ANNUAL LAW ENFORCEMENT SPECIAL OLYMPICS TORCH RUN

Madison NJ PBA 92 joined police officers and other community members from across the state to be Guardians of the Flame in the 43rd Annual Law Enforcement Torch Run to benefit Special Olympics of New Jersey. Over 3,000 Police Officers took to their local streets to raise funds and awareness for this incredible organization. They carry the "Flame of Hope" which officially leads into the Special Olympics Summer Games. This event helps raise awareness and funds to support year-round sports training and competition opportunities for thousands of athletes with intellectual disabilities throughout New Jersey.

ABOUT LAW ENFORCEMENT TORCH RUN®

The Law Enforcement Torch Run® (LETR), initiated in 1981 by Wichita Police Chief Richard LaMunyon, has grown into a worldwide movement. What began as a humble initiative has transformed into a global beacon of hope and unity, driven by the collective efforts of law enforcement volunteers. Known as Guardians of the Flame, these dedicated individuals join hands with Special Olympics athletes to champion the cause of acceptance and inclusion for individuals with intellectual disabilities. The essence of LETR lies in its community-centric approach. Law enforcement members from various levels, including federal, national, state, provincial, local, and even military sectors, come together to support this noble cause. Their collaboration extends beyond mere participation; it signifies a commitment to fostering a society where everyone, irrespective of their abilities, is embraced and celebrated.

MADISON PBA 92 FACEBOOK THANK YOU POST:

Thank you to everyone who came out and supported the Law Enforcement Torch Run today! What took place today was about so much more than a run. It was about community, inclusion, and supporting the incredible athletes of Special Olympics. The smiles on the faces of the kids today as they crossed the finish line reminded us exactly why this event is so important. Those moments are what it's all about.

A special thank you goes out to the teachers and students who joined us on the route and helped make this year's run such a memorable success. Your enthusiasm, energy, and support meant the world to us.

We are also grateful to the residents, families, and businesses who cheered us on along the way. Madison once again showed what makes this community so special.

Thank you for helping us support an amazing cause.

KEVIN DEBIASSE COMPLETES 6TH NEMS MEMORIAL BIKE RIDE

County of Morris

Kevin DeBiasse, a longtime staff member in the Morris County Office of Information Technology, recently completed his sixth National Emergency Medical Services (EMS) Memorial Bike Ride. This year's week-long event, held from May 9 to May 15, spanning from Boston to Virginia, is an annual ride to honor the

service and sacrifice of EMS professionals while promoting both physical and mental wellness throughout the emergency medical community.

A dedicated public servant, DeBiasse has been a volunteer firefighter since 1987 and an EMT in Madison since 1992. For the ride, he served in a critical support role, driving a box truck packed with luggage, first aid supplies and bike gear for

cyclists participating in the East Coast route. Each morning, he was up at 5 a.m. to ensure the truck was loaded and to attend the daily safety meeting, hitting the road by 7 a.m.

To mark the 250th anniversary of the United States, this year's ride included the route George Washington and the Continental Army took during the American Revolution.

PASSING THE TORCH AT 250: HOW NORTH JERSEY'S NEWEST ENLISTEES CARRY AMERICA'S LEGACY FORWARD

*Martha Papson Garcia, Ed.D. (U.S. Army)
Director of Veterans Services, ROTC Liaison,
Fairleigh Dickinson University*

Veteran organizations often serve as the backbone of community support for those who have served in the military. Yet, one group is uniquely transforming how America honors its newest service members—before they even don the uniform. While traditional groups like the Veterans of Foreign Wars (VFW) and the American Legion focus primarily on veterans returning from conflict, Our Community Salutes (OCS) dedicates its mission entirely to the next generation of patriots: high school seniors stepping into the U.S. Armed Forces.

As communities across the nation prepared for Fourth of July celebrations and looked forward to America's milestone 250th birthday, the work of Our Community Salutes of North Jersey stood as a powerful reminder of what local support truly meant.

