TINY TUXEDOS AND TWIRLING DRESSES AT PRESCHOOL PROM

Linden Public Schools

Tiny tuxedos, twirling dresses, and countless smiles filled the room as more than 170 families gathered for Linden Public Schools' Preschool Prom on June 5.

The districtwide celebration brought preschool students and a parent or guardian together for an evening of dancing, laughter, and connection. Families enjoyed music from a

lively DJ, tested their skills in limbo competitions, captured keepsake photos, and shared dinner together.

While it was a dance, the event celebrated the joy of early childhood while strengthening the bonds between families, schools, and the community. For one memorable evening, Linden's youngest learners took center stage, creating moments their families will cherish long after the music faded.

LINDEN POLICE PARTICIPATE IN ANNUAL LAW ENFORCEMENT TORCH RUN

On June 5, 2026, members of the Linden Police Department joined police officers from across the state to be Guardians of the Flame in the 43rd Annual Law Enforcement Torch Run to benefit Special Olympics of New Jersey. Over 3,000 Police Officers took to their local streets to raise funds and awareness for this incredible organization. They carry the "Flame of Hope" which officially leads into the Special Olympics Summer Games. This event helps raise awareness and funds to support year-round sports training and competition opportunities for thousands of

athletes with intellectual disabilities throughout New Jersey.

ABOUT LAW ENFORCEMENT TORCH RUN®

The Law Enforcement Torch Run® (LETR), initiated in 1981 by Wichita Police Chief Richard LaMunyon, has grown into a worldwide movement. What began as a humble initiative has transformed into a global beacon of hope and unity, driven by the collective efforts of law enforcement volunteers. Known as Guardians of the Flame, these dedicated individuals join hands with Special Olympics athletes to champion the

cause of acceptance and inclusion for individuals with intellectual disabilities. The essence of LETR lies in its community-centric approach. Law enforcement members from various levels, including federal, national, state, provincial, local, and even military sectors, come together to support this noble cause. Their collaboration extends beyond mere participation; it signifies a commitment to fostering a society where everyone, irrespective of their abilities, is embraced and celebrated.

SAY GOODBYE TO KNEE & JOINT PAIN WITHOUT RADIATION

Introducing RADIATION FREE KNEE INJECTIONS Under Ultrasound Guidance

Do You Experience:

- Joint pain or tenderness?
- Joint stiffness after a period of inactivity or when you first wake up?
- Loss of flexibility?
- Grating sensation when you move?

Why Do You Need It?

- You have knee pain that's so bad it interferes with everyday life.
- You have tried nonsurgical treatments for several weeks or months and your symptoms have not improved.

Benefits of Viscosupplementation

- No pain from the injection
- No recovery time
- Quick results
- No radiation

If you answered "yes" to any of these questions, there's good news: NORTHEAST SPINE AND SPORTS MEDICINE can offer the relief you need to save a life free of knee pain.

Ask us about Viscosupplementation

Viscosupplementation is a non-invasive, FDA-approved treatment proven effective for Osteoarthritis and other types of pain.

Viscosupplementation is a procedure in which a gel-like fluid called hyaluronic acid is injected into the knee joint. Hyaluronic acid is a naturally occurring substance found in joint fluid, acting as a lubricant to enable smooth bone movement and absorb shock when needed; Because people with osteoarthritis have a lower than normal concentration of hyaluronic acid in their joints, viscosupplementation is an excellent therapeutic option for these individuals.

Viscosupplementation is a high-tech answer for all those who think that surgery, dietary supplements, and prescription medication are the only options for eliminating knee pain. In fact, this new treatment enables most people to get back to enjoying everyday activities in a matter of weeks. Treatment is covered by most major health insurance plans, including Medicare.

PHILLIPS 66 BAYWAY REFINERY AWARDS \$20,000 GRANT TO LINDEN PUBLIC SCHOOLS

Phillips 66 Bayway Refinery, through its Social Impact Fund, has awarded a \$20,000 grant to Linden Public Schools to enhance access to essential learning tools for students.

The funding will be used to purchase charging devices for student-issued electronic devices, helping ensure that all students can fully participate in classroom instruction throughout the school day. Many students arrive at school with partially charged devices, creating barriers to learning and disrupting valuable instructional time. By providing reliable access to chargers, this initiative will promote equity, reduce classroom disruptions, and support continuous, technology-enabled learning. "This investment is about removing barriers, so every student has the opportunity to fully engage and succeed," said Lisa Barra, Advisor, Public Affairs at Phillips 66 Bayway Refinery. "We're proud to support Linden Public Schools in creating a more

equitable and effective learning environment."

This grant reflects Phillips 66 Bayway Refinery's ongoing commitment to advancing education, strengthening local communities, and empowering students to achieve academic success.

SEVEN VOLUNTEERS SWORN IN AS CHILD ADVOCATES FOR FOSTER YOUTH

CASA of Passaic and Union Counties

Linden resident Maria de Gannes is among seven volunteers to take an oath to stand beside children in foster care as advocates during some of the most uncertain moments of their lives. Union County Superior Court Judge Rosalba Comas presided over the swearing-in ceremony for the newest Court Appointed Special Advocates (CASA) with CASA of Passaic and Union Counties. Each volunteer will now be assigned to advocate for a child or sibling set in foster care.

Her classmates include Crystal Coleman of South Plainfield, Rachel Hajar of Cranford, Julie Harnisher of Westfield, Elizabeth Maher of Summit, and Barbara Monaghan of Westfield.

For children navigating foster care, CASA volunteers are often the one consistent adult focused solely on their best interests both inside and outside the courtroom. Now equipped to advocate for infants, children, and teens who have experienced abuse or neglect, the volunteers join a network of dedicated advocates serving children across Passaic and Union counties. CASA volunteers provide consistent support, gather information from the adults in the youth's life, and make informed recommendations to help ensure their needs and well-being remain at the forefront daily and in court decisions.

Said Erica Fischer-Kaslander, Executive Director of Child Focus, the nonprofit organization that oversees the CASA program, "Every child deserves at least one adult who shows up consistently, listens carefully, and refuses to let them fall through the cracks. These seven volunteers have made an extraordinary commitment to children who urgently need stability, encouragement, and someone wholly dedicated to their future. Their advocacy can, and will, change life trajectories."

No prior knowledge of child welfare is required to become a CASA volunteer; comprehensive training equips volunteers with the skills necessary to advocate effectively. Volunteer advocates – all of whom bring their

own unique life experiences – visit their assigned child regularly and communicate with caregivers, educators, caseworkers, and others before making informed recommendations to the court.

More volunteer advocates are still urgently needed across Passaic and Union counties to help ensure every child in foster care has a dedicated voice in court and the community.

CASA of Passaic and Union Counties is a program of Child Focus, which prioritizes the needs and well-being of infants, children, and teens impacted by, or at risk of, abuse or neglect. For details about becoming a CASA volunteer, call 973-832-4002, e-mail info@casapassaicunion.org, or visit CASA of Passaic and Union Counties' website at casapassaicunion.org.

PUBLIC SAFETY TELECOMMUNICATORS

In celebration of National Public Safety Telecommunicators Week, the City of Linden took a moment to honor the frontline heroes of emergency communication, our dedicated dispatchers. The city also celebrated the distinct honor of recognizing five remarkable individuals who have reached a milestone few achieve. 30 years of service is a testament to

character, resilience, and a deep love for one's community.

A massive thank you to Chief William M. Hasko, Deputy Chief Kevin M. Brady, Glenn C. Curtin, Jessica L. Sheehy, and City Clerk Joe Bodek. You are an integral part of our history and our future. On behalf of the City of Linden congratulations on this incredible milestone!
