"HEART HUSTLE" RUNNING SERIES PROMOTES YOUTH FITNESS

Green Brook Leo Club

This past spring, Arthur Lewis Park was filled with the sounds of cheering parents and racing footsteps as the Green Brook Leo Club hosted its inaugural "Heart Hustle Running Series." The six-week youth event, which kicked off on March 22, 2026, succeeded in its twin goals of fostering local community spirit and promoting physical fitness among the township's youngest residents.

Every Sunday morning at 10 a.m., approximately 16 local children between the ages of 3 and 11 gathered at the park to participate in weekly races tailored specifically to their age groups. Over the course of the six-week series, participants challenged themselves to improve their times, build endurance, and enjoy the benefits of outdoor activity.

COMMUNITY AND GROWTH AT THE FOREFRONT

The series was designed to provide a supportive, non-competitive environment where children could develop a love for running. Parents and spectators quickly noted the positive impact the weekly routine had on the young athletes.

"It was incredible to watch the progress of these kids from week one to week six," said Sai Bhavsar, Vice President of the Green Brook Leo Club. "They didn't just get faster; they built confidence. Having a regular Sunday morning event brought neighbors together and gave the kids a great goal to work toward."

For the Green Brook Leo Club, the youth affiliate of the international Lions Club service organization, the event was a perfect reflection of their mission to serve the local community. By encouraging healthy habits early in life, the Leos hoped to create a lasting, positive impact on Green Brook's families.

GOING THE DISTANCE FOR HEART HEALTH

Beyond encouraging active lifestyles, the Heart Hustle Running Series served as a powerful fundraising platform. Through registration fees and community support, the running series raised \$510 directly for the American Heart Association (AHA).

The impact of the event was further amplified by the wider Lions community. Recognizing the youth club's dedication, the Green Brook Lions

Club contributed a generous \$250 donation. In addition, the energetic Leo Club members raised an additional \$350 for the AHA on a Saturday morning collecting donations from those entering the Green Brook Pancake House.

Together, these collaborative efforts allowed the Green Brook Leo Club to donate \$1,110 to the American Heart Association to support life-saving cardiovascular research and education.

FALL RUNNING SERIES ANNOUNCED

Building on the overwhelming success of the inaugural spring event, the Green Brook Leo Club has officially announced the return of the Heart Hustle Running Series for the upcoming autumn season.

The fall series will run for six consecutive weeks, kicking off on Sunday, September 6, 2026. Races will begin at 10:30 a.m. at Arthur Lewis Park. Parents of children aged 3 to 11 are encouraged to keep an eye out for registration details, which will be shared on our website: greenbrookheart hustle.com.

MARCH TO YORKTOWN DAY RETURNS AUG 16

The Washington-Rochambeau Trail Alliance of New Jersey invites the public to experience the sights, sounds, and stories of the American Revolution at the 7th Annual March to Yorktown Day on Sunday, August 16, 2026, from 12:00 p.m. to 4:00 p.m. at Washington-Rochambeau Trail Park, 201 Mountain Avenue, Westfield, New Jersey.

This America250 family-focused community event commemorates the historic 1781 march of the American and French armies through New Jersey on their way to Yorktown, Virginia. The allied victory at Yorktown proved decisive in securing American independence.

The event will begin with a 12:00pm Opening Ceremony featuring the formal dedication of Washington-Rochambeau Trail Park, along with remarks by local dignitaries and invited guests. Located along the congressionally designated Washington-Rochambeau Revolutionary Route National Historic Trail, the park commemorates Westfield's place in the historic march to Yorktown and provides a permanent place for residents and visitors to learn about the community's Revolutionary War heritage.

Visitors can step back in time at a Revolutionary War militia encampment, where reenactors will demonstrate military camp life and historic cooking techniques. Musket firing demonstrations will bring the sounds of the Revolution to life, while historical organizations will host informational tables highlighting New Jersey's rich Revolutionary War history.

A special program at 2:00pm, will feature nationally renowned historian Robert A. Selig, Ph.D., a leading scholar of the Washington-Rochambeau Revolutionary Route and the American and French armies' march to Yorktown. Dr. Selig will share the history and significance of the 1781 campaign and New Jersey's important role in the journey that helped secure American independence.

Children and families can enjoy activities designed to introduce young people to Revolutionary War history in an engaging and memorable way courtesy of many local history organizations. Food trucks will also be on site throughout the afternoon.

One of the highlights of the day will be the symbolic March to Yorktown, commemorating the journey undertaken by thousands of American and French soldiers in 1781. Participants will march to Westfield's historic Revolutionary War burial grounds, where a wreath-laying ceremony and musket salute will honor Revolutionary War patriots and those who sacrificed for American independence.

The 7th Annual March to Yorktown Day brings together reenactors, historians, historical organizations, community partners, families, and visitors for an afternoon of living history, education, and remembrance during the nation's 250th anniversary year.

The event is organized by the Washington-Rochambeau Trail Alliance of New Jersey, a nonprofit organization dedicated to preserving, promoting, and interpreting New Jersey's role in the Washington-Rochambeau Revolutionary Route and the historic march that helped secure American independence.

In the event of severe weather, the program will be moved indoors to the Town of Westfield Community Room, 425 East Broad Street, Westfield. Weather-related updates will be announced prior to the event on the WRTA-NJ Facebook page and Town of Westfield Nixel.

Sponsors include: PNC Bank, Westfield Inn, Chez Catherine, Apricot, Westfield Tobacco and the West Fields Chapter Sons of the American Revolution.

For more information, contact Julie Diddell, Executive Director of the Washington-Rochambeau Trail Alliance of New Jersey, at 908-917-4706.

ANSWERING SUICIDE PREVENTION & CRISIS CALLS

Caring Contact

Caring Contact, an award-winning volunteer-staffed hotline that answers 988 Suicide and Crisis Lifeline calls—primarily from callers in seven counties in Central and Northern New Jersey—has seen a dramatic rise in the number of calls coming in over the last two years. In 2025 they answered 25,700 calls, the most in their 50-year history, and the call rates have risen over 70% in 2026.

“Every 988 call represents someone bravely reaching out in a moment of profound need. The increase in calls tells us that more people know help is available—and that when compassionate, trained Listeners answer, it can make a lifesaving difference,” explains Mary Claire Givelber, Executive Director, Caring Contact.

THE GOOD NEWS — IT’S WORKING

The rising rates of Callers correlates to a 2026 JAMA study, that after the launch of the national 988 Suicide and Crisis Lifeline in 2022, suicide deaths among adolescents and young adults (ages 15–34) dropped 11% compared to projected rates from 2022–2024.* The largest declines were seen in states with the highest 988 call volumes.

At Caring Contact, they see evidence of this every day. Recently a teen Caller coping with anxiety and loneliness said, “Thank you very much for talking to me. I think I’m going to talk some things over with my parents about how I’ve been feeling. I spoke with you guys, and it made me realize that I’m not alone.”

AS THE CALL RATES RISE, SO DOES THE NEED FOR TRAINED VOLUNTEER LISTENERS

Twice a year Caring Contact offers an intensive 9-week in-person & hybrid training class to prepare volunteer Listeners to offer nonjudgemental, empathetic Listening to Callers experiencing crisis and thoughts of suicide. Once trained, volunteers provide 9 hours a month of Lifeline listening. Become a volunteer 988

Listener—applications are open for fall training, September 15th through November 17th, 2026, on Tuesday nights, alternating between in-person classrooms in Scotch Plains and remote classes, with one full weekend of ASIST training. To be considered, fill out an application at CaringContact.org/training.

LISTENING IS A REWARDING VOLUNTEER EXPERIENCE

A recent survey of Caring Contact volunteer Listeners found that 100% of respondents feel that “their work is making a difference” and that the “training prepared them well” for this opportunity. A Listener recently said, “It is a rich experience that allows you to make a direct impact on your life, support others and be a part of a diverse and vibrant community with like-minded values anchored on deep compassion and care for others.”

In addition, Listeners report that the Active Listening skills they’ve learned also transfer to leadership roles, at work and with family and friends. “It’s the greatest gift a person can give to another. To be with them without trying to change them. To listen with empathy helps others feel less alone. To not be judged but to be accepted for feeling whatever one is feeling. It’s uncommon for people to be able to say what they need to say and have someone listen without judging them. Again, such a gift,” reports a Caring Contact Listener.

HABITAT FOR HUMANITY AND CARPENTRY STUDENTS PARTNER ON PROJECT

SCVTHS

Somerset County Vocational and Technical High School (SCVTHS) Carpentry students continued their partnership with the Raritan Valley Habitat for Humanity by assisting in the construction of a new home.

Habitat's Construction Team and local volunteers have been working on the modular duplex that was delivered to a site on James Street in Whitehouse Station in early February. When completed, the units will be sold to new homeowners, and will provide safe, affordable

homes for two families.

Students Nick DeSan of Bound Brook, Logan Rice of Branchburg, Kyle Tobar of Manville, Ben Canuso of Manville, Antonio DiMonte of Bridgewater, George Bittman of Bridgewater, and Ryan Phelan of Hillsborough, along with Carpentry Instructor Dan LaRue, worked on the project. The SCVTHS team installed flooring, shelving, and a ramp, and prepped a crawl space under the homes for the installation of a sump pump.

"We are incredibly grateful for our partnership

with Raritan Valley Habitat for Humanity, which provides our students with meaningful, real-world learning experiences while helping them develop valuable career skills," said Rob Carrig, SCVTHS Supervisor of Career and Technical Education. "Beyond the hands-on training, our students find tremendous pride and fulfillment in giving back to the community."

For more information about Somerset County Vocational and Technical Schools, please visit scvths.org. To find out more about Raritan Valley Habitat for Humanity, please visit rvhabitat.org.

"Roseann was fantastic throughout the entire process of finding our forever home. She is exceptionally knowledgeable, always professional and so personable, too. It was a pleasure dealing with all of our important decisions, having Roseann's ever patient and always available support.