Founded in 2009 by educator and Army veteran Dr. Kenneth Hartman, OCS was created to fill an important gap in community recognition. While college-bound seniors receive enthusiastic decision-day applause and student-athletes draw local headlines for signing with sports teams, military enlistees often quietly slip away to basic training without public acknowledgment. Our Community Salutes ensures these young men and women are the first to hear a collective "thank you" from their hometown.

The organization operates on a three-pronged

support model. For enlistees, public recognition ceremonies provide resources, mentorship, and a sense of pride to ease their transition into active duty. For families, educational tools, community connections, and peer networks that help parents and siblings navigate the military journey. For communities, a collaborative platform uniting local business leaders, veterans, educators, and elected officials to honor local defenders.

Each spring, the North Jersey chapter of OCS brings this essential mission into focus. Recently, the group hosted its 10th Annual Enlistee Recognition Ceremony at Fairleigh Dickinson University's Florham Campus in Madison, New Jersey.

At this high-profile event, more than 90 high school seniors from across northern New Jersey were honored as they committed to enlist in the Army, Marine Corps, Navy, Air Force, Coast Guard, or National Guard. Surrounded by active-duty military leaders, veterans, local dignitaries, and emotional families, these young patriots received a formal send-off recognizing their induction into the elite "less than 1% club" of Americans who wear the uniform. To further support families, OCS introduced programs like OCS Connect, designed specifically to build community for those at home during their loved ones' military journey.

As America approaches its Semiquincentennial—its 250th birthday—the thread connecting these North Jersey enlistees, today's veterans, and the original patriots of the

Revolutionary War becomes profound. It is an unbroken chain of everyday citizens choosing extraordinary sacrifice.

In 1776, the Continental Army was built by farmers, blacksmiths, and tradesmen who swapped civilian tools for muskets to defend the ideal of freedom. Many marched through northern New Jersey, known as the "Crossroads of the Revolution," enduring hardships such as brutal winters in Morris and Bergen counties. Today's veterans have inherited the responsibility of maintaining peace through decades of global conflict. Now, these high school enlistees—stepping onto the same historic Jersey soil—carry forward that legacy by voluntarily safeguarding American liberty. Just as only about 3% of colonists fought for independence, today's service members represent a committed minority protecting the majority.

Many historical battles that were won long ago are celebrated on the Fourth of July. But organizations like Our Community Salutes remind us that freedom is an active, ongoing relay race. By honoring the new generation of military enlistees, OCS ensures that the legacy of American liberty remains vibrant.

The act of honoring veterans isn't just about looking back - it is an investment in the future of the nation. Through grassroots support and community recognition, these young patriots receive a powerful message: their sacrifice is valued, their service is celebrated, and their legacy is America's ongoing story.

C.A.R. PROJECT SUPPORTS EQUINE THERAPY FOR VETS

Submitted by Holly Dunbar

The Children of the American Revolution (C.A.R.) is the nation's oldest and largest nonpolitical patriotic youth organization. A new C.A.R. state project that will aid veterans has been announced. The goal of "Operation Horse" is to raise \$2,000 during the next year to fund equine-assisted therapy for two N.J. veterans

(above) The Man o' War Project has helped to develop a standardized protocol for delivering equine-assisted therapy to treat PTSD.

with Post Traumatic Stress Disorder (PTSD). The therapy is offered through the Man o' War Project of Columbia University Irving Medical Center.

The mission of the Man o' War Project is two-fold. Equine-assisted therapy is used to treat veterans with PTSD while medical staff evaluate the program to develop best practices for administering equine-assisted therapy. This research can have far-reaching benefits for treating veterans and all who suffer with PTSD.

C.A.R. membership is open to girls and boys from birth through age 21 who are descended from a person who aided the cause of independence during the American Revolution.

New Jersey has nine C.A.R. groups known as societies. Activities offered on an age-appropriate basis help members learn about American history, government, community service and more. Members also gain valuable leadership experience conducting meetings and serving as delegates at state and national conferences.

Pis-Cat-A-Qua Society C.A.R., hosted by the Elizabeth Snyder-Continental Chapter of the Daughters of the American Revolution in Green Brook, is seeking new members. For more information,

Hanover Wind Symphony

What better place for New Jersey to celebrate the birth of the United States of America than in Morris County, the home of Washington's headquarters and Jockey Hollow?

