Member and longtime NJFO supporter Tanya Pulver. "Performing Joaquín Rodrigo's celebrated *Fantasia para un gentilhombre*, Samuelčík promises to enchant listeners, pairing the concerto's historic elegance with his signature vibrant energy and technical brilliance."

"What I love about the piece is its elegance, colour, and contrast," Samuelčík says. "The guitar creates a dialogue with the orchestra."

Together, these works create an evening shaped by imagination and storytelling, where music becomes the narrator and the orchestra brings centuries-old legends to life.

Tickets are available at www.njfestivalorchestra.org/concerts or by calling (908) 232-9400. Discounts are available to highschool and college students.

ELKS WELCOME VETERANS TO THEIR NEW HOMES

Benevolent and Protective Order of Elks

Formerly homeless veterans who are transitioning from temporary housing... A veteran who was in a nursing home for six years... A disabled veteran escaping domestic violence... In addition to honorably serving our country, they all have something else in common. Each is moving into a new apartment with little more than a few personal belongings.

This is when the Benevolent and Protective Order of Elks steps up to help - turning empty rooms into a home.

Recently, members of the NJ State Elks East Central District, with lodges in Stirling, Summit, Springfield, Mountainside, Union, Cranford, and Rahway, have delivered four Veteran Welcome Home Kits, transforming bare apartments into comfortable living spaces. Each kit includes a full-sized bed, couch, end tables, coffee table, dining table and chairs, dresser, nightstands, microwave oven, toaster, coffee maker, lamps, towels, cleaning supplies, kitchenware, and more. Within two hours, the furniture is assembled, the kitchen cabinets are filled, and the apartment is fully set

up and ready for its new resident to move in.

Each Veteran Welcome Home Kit costs approximately \$1,800 and is purchased through fundraising events, donations, and grants from the Elks National Foundation. They are given to the veteran free of charge.

Nationwide, an estimated 40,000 veterans experience homelessness on any given night. In partnership with the U.S. Department of Veterans Affairs, the Elks National Veterans Service Commission has pledged to help end veteran homelessness by ensuring veterans have access to safe, stable housing.

Here in New Jersey, dozens of Veteran Welcome Home Kits have been delivered since the beginning of the year. And year round, Elks volunteers provide direct services to more than 1,000 veterans at VA facilities across the state and continue to connect with veterans and active military members in their local communities, offering assistance wherever it is needed.

Visit elks.org to learn more about the Elks, their charitable causes, and how to become a member.

**ROOF REPLACEMENT
ALTERNATIVE
THAT WILL SAVE
YOU THOUSANDS!**

Dear Neighbor,

If your roof is over 10 years old, it could be aging faster than you think — even if it still looks fine from the ground. Sun exposure, wind, and seasonal temperature changes can slowly dry out asphalt shingles over time, causing them to become brittle and more vulnerable to cracking, granule loss, and leaks.

That's where Roof Maxx® comes in. Roof Maxx is a proven, plant-based roof rejuvenation treatment that restores the oils your shingles lose as they age — helping them stay flexible, durable, and protected through the years.

Roof Maxx can help your roof:

- Restore flexibility to brittle, aging shingles
- Reduce cracking and granule loss caused by winter freeze-thaw cycles
- Extend roof life up to 15 years
- Cost up to 75% less than a full roof replacement
- Be treated in just a few hours with no mess or disruption

EARLY SUMMER ROOF PROTECTION SPECIAL

Get ahead of summer heat and storm season with our limited-time Roof Maxx offer:

FREE Roof Health Inspection (a \$199 value)

MILLBURN CHAMBER PREPS FOR PRESIDENT'S CUP 5K - JUNE 22

The Millburn-Short Hills Chamber of Commerce is excited to announce the return of the Presidents Cup 5K on Monday, June 22, one of the community's most anticipated annual events.

The Presidents Cup 5K brings together runners, families, local businesses, sponsors, volunteers, and community supporters for an energetic evening in downtown Millburn centered around wellness, community spirit, and local engagement. The event has become a long-standing tradition that showcases the vibrant spirit of the Millburn-Short Hills community.

The Chamber is proud to recognize RWJBarnabas Health as the event's Presenting Sponsor. Their leadership and commitment to supporting community wellness and engagement continue to play an important role in the event's success.

Additional sponsorship opportunities remain available for businesses seeking visibility and community exposure through one of the area's most prominent local events. Sponsorship benefits may include logo placement on race t-shirts, signage throughout the event, recognition on the registration landing page, and event-day acknowledgments.

The Chamber is also currently seeking volunteers to assist with race-day activities, including registration support, water stations, course support, and general event operations. Volunteers play an important role in helping create a positive experience for participants and attendees.

"The Presidents Cup 5K is more than a race. It is an opportunity for the community to come together, support local businesses, encourage wellness, and celebrate everything that makes Millburn-Short Hills special," said Angela Kubisky, Executive Director of the Millburn-Short Hills Chamber of Commerce.

Businesses interested in sponsorship opportunities, individuals interested in volunteering, or community members seeking more information are encouraged to contact:
