ANNUAL LAW ENFORCEMENT SPECIAL OLYMPICS TORCH RUN

Elizabeth Police Department

On June 5, 2026, members of the Elizabeth Police Department joined police officers and other community members from across the state to be Guardians of the Flame in the 43rd Annual Law Enforcement Torch Run to benefit Special Olympics of New Jersey. Over 3,000 Police Officers took to their local streets to raise funds and awareness for this incredible organization. They carry the "Flame of Hope" which officially leads into the Special Olympics Summer Games. This event helps raise awareness and funds to support year-round sports training and competition opportunities for thousands of athletes with intellectual disabilities throughout New Jersey.

ABOUT LAW ENFORCEMENT TORCH RUN®

The Law Enforcement Torch Run® (LETR), initiated in 1981 by Wichita Police Chief Richard LaMunyon, has grown into a worldwide movement. What began as a humble initiative has transformed into a global beacon of hope and unity, driven by the collective efforts of law enforcement volunteers. Known as Guardians of the Flame, these dedicated individuals join hands with Special Olympics athletes to champion the cause of acceptance and inclusion for individuals with intellectual disabilities. The essence of LETR lies in its community-centric approach. Law enforcement members from various levels, including

federal, national, state, provincial, local, and even military sectors, come together to support this noble cause. Their collaboration extends beyond mere participation; it signifies a commitment to fostering a society where everyone, irrespective of their abilities, is embraced and celebrated.

C.A.R. PROJECT SUPPORTS EQUINE THERAPY FOR VETS

Submitted by Holly Dunbar

The Children of the American Revolution (C.A.R.) is the nation's oldest and largest nonpolitical patriotic youth organization. A new C.A.R. state project that will aid veterans has been announced. The goal of "Operation Horse" is to raise \$2,000 during the next year to fund equine-assisted therapy for two N.J. veterans

(above) The Man o' War Project has helped to develop a standardized protocol for delivering equine-assisted therapy to treat PTSD.

Courtesy photos

with Post Traumatic Stress Disorder (PTSD). The therapy is offered through the Man o' War Project of Columbia University Irving Medical Center.

The mission of the Man o' War Project is two-fold. Equine-assisted therapy is used to treat veterans with PTSD while medical staff evaluate the program to develop best practices for administering equine-assisted therapy. This research can have far-reaching benefits for treating veterans and all who suffer with PTSD.

C.A.R. membership is open to girls and boys from birth through age 21 who are descended from a person who aided the cause of independence during the American Revolution.

New Jersey has nine C.A.R. groups known as societies. Activities offered on an age-appropriate basis help members learn about American history, government, community service and more. Members also gain valuable leadership experience conducting meetings and serving as delegates at state and national conferences.

Pis-Cat-A-Qua Society C.A.R., hosted by the Elizabeth Snyder-Continental Chapter of the Daughters of the American Revolution in Green Brook, is seeking new members. For more information,

contact ESCchapterDAR@gmail.com or visit nscar.org.

POWERING POTENTIAL: PHILLIPS 66 COMMUNITY STEM SCHOLARSHIP WINNER ANNOUNCED

Scholarship supports students pursuing careers in the energy industry

A local high school senior has earned a Phillips 66 Community STEM Scholarship, recognizing academic excellence and a commitment to careers that will help power a more innovative energy future.

Sophia Prezeau, a student at Linden High School, is among more than 50 students nationwide selected from a competitive pool of applicants planning to study science, technology, engineering, or mathematics at a technical school or four-year university. Sophia plans to major in chemistry.

“As a chemistry major, being awarded a scholarship in my specified field of study means that I will be able to focus more on my studies in college rather than monetary concerns,” said Prezeau.

Students enrolled in technical programs will receive \$2,000 scholarships, while students attending four-year universities will receive \$5,000. Scholarships are renewable each year through graduation, provided recipients remain enrolled full-time and meet required GPA standards.

“This is more than a scholarship—it’s an investment in our community’s future,” said Lisa Barra, Public Affairs Advisor at Phillips 66 Bayway Refinery. “We’re proud to support students who are driven to innovate and make a meaningful impact on the future of energy.”

Through its social impact programs, Phillips 66 works to create stronger, safer, and more resilient communities in the areas where it operates. The company invests in education at every level, from elementary school through post-secondary programs.

“Every student deserves access to educational opportunities to pursue what’s possible,” said Courtney Meadows, Manager of Social Impact at Phillips 66. “These scholarships help remove barriers so talented young people can explore STEM careers and apply their skills to real-world challenges. When students succeed, our communities grow stronger, and we are honored to support them as they take the next step.”

ABOUT PHILLIPS 66

Phillips 66 (NYSE: PSX) is a leading integrated downstream energy provider that manufactures, transports, and markets products that drive the global economy. The company’s portfolio includes Midstream, Chemicals, Refining, Marketing and Specialties, and Renewable Fuels businesses. Headquartered in Houston, Phillips 66 has employees around the globe who are committed to safely and reliably providing energy and improving lives while pursuing a lower-carbon future.

23RD ANNUAL TOUR DE ELIZABETH

Groundwork Elizabeth

Groundwork Elizabeth, and the City of Elizabeth hosted the 23rd Annual Tour de Elizabeth on May 17, 2026. The annual recreational bicycling Tour is held the Sunday before Memorial Day weekend each year. The event was the 23rd city-wide

Tour, drawing in nearly in over 1,000 participants of all including cyclists, volunteers, and spectators. The ride winds through historic, cultural, and natural settings in NJ's fourth largest City.

Each year the Tour focuses on a theme. 2026 is the 250th anniversary of the Declaration of Independence and the event highlighted the nation's birth. Members of the 3rd NJ Regiment Colonial re-enactors then kicked off the ride with a musket volley.

Most riders brought their own bikes, but like each year, bicycles and helmets were available for rental from Unlimited Biking. The Elizabeth Police Department escorted the group, and

ensured a safe and enjoyable ride for all attendees. A video screen courtesy of GoElizabethNJ was positioned at the starting line.

Part of the proceeds for each Tour de Elizabeth to towards Groundwork Elizabeth, a 501c3 nonprofit based in the city that builds a more sustainable and equitable community for the residents of Elizabeth and nearby Union County communities. Groundwork's Executive Director John Evangelista addressed the crowd and thanked everyone for coming.

The 23rd Tour received generous support from over 20 various organizations.

The Elizabeth Police Department, Elizabeth Fire Department and Fire EMS helped keep the route secure.

To learn more about Groundwork Elizabeth and future events, visit groundworkelizabeth.org. Visit the City of Elizabeth's website at elizabethnj.org to learn about events and connect with City Departments.