Join the renowned Hanover Wind Symphony for a free patriotic concert, titled "The Music of Liberty," at 7 p.m., on Tuesday, July 7, outdoors at Ginty Field, 50 Woodland Ave., in Morris Township. This musical tribute to our nation's 250th anniversary is part of the Morris Township Summer Gazebo Series at Ginty Field. Bring a lawn chair or blanket.

"Come celebrate the 250th anniversary of America with the Hanover Wind Symphony," says HWS music director and conductor Matthew Paterno of Parsippany. "Our spirited 'Music of Liberty' concert will have you humming along with patriotic favorites, together with songs that shaped our nation from its founding until now."

Among the pieces to be performed are the following: "Salute to the Armed Forces," by Jari Villanueva; "America the Beautiful," arranger Carmen Dragon; "American Riversongs" by Pierre LaPlante; "American Salute" by Morton Gould; "American Spirit" by Dennis Eveland; "Battle Hymn of the Republic," arranger Peter Wilhousky; "Chester," by William Billings;

arranger Jari Villanueva; with Ayden Khan, associate music director, conducting "Chimes of Liberty" by Edwin Franko Goldman; "Concord" by Clare Grundman; "Fanfare 250" by Noah D. Taylor; "Irving Berlin's Songs for America" by Irving Berlin; arranger James Swearingen; "Land of Liberty" by John Wasson; and "The Stars and Stripes Forever" by John Philip Sousa

The Hanover Wind Symphony is a unique extension of the great American tradition of adult music performance. One of only a handful of outstanding community-based adult wind bands in New Jersey, the Hanover Wind Symphony delights audiences of all ages by giving a contemporary twist to traditional favorites. The large orchestra, made up exclusively of

woodwind, brass and percussion instruments, embraces as its mission bringing "music to people and people to music."

For more than 40 years, the Hanover Wind Symphony (HWS) has played to enthusiastic audiences. HWS members are volunteers who share a love for music and a passion for enriching the cultural fabric of the community with the thrill of live wind band performances. By day, HWS members are accountants, engineers, teachers and executives. They come together to connect musically with others, share the enjoyment of music with live audiences, and help mentor the next generation of wind musicians.

Highlights of the Metropolitan Museum of Art's American Wing (ON ZOOM)

Tuesday, July 7th @ 7:00pm

The Metropolitan Museum of Art has been collecting American works since its opening in the 1870s. In 1924, the museum officially opened its American Wing, providing a special focus and celebration of these objects. Today, the American Wing houses some of the museum's most beloved pieces, such as Leutze's Washington Crossing the Delaware, Gilbert Stuart's iconic portrait of George Washington, Augustus Saint-Gaudens' Diana, as well as Louis Comfort Tiffany's dramatic three-part window, Garden Landscape. This lecture will discuss these pieces and other important works from the collection. Mallory Mortillaro is an art historian and educator. As a researcher, she consults for private collectors, museums, and organizations in the New York metropolitan area, with a primary focus on provenance research.

Artists' Eyes on the American Revolution:

Gilbert Stuart, Portraitist of the Founding Fathers (ON ZOOM)

Wednesday, July 8th @ 7:00pm

This talk will trace the artistic career of Gilbert Stuart (1755-1828), who produced over 1,000 portraits in his lifetime as he worked in eight cities: Newport, Rhode Island; Edinburgh; London; Dublin; New York; Philadelphia; Washington, D.C.; and Boston. Renowned for the accuracy of his facial likenesses, Stuart

painted the most important Americans of his time, including presidents. One of his portraits of George Washington, for instance, is reflected in the current one-dollar bill. A charming conversationalist, to draw out his sitters' personality (though not every story he told was true), and sometimes irascible, Stuart became the most preeminent art authority in America. Works of art from East Coast institutions will take pride of place in the talk. This talk will be lead by art historian, Michael Norris.

Who are The Nabis, and Why Don't I Know These Amazing Artists? (ON ZOOM)

Thursday, July 23rd @ 7pm
